ASSOCIATE DEGREES FOR TRANSFER (ADT)

California community colleges are now offering Associate Degrees for Transfer (ADT) to California State University (CSU) institutions. ADT degrees are designed to provide a clear pathway to a major and baccalaureate degree from a CSU. California community college students who are awarded an A.A.-T. or A.S.-T. degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

Students who have been awarded an A.A.-T. or A.S.-T. degree are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units. To view the most current list of Moreno Valley College Associate Degrees for Transfer and to discover which CSU campuses accept each degree, go to: http://adegreewithaguarantee.com.

Students are encouraged to meet with a Moreno Valley College counselor to review their options for transfer and to develop a Student Educational Plan (SEP) that best meets their goals.
