Moreno Valley College  
Lidia Hulshof, Program Director  
16130 Lasselle Street  
Moreno Valley, CA 92551

RE: Full RDA Program Approval

Dear Ms. Hulshof:

The Dental Board of California (Board) is pleased to inform you that your RDA program has been granted **FULL** approval effective **April 23, 2014**. This letter is confirmation of the information you received at the site visit conducted on that date. Your approval number remains **CA 903**. Please remember to include your approval number on all correspondence to Board.

The Board will re-evaluate your program in approximately seven (7) years to determine whether continued approval should be recommended. Please be aware that the Board may site visit ongoing programs at any time.

You must continue to issue a certificate to each person who successfully completes your program and you must maintain student records for a period of at least five (5) years from the date of issuance. Records must contain the following information: radiation safety certificate, two full-mouth sets of radiographs of diagnostic quality taken on a manikin, four full mouth periapical surveys consisting of 18 films each, four of which must be bitewings, all of diagnostic quality taken on patients, evaluation forms (student self evaluation and instructor evaluation) for all radiographs, dentist prescription for the patient radiographs, consent forms and health history forms from each student for each of their patients, and the final written and clinical examinations.

You must also continue to maintain student records for coronal polishing and pit and fissure sealants which include but are not limited to: patient permission for procedure, patient health history, and written and clinical examinations for all required patients.

As an approved school, please be aware that the Board may audit your program for compliance with regulations in the event the Board deems it necessary. You must inform the board of any changes to the course content, physical facility, or faculty within 10 days of the change.

Sincerely,

A handwritten signature in blue ink that reads "Sarah E. Wallace".

Sarah E. Wallace, Assistant Executive Officer  
Dental Assisting Program Manager
