Best-selling humorist David Sedaris writes hilarious, short biographical stories about his life. While Sedaris loves to poke fun at himself, his stories have a theme: the difficulties of human communication, which include learning a new language, and provide the inspiration for the title.

Welcome to Riverside Community College District

Welcome to Riverside Community College District. By enrolling in classes for the fall semester, you will be coming to our campuses at one of the most important moments in RCCD history. This fall marks the culmination of efforts to transition from a multi-campus to a three-college system of higher education.

What does this mean to our students? More opportunities!

RCCD campuses have always offered a broad range of liberal arts and science programs. But increasingly as the two newer campuses have progressed toward the same independent college status as Riverside City College, they have worked hard to develop new, specialized programs of study. Today, you will find many choices and ways to pursue a degree, prepare for transfer to a four-year college or university, or to successfully enter the workplace.

I encourage you to look through this schedule and to visit the RCCD website to access the course catalog and other information. By doing so, you can learn about the health, human and public services programs at Moreno Valley; technology, engineering, logistics, and manufacturing programs at Norco; and, applied technology, computer science and performing arts programs at Riverside. You will also find valuable information about the student services that are available to you including student financial aid, tutoring, writing, reading and mathematics labs, disabled student services, and student activities on the campuses.

As you attend classes this fall, you will notice construction and renovation projects in progress that signal the continuation of a multi-year effort to make sure we can offer the classes and programs you need to fulfill your education and career goals. As I mentioned, 2009 is an exciting time to be a part of Riverside Community College District. We look forward to serving your needs and providing a very positive college experience.

Chancellor

Gregory Gray

Orientation and Counseling

Would you ever take a trip to an important destination without a map? You might, but your chances of getting lost are high. Orientation is your map to **College Success**.

New student orientations conducted by college counselors in a group setting are offered to all incoming students, and are required as part of the matriculation process. Orientation introduces students to the college experience in general. Whether you plan to complete a certificate, a degree, transfer, or take a course or two for self-improvement, orientation is designed to provide informative, yet practical advice.

Students should go to the earliest orientation session available to get necessary information and to gain an edge on class enrollments.

Once you complete your placement test, an appointment for your orientation/counseling session may be scheduled by calling the Counseling Center.

Step 5 – Activate Your RCCD Email Account~

As a student of the Riverside Community College District you are provided with free student email via Windows Live by Microsoft; all you need to do is activate it! RCCD email gives you access to important notices, new classes, class changes, wait list status, notices from Student Financial Services, faculty correspondence and more. **Personal email addresses will not be used by RCCD. Your RCCD account is the ONLY approved method of formal communication from the District to the student.**

You should have received your RCCD email address in the mail a few days after applying. You may also find it by going to WebAdvisor and click on What's My Email Address?

When you activate your account you will be asked to provide an alternate email address in case you forget your RCCD email password and need to be reminded of what it is. If you do not have an alternate or personal email account it is strongly advised that you get one before activating your RCCD email account. Hotmail.com, Yahoo.com and Gmail.com all offer free email accounts.

To activate your email:

1: Go to mail.live.com to SIGN IN (not SIGN up) with your RCCD email address. Your temporary password will be your 6-digit date of birth (ex: 061078). You will be asked to change it to a private password.
2: Follow the Microsoft prompts to set up and activate your account. This is where it's a good idea to be able to provide an alternate email address.
3: You can also forward your RCCD email to another personal email account.

If you need help, view the tutorial at www.rcc.edu/students/email.cfm. If you are having difficulty and you cannot resolve your problem using the tutorial visit Admissions & Records; or call the Riverside (951) 222-8574 or (951) 222-8601, Moreno Valley (951) 571-6101 or Norco (951) 372-7003 campuses. You can also go to the Digital Library on the Riverside campus for in-person help.

Step 6 – Register for Classes~ (Continued)

It is your responsibility to ensure that you are officially registered in courses by the add deadline and that your fees are paid.

Deadline Dates

Specific add deadlines are included with the class information in this schedule and on WebAdvisor at www.rcc.edu. Refund and drop deadlines can be viewed/printed from WebAdvisor at www.rcc.edu. Click on *Class Name/Deadlines*.

Dropping Classes

Print out the page on WebAdvisor that confirms that the class has been dropped from your class schedule. Instructors maintain the right to drop students for lack of attendance, beginning the first day of class and ending on the 75% date.

It is the student's responsibility to drop classes on WebAdvisor or in person by the deadlines. Failure to drop a class may result in a permanent "F" grade on your academic record and may still require payment. Do not rely on an instructor or others to drop you!

Adding Closed Classes

Make sure to check the deadline to add classes in this class schedule or on WebAdvisor (click on Class Name and Title).

A class is closed beginning the first meeting day of that class or earlier if it is full. In order to add a closed class, you must receive permission from the instructor. This is typically done by attending the first day of class. See www.opencampus.com in order to add online classes.

When registering on WebAdvisor, you will be asked to give your unique 4-digit authorization code which must be obtained from the instructor. Authorization codes are not valid on WebAdvisor until the first day of the class.

When registering in person, you must have an authorization code from the instructor. Fees are due at time of registration.

Waitlists

Before the beginning of the semester, if a class is closed, you may place your name on a waitlist (if available). If a seat becomes available, you will automatically be added and your student account will be charged with the enrollment fees. *Please check your schedule regularly online with WebAdvisor and/or your RCCD email account to confirm your status. Personal email addresses will not be used by RCCD. Your RCCD account is the ONLY approved method of formal communication from the District to the student.*

Waitlisting ends late in the day on the day prior to the first class meeting. You must drop yourself from the class by the drop and refund deadlines if you do not intend to remain in the class. Students registered from the waitlist must attend the first day of class. Students not registered from the waitlist are encouraged to attend class the first day to see if space is available and the instructor is willing to add them.

You can manage your waitlist on WebAdvisor by doing the following:

- Log in to WebAdvisor at www.rcc.edu (http://www.rcc.edu/)
- Click on "Register and Drop Classes"
- Then click on "Manage My Waitlist"

*To activate your RCCD email account,

- Go to www.rcc.edu (http://www.rcc.edu/) and click on Students,
- Click the Student Email link on right side of the page.

Maximum Unit Load

The maximum number of units a college student may enroll in is 16 for fall/spring and 9 for summer/winter. Students will not be permitted to enroll in more units without authorization from a counselor. The maximum units for high school concurrent students is 8 units for fall/spring and 5 units for summer/winter. High School students will not be permitted to enroll in more units without authorization from the Dean of Admissions and Records or the Dean of Student Services.

General Education Student Learning Outcomes

Every student who graduates from RCCD with an A.A. or A.S. degree is unique—almost no two take exactly the same courses. But to be educated is to possess some values in common, some shared competencies and modes of thought. Thus all graduates meet a 23-unit general education requirement that gives them broad exposure to ideas and skills outside their own areas of special interest. After successfully completing the GE requirement, all RCCD students should be able to:

Critical Thinking

- Analyze and solve complex problems across a range of academic and everyday contexts
- Construct sound arguments and evaluate arguments of others
- Consider and evaluate rival hypotheses
- Recognize and assess evidence from a variety of sources
- Generalize appropriately from specific cases
- Integrate knowledge across a range of contexts
- Identify one's own and others' assumptions, biases, and their consequences

Information Skills

- Demonstrate computer literacy
- Locate, evaluate, and use information effectively

Communication Skills

- Write with precision and clarity to express complex thought
- Read college-level materials with understanding and insight
- Listen thoughtfully and respectfully to the ideas of others
- Speak with precision and clarity to express complex thought

Breadth of Knowledge

- Understand the basic content and modes of inquiry of the major knowledge fields
- Analyze experimental results and draw reasonable conclusions from them
- Use the symbols and vocabulary of mathematics to solve problems and communicate results
- Respond to and evaluate artistic expression

Application of Knowledge

- Maintain and transfer academic and technical skills to workplace
- Be life-long learners, with ability to acquire and employ new knowledge
- Set goals and devise strategies for personal and professional development and well being

Global Awareness

- Demonstrate appreciation for civic responsibility and ethical behavior
- Participate in constructive social interaction
- Demonstrate teamwork skills
- Demonstrate understanding of ethnic, religious, and socioeconomic diversity
- Demonstrate understanding of alternative political, historical, and cultural viewpoints

Continuing @ RCCD~

Continue Taking Classes

All continuing students will be assigned a new registration appointment date each term. If you are not a continuing student, you must submit a new Admissions Application in order to register again. See *Apply for Admission* to determine if you are a continuing student.

Re-apply for Financial Aid

The Free Application for Federal Student Aid (FAFSA) is available for the next academic year on January 2nd or the first day of the winter session. The priority filing date is March 2nd of each year.

If you are receiving a Board of Governors Waiver (BOGW), you must reapply each academic year, beginning with the summer term.

Continue to see a Counselor

Students should meet with a counselor during their first semester to develop a 2-year SEP (student educational plan).

It is advisable that students meet with a counselor once a semester to review their educational goals, because general education and lower division major requirements are always subject to change.

If you change your educational goal, it is important to see a counselor to obtain a revised SEP.

Veterans:

Riverside Community College District is proud to have you choose us as your community college. To take full advantage of your benefits, please call (951) 222-8607 to get started.

AB540

Desde el 1º de enero de 2002, la ley AB540 de California permite que todos los estudiantes (menos los extranjeros que no sean inmigrantes) que cumplan con los siguientes requisitos, asistan a las universidades públicas del estado de California, que son los Colegios Comunitarios de California/ California Community Colleges (CCC), las Universidades de California (UC) y las Universidades Estatales de California (CSU).

El estudiante tiene que haber asistido a una escuela secundaria (High School) pública o privada, al menos durante tres años.

El estudiante tiene que haberse graduado de una Escuela Secundaria (High School) de California, o haber terminado el equivalente a esos estudios (por ejemplo haber aprobado el GED o el Exámen de Graduación de la Escuela Secundaria de California).

