
COLLEGE CONVERSATIONS ABOUT SAFE RETURN

WEDNESDAY, MARCH 24 • 12:15 - 1 PM

Moreno Valley College

Safe Return Principles

Based on RCCD Safe Return Taskforce Recommended Principles

- Safety of Students, Personnel, and our Communities
 - Guidance, required PPE protocols, symptom checker, reporting processes,...
- Student Need for On-Campus In-Person Instruction (Access, Equity, and Need)
 - Data on student demand and pathways, focus on equity gaps and completion barriers,...
- Instructional Considerations
 - Courses difficult or impossible to teach online, courses difficult to teach in-person with distancing/PPE restrictions, academic integrity,...
- Resources
 - Facilities assessment, room and outdoor space capacities, student ingress/egress staging plans, personnel/budget/space limitations,...

***The District and College will remain fully compliant with California Department of Public Health (CDPH), CAL-OSHA, and the Riverside County Public Health directives for higher education.**

Summer 2021 – Schedule and Services

- Primarily Instructional Method is Online
- On-Campus Face-to-Face or Hybrid Courses:
 - Critical Infrastructure Programs – Health Care & Public Safety
 - Labs Difficult to Teach Online – **Art, Kinesiology, Performing Arts**, Sciences
- Services:
 - Phased expansion of on-campus academic and student support services as CA Recovery Tiers allow
 - Some services may begin phased on-campus service this Spring
- Staff:
 - Phased return to campus as services and students return to campus
- Request for Accommodation Process ([Administrative Procedure 6447](#))
 - If any personnel feel they have a reason to request accommodation in order to work in-person or remain online, they should contact their dean and will be referred to the HRER Interactive Process

Fall 2021 – Schedule and Services

Goal: Return to campus to the greatest extent possible

- Regular Schedule Based on Fall 2019
 - All disciplines to be available on-campus
 - 80% of instruction face-to-face
 - 20% of instruction distance education (Online, Hybrid, or Streaming formats)
 - Class sizes at pre-COVID capacities
- Services
 - All academic, student, and business service functions will be available on-campus
- Staff
 - Classified staff on-campus in order to support all academic student, and business service functions
- Request for Accommodation Process ([Administrative Procedure 6447](#))
 - If any personnel feel they have a reason to request accommodation in order to work in-person or remain online, they should contact their dean and will be referred to the HRER Interactive Process

Safety Planning

- Safety Equipment and Supplies for Every Classroom, Office, and Workstation
 - Cleaning supplies
 - Masks Available on Campus
 - Acrylic Barriers at faculty stations and rolling barriers for classrooms
 - Increased cleaning and disinfecting schedules
 - Social Distancing Markers
 - Posters to encourage hygiene standards
 - Installing MERV-13 air filters to all air handlers that are applicable
- Streaming Classroom Technology and recommended scheduling patterns
 - Evaluate technology
 - Identifying Classrooms
 - Identify Possible Scheduling Options (A/B split schedules,...)

Next Steps

- Extend campus safety plan and checklists for Fall 2021 operations
- Complete Fall 2021 schedule with expectation for normal operations
- April-May contingency planning for possible schedule and services fall back positions
 - 50% capacities and 6-foot distancing
 - Full retreat to online instruction
- ConexEd Training
