Officer Spotlight

RCCD Police Officer Desiree Reyes was born in Guatemala City. Reyes came to the United States as a single mother with her two sons seventeen years ago. For many years, she worked hard and struggled. She worked as a babysitter and cleaned houses to be able to cover the basic needs for her family. She met her husband and they had a daughter. Once her sons graduated high school and

entered college, Reyes realized she wanted to continue to be a role model for them and pursue her dreams. With the support of her family, she went back to school and eventually decided to join the Riverside Sheriff's Department Police Academy.

It was a challenging time. Reyes worked during the day, attended the academy three to four days a week while making time to be a mother and wife. During her hiring process, she was faced with another challenge. Reyes was told she needed to get her General Education Diploma and obtain her US Citizenship to be able to achieve her goal to serve as a Police Officer in the United States. Last year, Desiree Reyes became one of two female Police Officers with the department.

"Today, I look back and understand that all the struggles and hard work was worth it. I see the importance of education and the challenges I went through," Reyes said.

Riverside Community College District Police Department and the Foundation has initiated a scholarship to help RCCD students in need of financial assistance in order for them to pursue their dreams.

"Last week, we received our first check from GoFundMe. It was for \$1400. We still have a long way to go," Reyes said. The goal is to raise \$5,000. If you want to help, check out our GoFundMe page at: <https://tinyurl.com/y7bqgwkb>