El estudiante tiene que entregar una petición para la excepción con la universidad, incluyendo una declaración legal firmada, en la cual confirma haber cumplido con todos los requisitos.

Los estudiantes que completen 3 años en una escuela de adultos y/o consigan su GED podrían calificar para AB 540 si el Colegio Comunitario/ Community College al que desean asistir lo considera equivalente a la Escuela Secundaria (High School).

Los estudiantes no residentes que cumplan con estos requisitos, podrán pagar las mismas cuotas que los residentes; sin embargo no se podrán considerar “residentes” de California.

¿Cuánto cuesta asistir a Riverside Community College District?

El Colegio Comunitario de Riverside (RCCD) cobra por unidad y no por clase. Cada unidad cuesta veinte dólares ($20) para residentes de California. Mas aparte, residentes de otro estado pagan ciento ochenta y uno dólares ($181) por cada unidad, más veinte ($20) dólares si es residente de otro país. Todos los cargos pueden cambiar debido a acción legislative del estado o a cambios de póliza del Consejo de RCCD. La mayoría de las clases de Inglés como segundo idioma (ESL) son cuatro (4) unidades. Para ser considerado como estudiante de tiempo completo, necesita completar 12 unidades.

Servicios de Salud

El estado de California requiere que la institución cobre la quota de Servicios de Salud, no importa si el estudiante tiene aseguranza de salud o no. El costo es diecisiete dólares ($17) por cada semestre de otoño y primavera y catorce dólares ($14) por cada sesión de invierno y verano. Estudiantes que califican para el Board of Governors Waiver (BOGW), todavia tienen que pagar la quota de servicios de salud.

Servicios Estudiantiles

La quota de Servicios Estudiantiles es opcional. Por favor consulte la página de Servicios Estudiantiles, en la revista de clases, referente a los beneficios de pagar esta quota.

Distrito Del Colegio Comunitario De Riverside

Procedimiento para presentar una queja por Discriminación/Acoso Sexual

Usted Tiene Derecho a Presentar una Queja

Este es un resumen del derecho que usted tiene a presentar una queja formal de discriminación o de acoso sexual. Este es sólo un resumen. Por favor vea las Políticas de la Junta Directira Escolar y los Procedimientos Administrativos BP/AP 3410 y BP/AP 3430, y AP 3435 para el procedimiento completo del Distrito.

PROCEDIMIENTO PARA UNA QUEJA FORMAL/INFORMAL:

- Usted tiene derecho a solicitar que los cargos sean resueltos informalmente, durante este tiempo, el Distrito se encargará de hacer lo necesario para solucionar los cargos informalmente.
- Usted no necesita participar en una resolución informal.
- Usted tiene derecho a presentar una queja formal, aún en el caso que anteriormente haya solicitado una resolución informal (mire la parte posterior para el procedimiento a seguir en este caso).
- A usted no se le pedirá que confronte o que trate de resolver los problemas con la persona acusada de discriminación ilícita.
- Usted puede presentar una queja basada en el rehuso de empleo en la Oficina del Departamento de Educación de Estados Unidos de Derechos Civiles (OCR, por sus siglas en inglés) siempre y cuando dicha queja esté dentro de la jurisdicción de esa agencia.
- Si su queja es relacionada a empleo, usted puede presentar una queja en la Comisión de Estados Unidos de Igualdad en Oportunidad de Empleo (EEOC, por sus siglas en inglés) y/o el Departamento de Igualdad en el Empleo y la Vivienda (DFEH, por sus siglas en inglés) siempre y cuando dicha queja esté dentro de la jurisdicción de esa agencia.
- Están prohibidas las represalias. Si usted siente que están usando represalias en su contra como resultado de haber presentado una queja, por favor pongase en contacto con el Departamento de Diversidad y Recursos Humanos de RCCD.

EL PROPOSITO DE LA RESOLUCION INFORMAL:

El propósito del proceso en una resolución informal es permitir que un individuo, el cual cree ha sido ilícitamente discriminado en contra, pueda resolver la situación por medio de un proceso de mediación en lugar de un proceso de queja formal. Típicamente, el proceso informal será invocado cuando haya un simple malentendido, o usted no desee presentar una queja formal. La resolución de una queja informal puede que no requiera más que una aclaración del malentendido o una disculpa por parte del supuesto ofensor y una declaración de que el comportamiento ofensivo cesará. Usted será notificado acerca del resultado de la investigación del proceso informal, y también será notificado de la resolución propuesta por el Distrito.

Si usted da seguimiento al proceso informal, deberá tomar en cuenta los siguientes puntos importantes:

- Usted necesitará firmar un documento el cual indique que usted ha elegido el proceso de la resolución informal.
- El Distito completará su investigación en el periódo de tiempo requerido por la política de la Junta Directiva Escolar, a menos que usted voluntariamente rescinda su queja antes de ser terminada la investigación.
- El seleccionar el proceso de resolución informal, no le previene a usted el poder tomar la decisión después de presentar una queja formal (sujeto a todas las reglas al presentar una queja formal). Usted puede hacer esto mientras el proceso informal está en curso, o si el proceso informal ha sido completado y usted no está satisfecho con el resultado o la propuesta resolución hecha por el Distrito, siempre y cuando que el periódo de tiempo para presentar una queja formal no haya terminado.

COMO PRESENTAR UNA QUEJA FORMAL:

- La queja debe ser presentada utilizando el formulario indicado por la oficina del Rector del Estado. El formulario está disponible en la página de internet del Distrito, en la oficina de Diversidad y Recursos Humanos, o en la página de internet del Rector del Estado en www.cccco.edu.
- Le queja debe declarar discriminación ilícita bajo el Título 5, sección 59300.
- Le queja debe de ser presentada por la persona que declara que ella/el ha sufrido personalmente discriminación ilícita o por aquella persona que se ha enterado de tal discriminación ilícita en su función oficial como miembro de la facultad o administrador.
- En cualquier queja que no involucre un empleo, la queja deberá ser peresentada en el espacio de un año a partir de la fecha de la presunta discriminación ilícita o en el espacio de un año a partir de la fecha en la cual usted se enteró o debió haberse enterado de los hechos que fundamentan el incidente específico o los incidents de la presunta discriminación ilícita..
- En situaciones en que la queja afirme discriminación en el empleo, la queja deberá ser prersentada en el espacio de 180 días a partir de la fecha en que la presunta discriminación ilícita ocurrió, con la excepción de que este periodo sera extendido por no más de 90 días seguido a la fecha de expiración de los 180 días, si usted se enteró o tuvó conocimiento de los hechos de la supuesta discriminación después de la fecha de expiración de los 180 días..
- Usted puede presentar una queja con el:

Riverside Community College District
3845 Market Street
Riverside, CA 92501-3244
(951) 222-8039

Cómo Denunciar Discriminación u Hostigamiento

La oficina de Diversidad, Igualdad y Cumplimiento (DEC por sus siglas en inglés) del Distrito está disponible para asistir a los estudiantes, profesores, empleados o visitantes con problemas o preguntas relacionadas a la discriminación y hostigamiento. Para mayor información sobre los procedimientos para denunciar o para transferir del Internet una copia del formulario de quejas del Distrito, por favor visite nuestra página web al: http://www.rcc.edu/administration/dec.cfm o llame al: (951) 222-8039.

CÓMO DENUNCIAR

Si usted experimenta o presencia lo que usted cree ser discriminación u hostigamiento ilícito, por favor documente la siguiente información:

- Fecha, hora y ubicación del incidente;
- Nombres e información para ponerse en contacto con personas involucrados y posibles testigos, si se conocen;
- Información detallada referente al/a los incidente(s) que observó;
- Reporte sus preocupaciones y problemas llamando al (951) 222-8039.

La discriminación o el hostigamiento van en contra de la misión de educación superior de RCCD y es contra la ley. La política del Distrito prohíbe las prácticas discriminatorias (reales, percibidas, o por asociación con otras personas) basadas en el/la:

• Identificación de Grupo Étnico • Nacionalidad • Religión • Edad• Sexo/Género • Raza • Color • Ascendencia • Orientación Sexual • Discapacidad Física o Mental

• O cualquier característica enumerada o definida en la sección 11135 del Código Gubernamental o cualquier característica contenida en la prohibición de crímenes de odio contenidos en la subdivisión (a) de la sección 422.6 del Código Penal.

El Hostigamiento Sexual no tiene cabida en un ambiente académico o de trabajo. RCCD está comprometido a proveer un ambiente positivo y seguro para todos los estudiantes, empleados y visitantes. A continuación hay una lista parcial de actividades de hostigamiento sexual prohibidas:

- Propuestas sexuales indeseables;
- Ofrecimiento de empleo o de beneficios de calificaciones a cambio de favores sexuales;
- Represalias, reales o en forma de amenaza, por no participar;
- Miradas impúdicas; hacer gestos sexuales; o mostrar o exhibir objetos, fotos, caricaturas o carteleros que sugieren sexualidad;
- Hacer difamaciones, bromas o comentarios despectivos, o usar apodos;
- Hacer comentarios sexuales, incluyendo comentarios gráficos, sobre el cuerpo de una persona;
- Usar palabras sexualmente degradantes para describir a una persona; o cartas, notas o invitaciones sugestivas u obscenas;
- Tocar o atacar físicamente, como también impedir o bloquear movimientos.

La Resolución de quejas se puede lograr por un proceso, ya sea formal o informal. La opción del proceso la determina la persona que plantea la queja. El propósito del proceso de resolución informal es de permitir a la persona que cree que ha sido discriminada ilícitamente o ha sido hostigada sexualmente, resolver el problema a través de un proceso de mediación en lugar de un proceso formal de queja. Típicamente, el proceso informal es utilizado cuando existe un simple malentendido o la persona procura solamente una aclaración del malentendido o una disculpa por parte de la otra persona y una garantía de que terminará ese comportamiento ofensivo. La resolución informal debe ser revisada por el/la Director(a) de Diversidad, Igualdad y Cumplimiento. Las quejas formales deben reportarse usando un formulario de queja del Distrito disponible en nuestra página web, en la página web del Rector del Estado, o en el departamento de Diversidad y Recursos Humanos. Si se presenta una queja formal, el Distrito conducirá una investigación dentro de los plazos requeridos de acuerdo a la política y la ley. Durante el proceso formal, no se le exigirá a la persona demandante que confronte o resuelva los problemas con la persona acusada de la conducta ilícita.

