A blanket substitution can be made with MUS-87 and MUS-38, MUS-78, however, these are 2 unit courses and still need 4 semesters of classes even if you choose to take the 2 unit courses. Additionally, a substitution for ensemble credit can be made through taking MUS-36, however this is a 1.5 unit course and still requires 4 semesters of completion.

Note: If a student places out of any required course and is not awarded units for the course, the student will have to take additional units from list A to compensate for the course/units needed for the major.

Associate Degree for Transfer in Music will be awarded upon completion of 60 California State University (CSU) transferable units including the above major requirements and the Intersegmental General Education Transfer Curriculum (IGETC) or California State University General Education (CSUGE) requirements and with a minimum grade point average of 2.0. Courses in the major must be completed with a grade of “C” or better (or a “P” if taken as Pass/ No Pass).

The correct information is as follows:

STUDIO ARTS

(CSUGE) MAA693 (IGETC) MAA694

Completion of the Associate in Arts for Transfer in Studio Art degree guarantees admission for students to transfer to a CSU with junior standing. The Associate in Arts in Studio Arts for Transfer Degree is designed to facilitate the student's passage from Moreno Valley College to the California State University System with an Associate Degree in Art. This degree is intended to satisfy the lower division requirements for the Baccalaureate Degree in Art at a California State University. It will also provide the student with a sufficient preparation for continued study and practice in studio arts.

Program Learning Outcomes

Upon successful completion of this program, students should be able to:

- Articulate ideas utilizing art terminology for critical discussion
- Demonstrate proficient technical and creative skills with a variety of art materials
- Describe and discuss art in its cultural and historical context
- Demonstrate accurate visual perception, working in an observational context

(August 2023 Addendum)

Correction to the total units to Guitar Performance certificate, should be 20 units. Page 142.

GUITAR PERFORMANCE (M)

MCE930

This program prepares individuals for careers in guitar performance as well as acceptance into CSU/UC Bachelor of Music guitar performance programs. The instruction includes: 1 on 1 (applied) guitar instruction, guitar ensemble, music theory/musicianship, and additionally provides access to sight reading labs and performance class workshops. Fulfills both a portion of the Associate of Arts degree in Music (AA) as well as the Associate Degree for Transfer (ADT).

Certificate Program

Program Learning Outcomes

Upon successful completion of this program, students should be able to:

- Perform a 15-minute solo guitar recital in front of a jury comprised of guitar faculty. The repertoire must consist of at least 3 contrasting pieces of music and demonstrate stylistically accurate rhythms, pitches, and musical expression.
- Demonstrate ensemble specific performance practices and professional standards of conduct expected of ensemble participants through a successful performance collaboration involving guitar: duo, trio, quartet or quintet.
- Demonstrate proficient melodic sight-reading skills in first position on the guitar involving the use of all major and minor keys with the inclusion of: chromatic tones, rhythmic subdivisions of the beat and syncopations.
- Demonstrate theoretical skills necessary in order to both structurally and harmonically analyze a piece of guitar music from the Common Practice Era.

CRIME AND INTELLIGENCE ANALYSIS (M)

MAS1013/MAS1013B/MAS1013C/MCE1013

The Crime and Intelligence Analysis program prepares students for the Crime Analysis career. The program coursework includes hands-on practices in advanced analytical computer programs, such as ESRI ArcGIS Pro and IBM Analyst’s Notebook. Students will learn to use progressions in technology to plan, collect, collate, analyze and disseminate information and intelligence regarding crime incidents. The program curriculum prepares students to attain the role of a Crime Analyst in teachings on strategic, tactical, intelligence and administrative analysis. Students who successfully complete the program will be excellent candidates in the field of Crime and Intelligence Analysis.

The goal of this program is to prepare the student with advanced technology and investigative techniques to analyze crime trends and patterns. Students will develop analytical skills to further pursue a career in Crime and Intelligence Analysis.

Certificate Program

Program Learning Outcomes:

Upon successful completion of this program, students should be able to:

- Apply tools and techniques utilized to analyze crime, evaluate current events and collect intelligence to support law enforcement personnel and/or the private sector.
- Analyze and identify crime patterns, trends and series.
- Develop and identify elements of the crime using criminal behavior and intelligence analysis techniques.
- Develop and create summaries and/or assessments, crime maps, timelines, link charts and telephone toll analysis.

