Dear Friend of Moreno Valley College,

We are pleased to invite you to partner with Moreno Valley College as a sponsor for the inaugural *MVC President's Dinner*. This will be the signature annual fundraising event for the College, with proceeds benefitting Moreno Valley College programs and students. As a leader in our community who understands the importance and impact of giving back, we hope you will consider supporting the College and this event.

The *President's Dinner* will be hosted by Robin Steinback, Ph.D., president of Moreno Valley College on Thursday, September 20, 2018 at 5:30 p.m. at the March Field Air Museum. You will help in celebrating the vision for the College and share in special recognition of Marion Ashley, former Riverside County Supervisor, for his long-standing commitment to the College and our community. Dr. Steinback will share her plans for transforming and enhancing the community by making positive educational and workforce impacts in our region.

We hope we can count on you as a sponsorship partner. In addition to showing your support for the College, this is an opportunity to market your business to the local community and business leaders, and supporters of education and workforce development. Your sponsorship, received through the RCCD Foundation (a nonprofit 501c3 organization), is tax-deductible to the extent permitted by law.

For details about sponsorship levels and benefits, please refer to the attached sponsorship form. For more information or to confirm your sponsorship, visit the MVC President's Dinner website at [www.mvc.edu/dinner](http://www.mvc.edu/dinner) or contact the Moreno Valley College President's Office at (951) 571-6161.

Thank you for supporting Moreno Valley College! We hope to see you at the event in September.

Sincerely,

Jamil Dada
