# **Moreno Valley College**

California Community Colleges are now offering associate degrees for transfer to the CSU. These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses. Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units. To view the most current list of Moreno Valley College Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to: Please visit the following website to see all your ADT options: <a href="https://icangotocollege.com/associate-degree-for-transfer">https://icangotocollege.com/associate-degree-for-transfer</a>

Students are encouraged to meet with a MVC counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

# **Business Administration 2.0** (CSUGE) MAS1001 (IGETC) MAS1002

This degree is designed to facilitate the student's passage from Moreno Valley College to the California State University System with an Associate in Science in Business Administration for Transfer degree. This degree will satisfy the lower division requirements for the eventual conferral of the Bachelor's Degree in Business Administration at CSU. With this degree the student will be prepared for transfer to the university upper division level.

#### PROGRAM LEARNING OUTCOMES

Upon successful completion of this program, students should be able to:

- Demonstrate use of technology and application software to analyze and solve business decisions.
- Demonstrate mathematical and accounting procedures used for business specific calculations and decisions.
- Demonstrate the application of economic and business theories to develop effective businessprocesses.

### **Degree Total Units** 25

Course	Title	Units
ACC-1A	Principles of Accounting I	3
ACC-1B	Principles of Accounting II	3
ECO-7/7H*	Principles of	3
	Macroeconomics/Honors	
ECO-8/8H*	Principles of	3
	Microeconomics/Honors	
BUS-18A	<b>Business Law I</b>	3
MAT-5*	Calculus for Business and Life	
or	Science or	4
MAT-1A*	Calculus I	
MAT-12*/12H*	<b>Statistics/Honors Statistics</b>	3
BUS-10/10H	<b>Introduction to Business</b>	
or	/Honors Introduction to	3
	Business	
BUS-24	or	
	<b>Business Communications</b>	

PSY/SOC-48 is an approved course substitution for MAT-12/12H and may be used to satisfy the ADT statistics requirement. However, MAT-12/12H is the recommended statistics course for this program since it is more widely accepted for the Business Administration major across the CSU campuses.

## ASSOCIATE IN SCIENCE FOR TRANSFER DEGREE

The Associate in Science in Business Administration 2.0 for Transfer degree will be awarded upon completion of 60 California State University (CSU) transferable units including the above major requirements and the Intersegmental General Education Transfer Curriculum (IGETC) or California State University General Education (CSUGE) requirements and with a minimum grade point average of 2.0.

All courses in the major must be completed with a grade of "C" or better (or a "P" if taken as Pass/NoPass).