Las Quejas Informales se pueden citar en la oficina de RCCD DEC del Distrito llamando al (951) 222-8039. Las quejas informales requieren que la persona que reporta la queja lo haga por escrito. Escoger el proceso informal no le impide el derecho a reportar una queja formal durante el periodo que tiene para reportar quejas.

Las Quejas Formales se pueden reportar en la oficina de DEC del Distrito llamando al (951) 222-8039 o a la oficina del Rector del Estado (California Community Colleges Chancellor's Office, 1102 Q Street, Sacramento, CA 95811). Las quejas formales deben ser presentadas por escrito en el formulario de queja requerida. Las quejas formales pueden ser reportadas solamente por la persona que alega que ha sufrido discriminación u hostigamiento ilícito o por una persona que se ha dado cuenta de esta discriminación u hostigamiento ilícito en su capacidad oficial de maestro o administrador del Distrito.

El formulario de queja esta disponible en las siguientes páginas web:

- http://www.rcc.edu/administration/hr/files/Discrim_Complaint_2006.pdf
- http://www.cccco.edu/OurAgency/Legal/Discrimination/tabid/294/Default.aspx

Cuando se reciba el formulario completo, el Distrito conducirá una investigación dentro del tiempo requerido por las políticas de Distrito y la sección 59300 del Título 5 del Código de Regulaciones de California. El demandante y la persona acusada de la conducta recibirán notificación de los resultados de la investigación.

El Plazo para Reportar una Queja en casos que no involucran discriminación u hostigamiento en el empleo es dentro de un año de la última fecha en que ocurrió la conducta presunta. Quejas que involucran discriminación u hostigamiento en el empleo se reportaran dentro de 180 días de la última fecha en que ocurrió la conducta presunta. Una extensión puede estar disponible si el conocimiento de los hechos de la presunta discriminación o violación ocurrió después de la fecha de caducidad.

STUDENT PROFILE

Corianne Little
Music student
Norco/Riverside Campus

Corianne Little's passion for singing started at the age of three. When she entered Arlington High School, she joined the choir program and sang for four years before enrolling as a full-time student at the Norco Campus in 2006 when the campus launched its music program.

"My music professor, Dina Humble, is amazing. She is a great teacher who provides endless opportunities and inspires her students," says Corianne, who is also a student of music professor John Byun at Riverside City College. "I feel so blessed to be part of this prestigious program and highly recommend it to anyone interested in music, especially because of the new state-of-the-art recording studio that is coming to the Norco Campus soon."

Her mentor, Dina Humble, also looks forward to the arrival of the new equipment. "We are so pleased to be able to offer students an opportunity to receive industry-level training through our commercial music courses and music program."

Corianne received her associate of arts degree in June and would like to pursue a music career in country singing. "I want to keep singing for the rest of my life," she says. But for now Corianne is content to remember the summer trip with other RCCD choir students who traveled to Ireland and Wales to compete for a spot in Choir of the Worlds. And practice, practice, practice…and perform.

Welcome to Riverside Community College District's unique and vital public safety training located at the Ben Clark Training Center (BCTC). In association with local, state and federal agencies, Riverside Community College District (RCCD) offers one of the largest public safety training programs in Southern California. Each year, the college prepares hundreds of students to work as law enforcement officers, firefighters, probation officers, dispatchers, and correctional officers.

Most of the training occurs at the BCTC, located adjacent to March Air Force Reserve Base. RCCD at the BCTC is recognized nationally for its innovative, interagency programs that emphasize state-of-the-art training for law enforcement and firefighting personnel to function as a team.

Several major public agencies participate in public safety training, including the Riverside County Sheriff's Department, the Riverside County Fire Department, the California Department of Forestry, the Department of Corrections and the Department of Probation. Working in conjunction with these agencies, RCCD is able to offer the following intensive programs in Law Enforcement and Fire Technology:

Open Campus

Online, Hybrid and Web - Enhanced Courses

What are online, hybrid and web-enhanced courses?

• **Online** courses are taken exclusively over the Internet–there are no on-campus meetings required. However, some online classes require proctored exams, either on an RCCD campus or by an off-site proctor approved by the instructor. See www.opencampus.com.

• **Hybrid** courses meet both on-campus and online; think of them as traditional face-to-face courses where some of the on-campus class meetings are replaced with online assignments. In a hybrid course, you will attend meetings on-campus during the dates and times listed in this Schedule of Classes. Since the on-campus portion of hybrid classes could take place at any of our three colleges (Riverside, Norco or Moreno Valley), hybrid courses are listed according to the campus where the on-campus meetings take place. So, for example, if you'd like to take a hybrid course at Norco, you'd look under the Norco campus section of this schedule.

• **Web-Enhanced** courses are traditional face-to-face classes that are augmented with course websites. Unlike hybrid courses, all web-enhanced class meetings take place on-campus. The course website is an extra value!

Are you ready for online learning?

To take an online, hybrid, or web-enhanced class, here are a few things to keep in mind:

• You should have regular access to a personal computer that is connected to the Internet. Not sure whether your computer measures up? At www.opencampus.com, click on "Help", then click "Requirements Help" (near the top left, under "Help Links").

• You should be familiar with basic computer operations: for example, using a word processing program, logging onto the Internet, using a browser, and sending e-mail.

• You should be self-disciplined and have strong study skills. It's easier to fall behind in an online class.

• Lastly, you shouldn't believe the myth that online or hybrid courses are "easier" than face-to-face courses. In fact, online courses cover the same material as face-to-face courses, and many students say that their online courses actually require more of their time than their face-to-face courses. *Set aside a few minutes and take the Open Campus Distance Learning quiz to help you decide.*

Please note: To enable online-based students to communicate more effectively with their instructors, students need to activate and use their RCCD e-mail account. Please go to http://www.rcc.edu/students/email.cfm and follow the link to e-mail tutorial at http://www.rcc.edu/students/emailtutorial.cfm. Personal e-mail addresses will not be used so the RCCD account is the only approved method of formal communication from RCCD to the student.

What's an online course like?

Sample an online course--go to www.opencampus.com and click on "Help". Under "Quick Links", click on "Sample Class". Use the information provided to log-in.

Online Courses

Online course Limitation on Enrollment:
Enrollment in online courses offered through the Riverside Community College District is limited to students who have demonstrated competency in working in the online environment.

Before you can register for an online class, you must demonstrate that you have the computer and Internet skills you need to be successful. Your enrollment in online classes will be blocked until you have met this requirement.

You may demonstrate competency and meet the requirements of this limitation on enrollment in two ways:

1. **Successful completion of an online class (grade of "C" or better).**
   If you successfully completed an online course **at Riverside Community College District prior to fall 2009,** your record has already been cleared and you may register immediately (if you are unable to register, please contact the Matriculation Specialist at matric.specialist@rcc.edu).
   If you successfully completed an online course at another accredited college or university, please call the prerequisite hotline (951) 222 - 8808 for directions about how to provide documentation to clear this limitation on enrollment (since verification of your successful class completion will not be immediate, you are encouraged to simply complete the short Online Skills Workshop described in Item 2 below).
   OR
2. **Go to http://opencampus.com/ and complete the "Online Skills Workshop".**
   The Online Skills Workshop takes only a few minutes to complete and will verify your ability to perform the functions required in an online class, such as posting to a discussion board, uploading assignments, sending an e-mail, attaching a document, etc. Once you have successfully completed the workshop, you will be cleared to register for online classes.

Join a Learning Community

The Community for Academic Progress (CAP) Program is an exciting program designed to allow students to enroll in grouped or paired courses that share common themes, activities, and assignments. Since the courses are linked, students take these classes as a group, allowing faculty and students to work and learn together. Whether you are transitioning from high school or are a continuing college student, CAP has a learning community for you! While college may seem overwhelming, CAP addresses your needs in an environment of caring faculty, staff, and administrators. In addition to learning communities, CAP offers math courses that are only open to CAP students, which means everyone in a math CAP class is part of the CAP program.

The CAP Program Offers:

- An academic program that combines courses in one convenient schedule.
- "Priority" registration so that registering for college is not difficult.
- A personal orientation to introduce you to the program and to the college.
- Counselors who assist with your Student Educational Plan (SEP) and provide personal counseling and career development.
- Access to technology both in and out of the classroom.
- Supplemental Instructional (SI) Leaders who provide review sessions and teach effective learning and study strategies.
- Field trip opportunities to CSUs, UCs, and private universities that give glimpses of university life.
- Exciting guest speakers and CAP activities throughout the academic year.

Next Steps for Fall 2009:

- If you have not completed an RCC application, please complete it online at www.rcc.edu
- If you have not taken the English, Reading and Math placement tests, please call the Assessment Center at 951-222-8451 for available testing hours.
- If you have not attended an RCC Orientation, please call 951-222-8440 to make an appointment.
- Call the CAP office at 951-328-3820 so that we can work on your "priority" registration, and sign up for a mandatory CAP orientation. Space is limited, so call TODAY!

Tobacco & Drug Abuse Prevention Program~

Statement of Philosophy and Purpose

It is the intention of the Riverside Community College District to provide an environment that maximizes academic achievement and personal growth. The District recognizes that alcohol, tobacco and other drug use/drug abuse poses a significant threat to the health, safety and well-being of users and the people around them. Substance abuse also interferes with academic, cocurricular and extracurricular interests and can lead to health, personal, social, economic and legal problems.