DATA SCIENCE (M)

MAS1011/MAS1011B/MAS1011C

Associate Degree of Science in Data Science provides students with a foundation in data analysis, in which students will model, synthesize, and present large data sets for business decision making. Courses will focus on the techniques and tools to extract data from various data sources, model, integrate data, and visualize data for organizational decision making and intelligence gathering. The program prepares students for entry-level jobs, or to help them advance into careers, such as Operation Data Analyst, Business Analytics Specialist, System Data Analyst, Data Visualization Developer, Test Data Analyst, and Market Research Analyst. Topics covered will include statistics, research methods, SQL queries, systems analysis, design, and applied predictive analytics.

Program Requirement:

Before entering this program, student must complete MAT-35 and MAT-10 or MAT-23 or qualifying placement level in mathematics to be successful in courses in the program.

Program Learning Outcomes:

Upon successful completion of this program, students should be able to:

- Identify, extract, clean and maintain data in databases.
- Interpret and evaluate data trends or patterns in complex data sets using statistical techniques, analytic methods, and tools.
- Create and monitor reports to preserve data quality, identify critical issues, trends, and potential solutions.

Moreno Valley College Intersegmental General Education Transfer Curriculum (IGETC) 2023-2024 for Transfer to CSU and UC. The list of approved courses for IGETC for 2023-24 can be found at the end of this addendum. (Updated: 09/15/23)

Moreno Valley College

California State University General Education Requirements 2023-2024

The courses listed below will fulfill the lower division general education requirements for all CSU campuses.

To obtain a Bachelor's degree from a CSU campus, a student must complete 48 units of general education. A community college can certify 39 of these units as having fulfilled the CSU lower division general education requirements. The remaining 9 units of upper-division general education coursework are to be taken at the CSU campus after transfer. A course can only be certified if it was approved for CSU GE when it was taken.

Note: Riverside City College and Norco College are separate colleges and the courses that are approved for CSU GE may vary. Students who wish to take courses at another institution and apply them towards CSU GE should always first consult with a counselor to make sure the course will fulfill the intended requirement.

Note: Moreno Valley College's POL-1/1H or ETS/POL-21 fulfills the CSU graduation requirement in both U.S. government and California state and local government. Students who have completed ETS/POL-23, or who have received a score of 3 or higher on the AP U.S. Government and Politics exam, or who have taken a U.S. government class at an out-of-state institution may have fulfilled the U.S. government requirement but will still need to fulfill the California state and local government in order to graduate from the CSU.

Notes:

1. Courses cannot be double-counted to satisfy more than one area, even if a course is listed in more than one area.
2. Upper division transfer students will need to complete a minimum of 60 transferable units, their "Golden 4" courses, and at least 30 units of general education.
3. "Golden 4 courses" in areas A-1, A-2, A-3, and B-4 must be completed with grades of "C-" or better. However, RCCD requires a "C" grade or better to meet course prerequisites.
4. It is highly recommended to make an appointment with a counselor to ensure proper academic planning and to complete a student educational plan (SEP).
5. CSU GE area F is effective for students beginning at a CCC or a CSU campus in fall 2021 or later. Students with continuous enrollment prior to fall 2021 may choose to complete the pre-fall 21 CSU GE pattern without Area F and with 9 units from at least two different disciplines completed in Area D. For purposes of area F, continuous enrollment is defined as attendance in at least one semester per calendar year at a CSU or California Community College or a combination of the two. See a counselor for details.

CSU GE for STEM - Students pursuing certain Associate Degrees for Transfer may be eligible to complete CSU GE for STEM, deferring two lower-division GE courses until after transfer. CSU GE for STEM is applicable only to majors in which the Transfer Model Curriculum explicitly indicates the availability of the option. **At MVC, currently CSU GE for STEM can only be used for the Biology ADT.**

Moreno Valley College

Intersegmental General Education Transfer Curriculum (IGETC) 2023-2024 For Transfer to CSU and UC

Completion of the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University (CSU) or University of California (UC) system without the need to take additional lower-division general education courses. For certain majors at some of the UC campuses it may be more advantageous to complete a campus-specific general education pattern. IGETC certification is valid for community college transfer students only. Those who have already transferred to the CSU/UC systems may under some circumstances return to Moreno Valley College to complete IGETC requirements. A course can only be certified if it was approved for IGETC when it was taken.

Note: Riverside City College and Norco College are separate colleges and the courses that are approved for IGETC may vary. Students who wish to take courses at another institution and apply them towards IGETC should always first consult with a counselor to make sure the course will fulfill the intended requirement.

It is the students responsibility to request IGETC certification when requesting official transcripts. All subject area courses below must be completed with a grade of "C" or higher (A grade of "C-" is not acceptable).

