Our Program

ASSOCIATE DEGREES FOR TRANSFER (ADT)

California community colleges are now offering Associate Degrees for Transfer (ADT) to California State University (CSU) institutions. ADT degrees are designed to provide a clear pathway to a major and baccalaureate degree from a CSU. California community college students who are awarded an A.A.-T. or A.S.-T. degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

Students who have been awarded an A.A.-T. or A.S.-T. degree are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units. To view the most current list of Moreno Valley College Associate Degrees for Transfer and to discover which CSU campuses accept each degree, go to: http://adegreewithaguarantee.com.

Students are encouraged to meet with a Moreno Valley College counselor to review their options for transfer and to develop a Student Educational Plan (SEP) that best meets their goals.

SOCIOMETRY (CSUGE) MAA695 (IGETC) MAA696

The Associate in Arts in Sociology for Transfer Degree is designed to prepare students for transfer to four-year institutions of higher education and specifically intended to satisfy the lower division requirements for the Baccalaureate Degree in Sociology at a CSU. It will provide students with a sufficient academic basis from which to pursue a career in the social science professions. Students will be afforded the opportunity to study the nature of the human affinity for aggregation and the complexities of societal organization. The breadth of sociology will be examined to include the historical and contemporary theory and research as the basis from which to gain an in-depth awareness and understanding of the world in which we live.

Program Learning Outcomes

Upon successful completion of this program, students should be able to:

- Demonstrate an awareness and understanding of the historical and contemporary theoretical frameworks that form the basis of sociological study.
- Demonstrate the utility of past and present sociological research and the research methodologies that form the basis of sociological inquiry.