Alcohol and other drug abuse addiction or dependency is a behavioral/medical problem. Because the District's intent is to be helpful, not punitive, programs have been developed to deter alcohol and other drug abuse. First, education is provided. Second, a program of assistance and referral is available. Third, disciplinary procedures are applied to uphold the District policy regarding alcohol and other drug use and the Standards of Student Conduct as listed in the Student Handbook.

The District policy is that all use of alcohol, tobacco and other drugs is prohibited on the District property and at any college sponsored or related activity regardless of its location.

Education

The Riverside Community College District offers a wide variety of educational opportunities to its students and the community which address alcohol , tobacco and other drug related issues. Information about courses is available in the college catalog, class schedule and through the Counseling Center.

Additional educational opportunities include awareness activities, conferences, workshops, films/videos and lectures, some of which are available at the College Health Service at each campus.

Assistance and Referral

Students can seek help through the College Health Services. Health professionals provide assistance for students with alcohol, tobacco or drug related problems including crisis intervention, education and/or referral. Contact the Student Health Center at 222-8151.

Regulations for Policy 3230/4230/6230, Smoking/Non-Smoking

Smoking of any form of tobacco or non-tobacco products is prohibited on District grounds, in all District vehicles, at any activity or athletic event and on all property owned, leased, or rented by or from the District.

What Every Student Should Know!~

AB540 Non-Resident Fee Waiver

A student who qualifies for the Non-Resident Fee Waiver will be exempt from paying the Out of State Tuition fee and will pay the $20 per unit enrollment fee. The qualifications for the waiver are stated below.

Any student other than a non-immigrant alien within the meaning of paragraph (15) of subsection (a) of Section 1101 of Title 8 of the United States Code, who meets all of the following requirements shall be exempt from paying nonresident tuition at RCCD.

1. High school attendance in California for three or more years.
2. Graduation from a California high school or attainment of the equivalent thereof (equivalent considered GED or high school proficiency test) must be obtained in the state of California. Certificates of Completion may also qualify students for the waiver.
3. In the case of a person without lawful immigration status, the filing of an affidavit (available in the admissions office) stating that the student has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so. Student information obtained in the implementation of this section is confidential. Students who are non-immigrants [for example, those who hold F (student) visas, B (visitor) visas, etc.] are not eligible for this exemption.

A student who meets the qualifications for the Non-Resident Fee Waiver is not a resident of the state of California until he or she meets physical presence and intent requirements as stated in the "Residence Classification for Tuition Purposes" section above. Students without lawful immigration status **are not** eligible for any federal or state supported financial aid such as the Board of Governors Waiver, etc. Please see Admissions and Records for the exemption request form. The Non-Resident Fee Waiver is available at the Admission and Records office. This form can be printed out at http://www.rcc.edu/students/apply/nonresident.cfm.

Academic Freedom

The District endorses the American Association of University Professor's Statement of Principles on Academic Freedom and Tenure: "Academic freedom is essential to these purposes and applied to both teaching and research. Freedom in research is fundamental to the advancement of truth. Academic freedom in its teaching aspect is fundamental for the protection of the rights of the teacher in teaching and of the student to freedom in learning" (BP 4030).

Academic Honesty

Academic honesty and integrity are core values of the Riverside Community College District. Students are expected to perform their work (except when collaboration is expressly permitted by the course instructor). Believing in and maintaining a climate of honesty is integral to ensuring fair grading for all students. Acts of academic dishonesty entail plagiarizing—using another's words, ideas, data, or product without appropriate acknowledgment—and cheating—the intentional use of or attempted use of unauthorized material, information, or study aids on any academic exercise. Students who violate the standards of student conduct will be subject to disciplinary action as stated in the "Standards of Student Conduct", listed in the Student Handbook. Faculty, students, and administrators all share the responsibility to maintain an environment which practices academic integrity.

Academic Renewal

Academic renewal permits previously recorded substandard course work taken at RCCD to be disregarded in the computation of RCCD grade point average after 24 subsequent units have been completed with a 2.0 GPA. Petitions and information are available in the Admissions offices of the Riverside, Moreno Valley and Norco campuses.

Americans with Disabilities Act

The Americans With Disabilities Act extends universal civil rights protection to individuals with disabilities. The implementation of the ADA provides greater access and opportunities for community college students and employees with disabilities. Riverside Community College District makes all programs and facilities accessible to persons with disabilities, and provides services to students with disabilities through the Disabled Student Services Office. For more information call 222-8060, TDD 222-8061.

Area of Emphasis Grade Requirements

Beginning in 2009, each course counted toward the unit requirement in an area of emphasis or a major or program of study must be completed with a grade of "C" or better, or a "P" if the course is taken on a Pass/No Pass basis.

If a student stops attending a class, it is ultimately the student's responsibility to officially drop the class.

—

It is also the student's responsibility to consult with his/her instructor regarding any absences that will alter his/her status in the class.

—

Students who fail to attend the first class meeting or have a poor attendance record may be dropped from the class!

Attendance Policy

The student is expected to attend every meeting of all classes for which he/she is registered. Attending a class without being registered is contrary to Riverside Community College District policy and cannot be used as a basis for a petition to add a class. Students who have enrolled for a class and who do not attend or who are late or absent from the first meeting of the class may forfeit their right to a place in the class. Students should know and understand the attendance policy for each class in which they are enrolled.

Auditing

RCCD offers students the option of auditing courses. Instructions for auditing are as follows:

1. Students may not audit a class unless he/she has taken the course and has exhausted all possibilities to repeat the course.
2. No student will be allowed to enroll for audit prior to the first day of the course. The first day of the course refers to the actual course meeting.
3. Permission to audit a class is done at the discretion of the instructor and with instructor's ***signature.***
4. When auditing, the student shall not be permitted to change his/her enrollment in that course to receive credit.
5. With the instructor's ***signature*** and permission, a credit student may switch his/her enrollment to audit status provided the change is completed prior to 30% of course for short-term courses.
6. With the instructor's signature and permission, a student may enroll in a course for audit at any time during the semester **if** he/she has not enrolled in that course for credit during the same semester.
7. Credit students have priority over auditors. If a course closes after an auditor has been admitted, the auditor may be asked to leave to make room for the credit student. Instructor's discretion is strongly recommended.
8. The audit fee is $15 per unit plus student services and health fees. Students enrolled in 10 or more semester units may audit 3 units of audit free (may be 3 one unit courses.) The $15 per unit audit fee will automatically be charged if the student drops below 10 units.

Students wishing to audit should be aware that audited classes will not appear on an official transcript. Green audit cards are available at the Admissions counter at all campuses. Fees are due when the form is submitted. For more information, please contact the Student Services offices at Moreno Valley (951) 571-6101 or Norco (951) 372-7003, or the Admissions and Records office at Riverside (951) 222-8600.

Basic Skills Requirements

In 2009, the basic skills requirements will change from completion of ENG 50, 1A or 1AH and MAT 1-49, 52 or 53 with a "C" grade or higher, to completion of ENG 1A or 1AH or equivalent and MAT 1-49, 35, or equivalent.

Class Cancellation

Each college reserves the right to cancel any class in which the enrollment is insufficient to warrant its continuance.

Counseling

Counseling appointments are available at all three campuses. Schedule an appointment with Counseling if you have questions about which classes to take, transfer to another college, vocational programs, etc. The appropriate telephone numbers are:

Moreno Valley campus – (951) 571-6104
Norco campus – (951) 372-7101
Riverside campus – (951) 222-8440

Credit By Exam

Forms are available in Admissions. There is a separate form for Foreign Language classes.

Cross Enrollment at UC or CSU

Undergraduate students enrolled at any RCCD college may enroll at a CSU or UC campus without formal admissions in a maximum of one course per academic term at a campus on a space available basis at the discretion of the appropriate campus authorities on both campuses.

An RCCD student is qualified to cross enroll if the following requirements are met:

- Completed at least one term at RCCD as a matriculated student
- Earned a grade point average of 2.0 (grade of "C") for work completed
- Enrolled for a minimum of six units for the current term at RCCD and paid appropriate fees
- Completed appropriate academic preparation as determined by host campus (UC or CSU)
- Is a California resident

Cross Enrollment application forms are available in Admission offices at RCCD, UC and CSU campuses. UC and CSU may charge a $10 or more administrative fee each term. See the application form for other important information.

Pass/No Pass

If a class is offered with a Pass/No Pass option, students may elect to take the class on that basis; this option is available the first 30% of the course (see "Deadlines" for deadlines to elect Pass/No Pass). Pass (P) is equivalent to passing a class with a "C" or better. Requests for Pass/No Pass must be submitted to the Admissions and Records office at the Riverside campus or to one of the Student Services offices at the Moreno Valley or Norco campus. Check a RCCD catalog for classes that are offered with a Pass/No Pass option.

Deadlines

Add deadlines are listed with each class in the *Schedule of Classes* and on WebAdvisor at www.rcc.edu. Drop deadlines and refund deadlines can be printed on WebAdvisor at www.rcc.edu. Click on Class Name/Deadlines.

Degree Change Alert!

The math and English competency requirements for the associate degree will be changing beginning with fall 2009. All new students and all other students who are returning after a break in their continuous enrollment will be required to get a "C" or better in ENG-1A and MAT-35 to complete an associate degree. Students who maintain continuous enrollment as defined in "Catalog Rights" in the college catalog will be able to fulfill this requirement by completing the current requirements of ENG-50 and MAT-52.

Enrollment Verifications

Enrollment verifications are available on WebAdvisor at www.rcc.edu or they may be obtained at the Transcript office at the Riverside campus (951) 222-8603; from the Student Services office at the Moreno Valley campus (951) 571-6101; or the Norco campus (951) 372-7003. Students receive two free verifications. After that there is a $2.00 fee for each enrollment verification requested.

Requests for enrollment verification are accepted at each campus and are processed on a first-come, first-served basis. Students must pay all fees associated with their term enrollment and the $2.00 enrollment verification fee, if required, before the verification request can be processed.