CSU Graduation Requirement Only in United States History, Constitution and Government:

Although this is not part of the general education requirements, it is a CSU graduation requirement that you can complete at a community college before you transfer. ETS-2, 14, 15, HIS-6/6H, 7/7H, 11, 12, 14, 15 31, or 34 may also be used to partially fulfill area 3 or 4. POL-1/1H, ETS 21, or POL 211 may also be used to partially fulfill area 4. ETS/ POL-21 or 23 may also be used to fulfill area 4.

1. U.S. History

POL-1/1H Honors American Politics or Honors
POL-21 Latinx Politics (Same as ETS-21)
POL-23 Race, Ethnicity, and Politics in America (Same as ETS-23)
Note: Moreno Valley College's POL-1/1H or ETS/POL-21 fulfills the CSU graduation requirement in both U.S. government and California state and local government. Students who have completed ETS/POL-23, or who have received a score of 3 or higher on the AP U.S. Government and Politics exam, or who have taken a U.S. government class at an out-of-state institution may have fulfilled the U.S. government requirement but will still need to fulfill the California state and local government in order to graduate from the CSU.

New CSU GE Ethnic Studies requirement - Beginning in Fall 2021 the CSU has implemented an Ethnic Studies requirement, which is now CSU GE area F. Currently at Moreno Valley College ETS/HIS 14, ETS/HIS 15, ETS/POL-21 and 23 are approved to satisfy this requirement. See the 21-22 CSU GE pattern and consult with a counselor for complete details.

IGETC Advisement: Former UC, CSU and students with coursework from other four-year institutions, including outside the U.S., should consult with a counselor to determine whether they should complete IGETC or the lower-division general education requirements at the campus they plan to attend. For the UC: Students who initially enroll at a UC campus, then leave and attend a California Community College, and subsequently return to the same UC campus, are considered "re-admits" by the UC. Such students cannot use IGETC. However, students who enroll at a UC campus, then leave and attend a California Community College, and subsequently return to a different UC campus may use the IGETC pattern. It is recommended that students meet with a counselor to discuss possible further IGETC limitations.

Notes:

1. * **Courses cannot be double-counted to satisfy more than one area, even if a course is listed in more than one area. The only exceptions to this are several courses in Area 6A – Language Other Than English, which can also be counted towards area 3B.**
2. ** **UC limits transfer credit for some courses. Students may review the UC Transfer Course Agreement (TCA) with a counselor for information on course limitations.**
3. **A grade of "P" in approved coursework taken as Pass/No Pass through RCCD is acceptable for IGETC certification. It is important to keep in mind that some CSU and UC campuses may have limitations on the number of "Credit/No Credit" ("Pass/No Pass") courses that may be used to meet degree requirements. The UC system allows a maximum of 14 semester units graded "Pass/No Pass" (Credit/No Credit) basis of the 60 transferable semester units required for admission. There is no system-wide policy for CSU campuses. Therefore, each campus has established its own policy on limitations of courses transferred with grades of "Credit/Pass".**
4. **Some of the UC campuses do not accept or recommend IGETC for certain majors, (i.e. Engineering, Sciences). Students should consult with a counselor to determine the most appropriate general education pattern for their major and intended transfer institution. For updated information about IGETC limitations visit:**
<https://admission.universityofcalifornia.edu/admission-requirements/transfer-requirements/general-education-igetc/igetc/campus-guidance.html>
5. **It is highly recommended to make an appointment with a counselor to complete a student educational plan (SEP).**
6. **IGETC area 7 is effective for students beginning in Fall 2023 or later. Students in prior enrollment may choose pre Fall 2023 IGETC without area 7.**

IGETC for STEM - Students pursuing certain Associate Degrees for Transfer may be eligible to complete IGETC for STEM, deferring two to three lower-division GE courses until after transfer. IGETC for STEM is applicable only to majors in which the Transfer Model Curriculum explicitly indicates the availability of the option. At Moreno Valley College, currently only the ADT in Biology is eligible for IGETC for STEM.

"IGETC for STEM" certification as part of an Associate Degree for Transfer in Biology would require:

Complete the following courses before transfer:

- All courses in Areas 1, 2, 5, and 7 of the traditional IGETC; and
- One course in Area 3A; one course in Area 3B; and one course in Area 4 (the second area 4 course will eventually need to be from a different discipline).

Complete the following courses after transfer:

- One remaining lower-division general education course in Area 3;*
- One remaining lower-division general education course in Area 4 (in a different discipline from the first area 4 course);* and
- One course in Area 6 for UC-bound students who have not satisfied it through proficiency.*

*These deferred lower division courses must be replaced with calculus and/or science courses required by the major before transfer.
