Student Services

Hybrid Services

ACCESS

- Ensure all students benefit equally from support services.
- Create more in-person and virtual connections.
- Meet students where they are and remove roadblocks.

A young woman in a teal graduation cap and gown is the central focus, smiling broadly and making a peace sign with her right hand. She is surrounded by other graduates in similar attire, some in the foreground and others in the background. The scene is set outdoors at night or dusk, with warm lighting and a blurred background of a stage and other people.

RETENTION

- Encourage connection from any location.
- Unify communication across departments.
- Ensure students are on track to accomplish their goals.

Cleared-4-College

Cleared4

- ❖ Employees, Students, Vendors and Guests may only attend on-campus or access services if they have a Cleared4 Blue pass.
- ❖ Masks must be worn inside all buildings except when alone in a closed-door space.
- ❖ Employees are to request to view a student/guest pass at point of service.

Free COVID-19 Test Kits for Students and Employees

The California Department of Public Health has provided RCCD with at-home Antigen tests for students and employees. The iHealth Rapid COVID-19 Antigen Self-Test is a self-administered nasal swab test to detect COVID-19 infection. This test does NOT replace the required COVID-19 PCR test for those testing weekly.