Final Examinations

The final examination schedule for fall and spring semesters is published in the back of the Schedule of Classes. Final examinations for winter and summer classes will be held on the last class meeting date at the regularly scheduled time.

Grades

Grades are available on WebAdvisor at www.rcc.edu (see calendar). If grades are not posted by this date, contact the instructor. If necessary, contact the appropriate academic department. Grades may be available earlier, but please do not call prior to this date. Students with financial holds cannot receive transcripts or diplomas.

Grade Changes

According to RCCD Board Policy: *The student has one year following the semester in which the grade was recorded to request a change of grade. After the one-year limit, the grade is no longer subject to change.* Students must file an Extenuating Circumstances Petition (ECP) and supporting documentation with the Admissions and Records office at one of the three campuses.

Honors Program

The requirements for the Honors Program include:

- A 3.2 GPA in at least 9 units of transferable coursework
- A 3.25 GPA for incoming high school students (provide a transcript)
- Verification of eligibility for or completion of English 1A (we'll check this for you)
- Completion of an Honors Program application (which is available on the website or from the program coordinators.)

If you'd like more information, please contact:
Naomi Foley at (951) 222-8779 or email: naomi.foley@rcc.edu

Identification

No student information will be given or changes made to a student's records (other than filing an application) without photo identification. Changes cannot be made for another person.

Limitations on Enrollment

RCCD offers some courses which place limitations on enrollment. These limitations may include successful completion of courses, successful completion of online tutorial to demonstrate computer skills, preparation levels for math and English, performance criteria or health and safety conditions. Students who do not meet the conditions imposed by these limitations will be blocked from enrolling in these classes. Refer to the Open Campus section for the online course limitation on enrollment.

If you are currently enrolled in a prerequisite course at RCC (i.e., MAT-52), you will be allowed to register for the succeeding class (i.e. MAT-35). However, if you do not pass the prerequisite course with at least a C grade, you will be dropped from the succeeding class.

Prerequisite - When a course has a prerequisite, it means that a student must have certain knowledge to be successful in the course. The prior knowledge may be a skill (type 40 wpm), an ability (speak and write French fluently), a preparation level (placement test and prior academic background), or successful completion of a course (grade of C or better or P). Completion of the prerequisite is required prior to enrolling in the class. Successful completion of a prerequisite requires a grade of C or better or P (Pass). D, F, NP (No Pass) or I grades are not acceptable. Instructions for validating prerequisites taken at another college follow.

Corequisite - When a course has a corequisite, it means that a student is required to take another course concurrently with or prior to enrollment in the course. Knowing the information presented in the corequisite course is considered necessary in order for a student to be successful in the course (for example, completion of, or concurrent enrollment in MAT-1A is required for PHY-4A).

All course prerequisites and corequisites will be enforced. This means that a student's registration will be blocked if he/she does not have the required prerequisites and corequisites. Preparation scores for English, mathematics and reading will also be enforced. Students who previously took the ASSET, APS, DTLS and/or MDTP test(s) and classes based on these test results must retest on the Accuplacer assessment test or show proof of prerequisites.

It is imperative that students who have met prerequisites at other schools begin the evaluation process immediately so that it will be complete prior to the beginning of registration.

Students will not be able to register for courses for which prerequisites have not been met.

Verifying Prerequisites/Corequisites - It is the student's responsibility to know and meet the course prerequisites and corequisites before attempting to register for the class. These are stated in the course descriptions within the **Schedule of Classes** and a current **RCCD catalog.** When the student has completed the prerequisite at another institution, the student must request that an official transcript (in a sealed envelope, dated within 90 days) be sent to RCCD Admissions and Records. The student must also complete a ***Prerequisite Validation Request*** form, available in the counseling department at any RCCD campus, requesting a review of the prerequisites on that transcript **before attempting to register for classes.** The request form is also available at www.rcc.edu. Click on Going to College. See Step 3.

Prerequisite/Corequisite Challenge Procedure - There is a procedure in place for challenging a prerequisite course. Students wishing to utilize the challenge procedure must contact the Counseling office and complete the required "Matriculation Appeals Petition." Supporting documentation must be provided at the time the appeal is submitted. Prerequisites and/or corequisites may be challenged based on **one** of the following criteria:

1. The successful completion (C or better) of an equivalent course from another accredited college or university.
2. The prerequisite has not been validated.
3. The student has the knowledge or ability to succeed in the course despite not meeting the prerequisite.
4. The prerequisite for a course necessary for graduation, transfer or a certificate is not offered and the unavailability of said prerequisite poses a hardship.
5. The prerequisite is discriminatory or is being applied in a discriminatory manner.

Students challenging a prerequisite based on unofficial documentation may submit a Matriculation Appeals Petition one time only. Students are required to submit official transcripts from all previous colleges after that time.

Advisory - When a course has an advisory, it means that a student is recommended to have a certain preparation before entering the course. The preparation is considered advantageous to a student's success in the course. Since the preparation is advised, but not required to meet the condition before or in conjunction with enrollment in the course (i.e., eligibility for ENG-1A is recommended), the student will not be blocked from enrolling in a class if he/she does not meet the advisory.

Military Credit

Two physical education units are awarded upon presentation of DD214, NOBE or ID card for active military. Military tech schools are evaluated based on the recommendations of the ACE Guide. No credit is granted for MOS's, correspondence courses, internships or military-specific courses. A maximum of 15 units may be awarded (two of which may be the PE credit).

CCAF, SMARTS, AARTS transcripts, DD214 and Certificates of Completion are used to evaluate military credit. Request for evaluation of military credit should be submitted to the Veterans Office located at the Riverside campus after the completion of 12 semester units. No more than 30 units may be granted for CLEP, military training, AP or credit by exam. Any military credit granted is usable toward your AA/AS degree at RCCD only and is not posted to your RCCD transcript. See Veterans' Services for more information.

Non-Degree Credit

Courses indicated as non-degree credit earn credit, but the credit is not counted toward the associate degree. These courses (Art 95 to 99; Computer Applications and Office Technology 99 ABCDE; English 60AB, 60A1, 60A2, 60A3, 60A4, 85, 90B; English as a Second Language 51, 52, 53, 65, 71, 72, 90 A-K, 91, 92, 95, Guidance 95; Mathematics 63, 64, 65, 90 A-F, 98; Nursing - Continuing Education 81, 83; Reading 81, 82, 83, 86, 87, 95; Spanish 85; Speech 52; and all practicum numbered 96, 96A, 97) are intended to help students develop skills necessary to succeed in college level degree-applicable courses. Non-degree credit courses can be used toward the following: athletic eligibility, work study, financial aid, social security benefits, veteran's benefits, associated student body office, and full-time status.

Notification of Rights under FERPA for Postsecondary Institutions

Riverside Community College District adheres to the policies of the Family Educational Rights and Privacy Act (FERPA) when establishing and maintaining education records. Although the District applies the provisions of FERPA in a strict manner, the law allows the District to release student directory information. RCC, based on FERPA regulations, designates as directory information the following: student's name, address, telephone listing, e-mail, major field of study, dates of attendance, enrollment status, (e.g., full time/part time) participation in officially recognized activities and sports. weight and height of members of athletic teams, degree and awards received, the most recent previous public or private school attended by the student, and any other information authorized in writing by the students.

Students have the opportunity to request that their directory information be maintained as confidential. In completing the admission application, students are provided this opportunity. Students who are Continuing Students with RCCD may go to the Student Services office at the Moreno Valley or Norco campus, or to the Admissions and Records office at the Riverside campus and request to have directory information withheld.

The student's prior written consent is not required to disclose non-directory information under specific conditions according to FERPA regulations. Included under this provision is the ability to disclosure education records to parents of a student under 18 years of age as defined in Section 152 of the Internal Revenue Code of 1986. Refer to www.rcc.edu/ferpa/ for more information.

The Family Educational Right and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

1. The Right to inspect and review the student's education records within 45 days of the day RCCD receives a request for access. Copies are not provided if the student has an outstanding financial or other hold on the records. The District may assess a charge pursuant to Board Policy Regulation 7045 for furnishing copies of any education record. Students should submit to Admissions and Records, the dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The RCCD official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the RCCD official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading. Students may ask RCCD to amend a record that they believe is inaccurate or misleading. They should write the RCCD official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If RCCD decides not to amend the record as requested by the student, RCCD will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to college officials with legitimate educational interests. A college official is a person employed by RCCD in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom RCCD has contracted (such as an attorney, auditor, collection agent or agents or organizations conducting studies on behalf of the college); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another college official in performing his or her tasks. A college official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. Upon request, RCCD discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by RCCD to comply with the requirements of FERPA.

Overlapping Classes

If classes have overlapping meeting times, students must register in person with an approval for overlapping classes form including instructor and Dean of Instruction signatures. Forms are available in Admissions.

Personal Profile Update

On the *Personal Profile Update* link on WebAdvisor, students can update their address, phone number, privacy, personal email address and home campus. Students can also submit a *Change of Information* form in Admissions to update all of these as well as a name change (with legal documentation), social security number (with valid SS card), date of birth (with legal documentation), education goal or admit status. Students should speak to a counselor before changing their program of study (major) or educational goal, or for Assessment and Orientation/Counseling questions. **Personal email addresses will not be used by RCCD except in an emergency. Your RCCD account is the ONLY approved method of formal communication from the District to the student.**

Probation and Dismissal Students

If you are on academic probation or dismissal, contact Counseling for registration requirements and procedures. (Procedures for dismissal students can be viewed in WebAdvisor by selecting *Check My Registration Dates/Holds,* clicking on *Help* and then clicking on the link next to your hold).

Repeat Policy

Students may register on WebAdvisor without a *Petition for Course Repetition* unless limits have been reached per the following 5 rules:

1. Students are limited to a maximum of 5 attempts per course including Ws and substandard grades (D,F,NP,NC);
2. Students are limited to a maximum of 4 Ws per course;
3. Students are limited to a maximum of 3 attempts that result in a substandard grade (D,F,NP,NC);
4. Once a grade is recorded, a student is limited to a maximum of 2 additional attempts per course;
5. Military Withdrawals (MW) are only counted as repeats after a substandard grade is recorded.

Once the number of times to repeat has been exhausted, a *Request for Course Repetition* may be appropriate for the reasons listed below:

- The student's previous grade is, at least in part, the result of extenuating circumstances (documented cases of accidents, illness, or other circumstances beyond the control of the student);
- There has been a lapse of time (at least 5 years) since the student previously took the course and received a "C" grade or better;
- The course outline of record has been officially changed and demonstrates significant curricular changes;
- An institution of higher education to which the student seeks to transfer has established a recency requirement which the student cannot satisfy without repeating the course;
- Under special/extenuating circumstances, a student can file a *Request for Course Repetition* for a 6th attempt. If the request is approved and depending on conditions (see examples below), the student should be advised that they may not be able to withdraw from the class (after census) and they may receive a grade whether or not they complete the course.

SPECIAL CIRCUMSTANCES: students may repeat per A – E listed below:

A. Meet a legally mandated training requirement as a condition of volunteer or paid employment (documentation required);
B. Repeat activity courses where course content differs each time it is offered;
C. Enroll in variable unit open-entry/open exit courses (if required for legally mandated training, is a special class for students with disabilities, is due to extenuating circumstances, or is being repeated to alleviate substandard work);
D. Repeat a cooperative work experience course (until a maximum of 16 units of WKX are completed);
E. Students with disabilities can repeat a special class for students with disabilities with verification that repetition is required as a disability-related accommodation.

When course repetition occurs, the permanent academic records will be annotated in such a manner that all work remains legible ensuring a true and complete academic history. For courses taken and repeated at RCCD, the highest grade earned in the repeated course will be used to compute an adjusted grade point average. Requests for Course Repetition are available in Admissions and Records; they must be submitted to the Dean of Instruction prior to the first day of class. Student must bring signed request to Admissions and register in person.

Residency for Tuition Purposes

You are considered a California resident for tuition purposes if:

1. You verify physical presence one year and one day prior to the residency determination date (the first day of the semester you plan to attend). The one year period begins when you are not only present in California but also have demonstrated clear intent to become a permanent resident of California.
2. You verify an intent to make California your permanent place of residence. U.S. Citizens, Permanent Residents, and those with Refugee/ Asylee status or qualifying visas may establish residency for tuition purposes based on the above criteria. Further questions may be directed to the Admissions & Records Office.

Students who do not meet these requirements will be classified as non-residents and will be required to pay non-resident fees. Non-resident students pay both the $20 per unit enrollment fee and the $181 per unit non-resident tuition. International students also pay the $19 per unit surcharge. Non-resident students may be eligible to pay resident enrollment fees using the AB540 Non-Resident Fee Waiver. See the AB540 section for additional information.

Military and Veteran Students and Family Members

RCCD exempts students from non-resident tuition who are members of the armed forces of the United States stationed in this state on active duty. A student who is a natural or adopted child, stepchild, or spouse who is a dependent of a member of the armed forces is also exempt from non-resident tuition.

Students who feel they are eligible for a fee exemption should contact the Riverside County Dept of Veterans Services at (951) 955-6050 for more information.

Standards of Student Conduct

The responsibility to maintain and respect conditions conducive to learning is shared by all members of the college community. Students should exercise their freedoms with maturity and responsibility. Standards of student conduct along with other rights and responsibilities are available in the Student Handbook. Students receive the handbook during the freshman orientation/counseling sessions prior to registering for classes. Copies of the Student Handbook are available in the Counseling Department on each campus or accessible online at www.rcc.edu/services/counseling/files/studenthandbook.pdf.

Student Right-to-Know Disclosure Statement

In compliance with the Student Right-to-Know and Campus Security Act of 1990, it is the policy of Riverside Community College District to make available its completion and transfer rates to all current and prospective students. Beginning in fall 2004, certificate-, degree- and transfer-seeking first-time students, enrolled full-time in degree applicable courses, were tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population in the Riverside Community College District, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, 23.9% attained a certificate, degree or became “transfer-prepared” during a three-year period (fall 2004 to spring 2007). Students who are “transfer-prepared” have completed 56 transferable units with a GPA of 2.0 or better.

Based upon the cohort defined above, 18% transferred to another postsecondary institution prior to attaining a degree, certificate or becoming “transfer-prepared” during a five semester period (spring 2005 to spring 2007).

More information about Student Right-to-Know rates and how they should be interpreted can be found at the California Community Colleges “Student Right-to-Know Information Clearinghouse website” located at http://srtk.cccco.edu/index.asp

Transfer Courses

You may obtain a list of RCCD classes which are transferable to the University of California and the California State University in the Career and Transfer Center. The information also appears in each college catalog.

Units for Full-Time Status

For full-time status, a student must be enrolled in at least 12 units of credit for the fall/spring semesters and 6 units of credit for the winter/summer terms. Students who are enrolled in less than 12 units for fall/spring terms or less than 6 units for winter/summer are considered to be part time. Specialized programs may have a different unit requirement for full time status because of state mandates. The maximum amount of units a student may enroll in for fall/ spring semesters is 16. Students wishing to enroll in more than 16 units must have an established GPA of 3.0 or higher. A counselor must sign an add card after verifying the GPA and the student must register in person for the over limit units.

Veterans' Services

Riverside Community College District provides assistance to veterans for the following benefit programs:

- Active Duty Educational Assistance Program – Montgomery GI Bill – Chapter 30
- Vietnam Era GI Bill – Montgomery GI Bill – Chapter 34/40
- Selected Reserve Educational Assistance Program – Montgomery GI Bill – Chapter 1606
- Vocational Rehabilitation – Chapter 31
- Post-Vietnam Era Veterans Educational Assistance Program (VEAP) – Chapter 32
- Survivors and Dependents Educational Assistance Program – Chapter 35
- Reserve Educational Assistance Program (REAP), Chapter 1607.
- Post-9/11 GI Bill - Chapter 33, refer to www.gibill.va.gov for updated information.

Riverside Community College District is a member of the Servicemembers Opportunity Colleges (SOC). This consortium of national higher education associations functions in cooperation with the Dept of Defense (DOD), the Military Services including the National Guard, and the Coast Guard to help meet the voluntary higher education needs of service members.

Veterans who are seeking to use VA Educational Benefits should apply online to the VA at www.gibill.va.gov. Allow 3-6 weeks for processing. Once processed, the VA will send applicants two copies of their Certificate of Eligibility. One copy must be given to the RCC Veterans' Services office in the Bradshaw Building at Riverside or to the Student Services offices at the Norco and Moreno Valley campuses. For questions regarding pay, Certificate of Eligibility or benefits call 1-888-GIBILL-1.

While waiting for the Certificate of Eligibility veterans should continue with RCCD procedures in order to enroll and be certified for payment. Veterans apply to RCCD online at www.rcc.edu and complete assessment testing and/ or counselor orientation (if applicable). Veterans may also be eligible for other financial aid and are encouraged to submit the FAFSA (Free Application for Federal Student Aid) online at www.fafsa.ed.gov.

Before a VA Student Education Plan (SEP) can be developed, all transcripts must be sent or walked in to RCCD in order to have prior credit evaluated. Transcripts must be official, sealed and printed less than 90 days ago. After transcripts are received veterans can request a transcript evaluation and an SEP for a VA approved Program of Study. Please allow 2-3 weeks processing time. The completed SEP will be mailed to the veteran’s home. After receiving the SEP veterans can register for approved classes. Check the VA website at www.gibill.va.gov for the listing of VA approved programs at RCCD.

After registering, veterans must turn in the Veteran's Statement of Responsibility (Blue Sheet) to the Veterans Services office at Riverside, or the Student Services offices at the Norco and Moreno Valley campuses. This "Blue Sheet" is required in order for enrollment certification to be submitted to the VA; this process may take 2-3 weeks. This form must be submitted to RCCD every term to request benefits.

Veterans are eligible for priority registration for two years after being discharged from active duty. In order to be eligible veterans must take a copy of their DD214 discharge papers to the Veterans' Services or Admissions office at the Riverside campus, or to Student Services offices at the Norco and Moreno Valley campuses. Staff there will tell eligible veterans their priority registration dates.

Veterans' assistance is available in the Bradshaw Building at Riverside and in Admissions at the Moreno Valley and Norco campuses. Contact the Veterans' Office at (951) 222-8607 or veterans@rcc.edu for more information. Information is also available at www.rcc.edu. Click on *Going to College* and then on *Veterans' Assistance*.

See the *Military Credit and Residency for Tuition Purposes* sections for more information.

Need Money for College? We Can Help!~

The Riverside Community College District offers a variety of financial assistance programs for eligible students consisting of the following:

Financial Aid Application Workshops – Workshops are available to assist you with the FAFSA application. Please refer to our website at www.rcc.edu/studentfinancialservices for workshop dates, times and locations. For more information, please refer to the Consumer Guide available on the SFS website listed above. Questions may be directed via email to studentfinancialservices@rcc.edu.

Grants (range from $400-$4731, subject to change) – Grants are financial assistance awarded to students based on financial need and do not require repayment if you successfully complete your courses. Grants consist of the Federal Pell Grant, the Federal Supplemental Educational Opportunity Grant (FSEOG), the Academic Competitiveness Grant (ACG) and the Cal Grant. The ACG grant is for students who are enrolled full time in their first and second academic years and have graduated from a rigorous high school program of study. Completing the FAFSA online at www.fafsa.ed.gov is the basis for all the grants and loans listed below. Make sure to add RCC Title IV school code #001270. The Cal Grant GPA Verification form and FAFSA must be completed by March 2nd of each year in order to apply for the Cal Grant program. Certain certificate or short term programs may not qualify for grant or loan assistance; please visit one of our SFS Academic Counselors to inquire about your program's eligibility. Remember, apply early!

Board of Governors Fee Waiver (waive fees from .5 units to maximum unit load) – The Board of Governors Fee Waiver (BOGW) is a state program which waives enrollment fees and reduces parking fees for the fall and spring semesters for qualified students who are California residents. To apply for the BOGW, complete the FAFSA at www.fafsa.ed.gov and list the RCCD Title IV school code #001270. Eligibility for the BOGW is determined automatically when the Student Financial Services office receives your FAFSA information from the Department of Education. The BOGW is valid for the entire academic year beginning with summer and ending with the following spring semester. The BOGW does not pay for books, student services or health fees, or additional class fees. If you are not a California resident, you may be eligible to apply for a non-resident tuition exemption through the AB540 program. See Admissions and Records for additional information or view our consumer guide online.

Federal Work Study (earn up to $4000) – The Federal Work Study (FWS) Program offers students the opportunity to earn additional funding through part-time employment. It also allows students to gain work experience and pay for a portion of their educational expenses. All positions require that students maintain half-time enrollment and a minimum 2.0 CGPA. When eligible to work, your supervisors will contact you. To view available jobs or for more information on FWS, please view the Student Employment section.

Scholarships (range from $50 - $6000) – Students may utilize scholarships at RCCD in two ways: Scholarships from sources outside of RCCD or from scholarships offered through the RCCD Foundation. A list of scholarships available from outside sources, including free Internet scholarship search sites, is published throughout the year and is available at the Student Financial Services website at www.rcc.edu/studentfinancialservices and in the Student Financial Services office at all three campuses. When outside scholarship funds are received by RCCD, the student is notified by mail and must submit a Scholarship Action form in order to use the scholarship funds at RCCD. The RCCD Foundation scholarship brochure for continuing and transferring students is available during the fall semester with an application deadline in early December. Applicants chosen for RCCD scholarships are notified by May of each year. The scholarship funds for students continuing at RCCD are disbursed during the following fall and spring semesters upon verification of eligibility. The scholarship funds for students transferring to a university are disbursed to the transfer institution during the next fall semester. Transfer students must return the Transfer Notification form with the transfer institution information. RCCD Foundation Scholarship brochure and application for high school seniors who plan to attend RCCD are available during January and February of each year

Chafee Grant (up to $5000) – Are you or were you a foster youth between the age of 16-22 years old? You may be eligible for this grant. This grant awards up to $5000 annually to eligible or current foster youths and does not have to be paid back. Applications can be found online at www.chafee.csac.ca.gov.

Student Financial Services Counseling/Outreach – If you would like assistance to apply for financial assistance, search for scholarships over the Internet, or meet with our Student Financial Services (SFS) Academic Counselors, please visit our office located on the Riverside campus behind the Bradshaw Student Center. You may also visit the SFS office on the Moreno Valley and Norco campus to make appointments to meet with our SFS Academic Counselors.

Loans – Riverside Community College District (RCCD) strives to help students reach their educational goal with the least amount of student loan debt possible. RCCD participates in the Federal Family Education Loan (FFEL) program. We offer Subsidized and Unsubsidized FFEL Stafford loans to help students achieve their career goals. The loan applications are available during the fall and spring semesters in the SFS office on each campus. FFEL loans must be repaid with interest and we encourage all students to exercise caution when borrowing any student educational loans. Federal Student Loans should be the last alternative to pay for a student's education, so plan ahead when determining the amount you request to borrow. Loan amounts are based on grade level, unmet financial need, annual and aggregate loan limits, loan history and satisfactory academic progress. Students applying for a loan are required to have a two year Student Educational Plan (SEP) on file with RCCD before applying for the loan and must be enrolled in 6 or more units on that SEP plan.

For specialized grants including Gear Up, Child Development Grant, SSS Grant, etc., please see any Student Financial Services office for additional information or visit our consumer guide online.

Parking @ RCCD~

Listed below are some of the most frequently asked questions by students regarding the parking rules on campus. If your specific questions are not addressed, call 222-8521 or stop by the Safety & Police Parking Office located in Lot J. We are here to help you understand the rules you will have to follow should you choose to bring a motorized vehicle to campus.

Q: The grace period is over and I still haven't received the parking permit I ordered, what should I do?
A: Parking permits are mailed within 5 days after payment (weekends & holidays excluded). If you haven't received the permit you ordered, you may pick up a temporary permit at any Admissions office. If you haven't received your parking permit in the mail by the time your temporary is about to expire, please contact Admissions to find out why it may have been delayed.

Q: What are the hours permits are required?
A: Permits are required on all district property, Monday through Thursday from 7:00am-10:00pm, Friday 7:00am-4:00pm. RCCD ENFORCES ALL OTHER RULES OF THE CALIFORNIA VEHICLE CODE (i.e., posted time zones, red curbs, handicap spaces, expired registration, etc) 24 HOURS A DAY, 7 DAYS A WEEK.

Q: If I paid for a parking permit, I can park wherever I want, right?
A: NO! Parking permits allow students to park on district property in student spaces. THEY DO NOT GUARANTEE A SPACE AND THE INABILITY TO LOCATE A LEGAL PARKING SPACE IS NOT A VALID JUSTIFICATION FOR THE VIOLATION OF DISTRICT PARKING REGULATIONS OR THE CALIFORNIA VEHICLE CODE. **YOUR PARKING PERMIT MUST BE PROPERLY DISPLAYED IN PLAIN, FULL VIEW, AND NUMBERS CLEARLY VISIBLE, ACCORDING TO THE INSTRUCTIONS ON THE PERMIT.**

Q: I only have a couple of classes a week. Can I just park in the neighborhood close to campus?
A: NO!! There is no parking available to students in the neighborhood adjacent to the campus. There are heavy fines for students doing so, and you subject your vehicle to being towed away at your expense.

Q: So where can I park on campus if I choose not to purchase a semester parking permit?
A: There are parking permit dispensers on each of the RCCD campuses. The prices of the permits are: $1 for two hours, $2 for four hours and $3 buys an all day permit. Semester permits are more economical and convenient for most students. It is your responsibility to have a valid parking permit properly displayed on your vehicle.

Q: I ride a motorcycle. Do I have to purchase a parking permit?
A: Yes, if you plan to park on campus. Motorcycles are restricted to parking within designated spaces set aside on campus.

Q: What if I use a different car or forget my permit, can I just leave a note on the windshield stating so?
A: NO. If you forget your permit, stop by or call the Safety & Police Parking Office on the Riverside campus (951) 222-8171, Student Services at the Norco campus (951) 372-7088, or Safety & Police at the Moreno Valley Campus (951) 571-6190. You will be required to supply your student ID number for verification that you have purchased a permit. You may receive only three (3) temporaries per semester.

Q: I have a disabled placard. Do I have to purchase a parking permit?
A: YES. In addition to having a valid placard properly displayed or a license plate which signifies that you are disabled, your vehicle must display a current parking permit.

Q: If I lost my permit, can I get another one?
A: No. Parking permits are personal property. You wouldn't leave money lying around your unopened vehicle, and your parking permit should be treated the same way. If your vehicle is a convertible, or you are somehow prevented from locking your vehicle, visit Parking Services after you purchase your permit. We will help you in finding a solution. If you lost your permit contact Parking Services for the procedures for replacing your replacement.

Q: I got a parking citation, now what do I do?
A: No one enjoys getting a parking citation, but getting angry and rude will not make it go away. If you believe the citation was issued in error, you can contest the citation. Follow the directions on the back of the citation. You have twenty-one (21) calendar days from the date the citation was issued to do so. The appeal process is in accordance with California law.

Q: What happens if a citation is not paid?
A: If a citation is not paid or appealed within twenty-one (21) calendar days from the date it was issued, the citation will increase. Further failure to adjudicate the citation will ultimately result in a Department of Vehicles hold being placed on the vehicles registration, and can also initiate a California state tax lien to be placed on the registered owner of the vehicle in violation.

Q: Why is parking such a challenge?
A: The first few weeks of a new semester are always the busiest. Students are still registering, paying fees, adding and dropping classes and buying parking permits. The Riverside campus has a new multi-structured parking building on Magnolia Avenue that can be accessed from Magnolia or 15th Street. Find alternate transportation the first few weeks, i.e., walk, carpool with friends, take the bus, or ride a bicycle. Try searching for a parking space in the lower level of the Riverside campus first. **REMEMBER, YOU ARE RESPONSIBLE FOR FINDING LEGAL PARKING.**

Department of Safety & Police Parking Services offers a variety of safety and basic services to the college community, and are available 24 hours a day, 7 days a week. Services include lockout service on non-automatic lock vehicles and jump-starts. Also available is an escort service to walk you to your vehicle in the evening. Program your cell phone with our dispatch center at (951) 222-8171. This number will work for all District properties.

If you need emergency services, each campus has several "Blue Light" emergency phones that will connect you directly to our 911 dispatch center. Please use these only in an emergency. You may also dial 911 from any campus inside desk telephone.

Matriculation~

The Matriculation program at Riverside Community College District is intended to assist students to establish appropriate educational goals and to provide support services to help them achieve these goals. Students eligible for matriculation will be provided an evaluation of basic skills, orientation, counseling, completion of an educational plan and follow-up services. All new matriculants must complete Assessment, Freshman Orientation and Counseling prior to registering for classes.

Assessment of Basic Skills

Preparation levels are required for placement in English, ESL, mathematics, and reading courses. These placement levels are based on a combination of test scores and other academic experience. Assessment/placement testing is available in alternate format for individuals with disabilities. Because RCCD uses multiple measure placement criteria, placement levels are enforced as prerequisites to courses.

New students and continuing students who need placement levels for ESL courses should make an appointment for this test by calling the assessment centers at any campus. RCCD's placement process for math, English and reading courses is now computerized and in most cases no appointment is necessary. Please call to confirm hours of service. Assessment phone numbers: Moreno Valley (951) 571-6492; Norco (951) 372-7176; Riverside (951) 222-8451. Assessment hours are posted online at www.rcc.edu/services/assessment/dates.cfm.

Orientation/Counseling Sessions

All first time college students must attend a freshman orientation/counseling session prior to enrolling in courses. During these sessions, counselors will introduce students to services and educational programs at Riverside Community College District; provide students with information on registration procedures and placement results; and assist the students in developing their first semester educational plans. Call or stop by the Counseling department on any campus to schedule a freshman orientation/counseling session. New students should also register for GUI-45, Introduction to College.

Counseling for Continuing Students

Continuing matriculated students are entitled to see a counselor who can recommend appropriate coursework based on assessment results, review of past school records, and other information provided by the student. Due to a high demand for counseling appointments during the winter and summer sessions, it is highly recommended that continuing students see a counselor during the spring and fall semesters to complete a Student Educational Plan. Students who have attended other college(s) must request to have an official transcript(s) sent to RCCD before scheduling counseling appointments.

Student Educational Plan

Counselors are available to assist matriculated students in developing an educational plan that outlines the courses and services necessary to achieve their goals. All matriculated students must declare a specific educational goal by the time they complete 15 units. Students are required to have an educational plan on file within 90 days after declaring a goal. When goals or majors are changed, students should update their educational plan. To ensure this procedure, matriculated students are encouraged to make an appointment with a counselor during their first semester at RCCD (special support programs may have additional requirements).

Follow–up

Counselors and instructors will provide follow–up activities on behalf of matriculated students. These activities are designed to inform students of their progress early in the semester and to continue to assist students in accomplishing their educational goals. Referrals for appropriate support services will be made to on-campus and off-campus locations when appropriate.

Student Rights and Responsibilities

Prerequisites for courses will be enforced according to District policy. Students have the right to challenge prerequisites on the following grounds:

1. The successful completion ("C" or better) of an equivalent course from another accredited college or university.
2. The prerequisite has not been validated.
3. The student has the knowledge or ability to succeed in the course despite not meeting the prerequisite.
4. A prerequisite for a course necessary for graduation, transfer or a certificate is not offered and the unavailability of said prerequisite poses a hardship.
5. The prerequisite is discriminatory or being applied in a discriminatory manner.

The *Matriculation Appeals Petition* form to challenge prerequisites is available in the Counseling Center on all three campuses.

It is the student's responsibility to a) complete placement testing and orientation prior to registering for classes, b) express a broad educational intent upon admission and c) declare a specific educational goal by the time 15 semester units are completed. The student is also responsible for participating in counseling, attending class, completing assignments and maintaining progress toward that educational goal. If you have questions regarding the matriculation process, please contact the District Matriculation office at (951) 222-8442.

Nondiscrimination, Commitment to Diversity & Prohibition of Harassment and Retaliation Policies~

Board Policy 7100 Commitment to Diversity
Board Policy 3410 Nondiscrimination
Board Policy 3430 Prohibition of Harassment and Retaliation

To obtain a complete copy of the Board Policies mentioned above, please call the Diversity, Equity and Compliance Office: (951) 222-8039 or the Diversity and Human Resources Department: (951) 222-8595.

Commitment to Diversity

Riverside Community College District is committed to building a diverse and accessible environment that fosters intellectual and social advancement. All District programs and activities seek to affirm pluralism of beliefs and opinions, including diversity of religion, gender, ethnicity, race, sexual orientation, disability, age and socioeconomic class. Diversity is encouraged and welcomed because RCCD recognizes that our differences, as well as our commonalities, promote integrity and resilience that prepares our students for the evolving and changing community we serve.

Nondiscrimination

The Riverside Community College District Board of Trustees has adopted policies and procedures that comply with Federal and State laws relating to prohibition of discrimination and/or harassment on the basis of an actual, perceived or association with others': disability, sex/gender, nationality, race or ethnicity, age (40+), religion, sexual orientation, marital status, Vietnam Veteran status or any characteristic listed or defined in Section 11135 of the Government code or any characteristic that is contained in the prohibition of hate crimes set forth in subdivision (a) of Section 422.6 or the Penal Code.

Prohibition of Harassment and Retaliation

All forms of harassment are contrary to basic standards of conduct between individuals and are prohibited by State and Federal law, as well as this policy, and will not be tolerated. The District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of sexual harassment and all forms of sexual intimidation and exploitation. It shall also be free of other unlawful harassment, including that which is based upon an individual's actual or perceived association with others': ethnic group identification, national origin, religion, age, sex or gender, race, color, ancestry, sexual orientation, physical or mental disability, or any characteristic listed or defined in Section 11135 of the Government code or any characteristic that is contained in the prohibition of hate crimes set forth in subdivision (a) of Section 422.6 of the Penal Code.

This policy applies to all aspects of the academic environment, including but not limited to classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any community college activity.

The District seeks to foster an environment in which all employees and students feel free to report incidents of harassment without fear of retaliation or reprisal. Retaliation may involve, but is not limited to, the making or threats of reprisals, intimidation, coercion, discrimination or harassment following the initiation of an informal or formal complaint. Such conduct is illegal and constitutes a violation of this policy.

Therefore, the District also strictly prohibits retaliation against any individual for filing a complaint, who refers a matter for investigation or complaint, who participates in an investigation, who represents or serves as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of unlawful discrimination or harassment.

Reporting Discrimination or Harassment

Riverside Community College District • Diversity and Human Resources

The RCCD Diversity, Equity and Compliance office is available to assist students, faculty, staff and visitors with problems or questions regarding discrimination or harassment. For more information on reporting procedures or to download a copy of the required form to file a formal complaint, please visit our web site at: http://www.rcc.edu or we may be reached by telephone at: (951) 222-8039.

How to Report

If you experience or witness what you believe to be unlawful discrimination or harassment please document the following information:

- Date, time and location of the incident;
- Names and contact information for those involved and possible witnesses, if known;
- Detailed information on what occurred;
- Report your concerns and problems to the District by calling (951)222-8039.

Discrimination/Harassment is contrary to the RCCD mission of higher education and is against the law. District policy prohibits any discriminatory practice that is based upon an individual's actual, perceived or association with others':

- **Ethnic group identification**
- **National origin**
- **Religion**
- **Age**
- **Sex or Gender**
- **Race**
- **Color**
- **Ancestry**
- **Sexual Orientation**
- **Physical or Mental Disability**
- *Or any characteristic listed or defined in Section 11135 of the Government Code or any characteristic that is contained in the prohibition of hate crimes set forth in subdivision (a) of Section 422.6 of the Penal Code.*

Sexual Harassment has no place in an academic or work setting. RCCD is committed to providing a positive and safe environment for all students, employees and visitors. The following is a partial list of prohibited activities that may be considered sexual harassment:

- Unwanted sexual advances;
- Offering employment or grade benefits in exchange for sexual favors;
- Actual or threatened retaliation for non-participation;
- Leering; making sexual gestures; or displaying sexually suggestive objects, pictures, cartoons, or posters, sexual comments including graphic comments about an individual's body;
- Making or using derogatory comments, epithets, slurs, or jokes;
- Sexually degrading words describing an individual; suggestive or obscene letters, notes, or invitations;
- Physical touching or assault, as well as impeding or blocking movements.

Resolution of complaints may be achieved by either *formal* or *informal* process. The choice of resolution process is determined by the individual raising the complaint. The purpose of the *informal* resolution process is to allow an individual who believes they have experienced discrimination or harassment to resolve the issue through a mediation process rather than the formal complaint process. Typically, the *informal* process is utilized when there is a simple misunderstanding or the individual seeks nothing more than a clarification of the misunderstanding or an apology from the other person and an assurance that the offending behavior will cease. Informal resolutions are to be reviewed by the Director of Diversity, Equity and Compliance. *Formal* complaints must be filed in writing using the required formal complaint form available on our web site, the State Chancellor's web site or in the Diversity and Human Resources department. If a *formal* complaint is filed, the District conducts an investigation within required timeframes according to policy and law. During the *formal* process the complainant will not be required to confront, or work out problems with, the person accused of unlawful conduct.

Informal Resolutions may be arranged by contacting the RCCD Diversity, Equity and Compliance office at (951) 222-8039. Informal resolutions require written acknowledgement from the person raising the concern. Choosing the informal process does not hinder the right to file a formal complaint within the regulatory time period for formal complaints.

Formal Complaints may be filed by contacting the RCCD Diversity, Equity and Compliance office at (951) 222-8039 or the California Community Colleges Chancellor's Office at 1102 Q Street, Sacramento, CA 95811. Formal complaints must be submitted in writing on the required complaint form. Formal complaints may only be filed by one who alleges they have personally suffered unlawful discrimination/harassment or by one who has learned of such unlawful discrimination in their official capacity as a District faculty member or administrator.

The complaint form is available from the following web sites:
http://www.rcc.edu/administration/hr/files/Discrim_Complaint_2006.pdf
http://www.cccco.edu/OurAgency/Legal/Discrimination/tabid/294/Default.aspx

Upon receipt of a completed complaint form, the District will conduct an investigation within the time period required by Board Policy and California Code of Regulations, Title 5, Section 59300. Both the complainant and person accused of the conduct will be notified of the investigative findings.

Timeline for Filing a Complaint in cases not involving employment discrimination/harassment is within one year of the last date the alleged conduct occurred. Complaints involving employment discrimination/harassment shall be filed within 180-calendar days of the last date the alleged conduct occurred. An extension may be available if knowledge of the facts of the alleged discrimination or violation occurs after the expiration date.

In cases *not involving* employment related discrimination/harassment, in addition to the State Chancellor's office cited above, individuals have the right to file a complaint with the following external agency:
U.S. Department of Education, Office for Civil Rights (OCR)
50 Beale Street, Suite 7200
