Applying for Financial Aid and Admission to Moreno Valley College

Completing a Free Application for Federal Student Aid (FAFSA) and an admissions application to Moreno Valley College is the way to start your educational journey! For students qualifying under AB 540, the California Dream Act Application is available. By completing the FAFSA, current and prospective students can be considered for several state, federal, and institutional financial assistance opportunities. By completing the CADAA – California Dream Act, current and prospective students can be considered for several state and institutional financial assistance opportunities. Student Financial Services (SFS) provides` assistance to all students who qualify by helping to relieve the financial burden of paying for college expenses. Financial assistance is designed to help supplement your educational expenses. Financial aid is not a primary source of income to meet basic living expenses and needs.

Completing the Applications

1. Complete an admissions application online at www.mvc.edu. If you do not have computer access at home you can come and apply online in the Student Financial Services (SFS) office.
2. After you have completed your admissions application you will need to activate your RCCD student email account. Your RCCD student email account is how you will be contacted by SFS for matters concerning your financial assistance. It is very important to check your email consistently for updates and financial aid opportunities.
3. Complete the FAFSA or the CADAA application. You can complete the FAFSA for free online at <https://studentaid.gov/h/apply-for-aid/fafsa>. The CADAA- California Dream Act application can be completed online for free at <https://dream.csac.ca.gov>. If you would like assistance with your applications, we offer application workshops year-round. Our workshop locations and times can be found by clicking on the Workshop link on the financial aid homepage. When completing your application, you will need to add the school code for Moreno Valley College on the FAFSA **(041735)** or the CADAA- California Dream Act Application **(04173500)**. Using the correct school code allows SFS to receive your information.
4. Once you complete your FAFSA you will receive a Student Aid Report (SAR) from the Department of Education Central Processing Center either by email or mail. The SAR is your initial response to your FAFSA application. For the CADDA- California Dream Act application, you will receive your California Student Aid Report (CAL SAR) from the California Student Aid Commission. An accurate SAR requires no corrections. Be sure to read the “Comments” section of your SAR. If corrections are necessary, you may consult with an SFS staff member for assistance prior to submitting corrections. Use your Federal Student Aid Identification Number (FSA ID) user name and password to make corrections to your FAFSA application online. Use your CA Dream Act username and password to correct your CA Dream Act application online.

FSA ID

An FSA ID is a username and password that gives students and parents access to Federal Student Aid's online systems, such as FAFSA, and can serve as your legal electronic signature. Your FSA ID is used to confirm your identity when accessing your financial aid information and electronically signing your federal student aid documents. It's important to understand that the student and the parent may not share an FSA ID. Your FSA ID is your signature, so it must be unique to you. If you are a parent of a dependent student, you will need your own FSA ID to sign your child's FAFSA form electronically. If you have more than one child attending college you can use the same FSA ID to sign all applications, but each child must have his or her own FSA ID. Your FSA ID is used to sign legally binding documents electronically. It has the same legal status as a written signature. Do not give your FSA ID to anyone or allow anyone to create one for you—not even your parent, your child, or someone helping you fill out the FAFSA online. When you create your FSA ID, you will be given the option to provide your email address and register your mobile phone number. If you choose to provide this information (we strongly encourage you to do so) it is important to remember that a mobile phone number or email address can be associated with only one FSA ID. To get an FSA ID visit <https://studentaid.gov/fsa-id/create-account/launch>.

The FSA ID consists of four parts:

- **Identity:** Full name, Social Security Number, email, date of birth, username, and password.
- **Profile:** Mailing address, phone number (optional), and five security questions and answers.
- **Review:** This will show an overview of your profile but will not show the full SSN or the answers to the challenge questions.
- **Done:** The FSA ID website gives students direct access to <https://studentaid.gov/h/apply-for-aid/afsa> and the ability to start a new FAFSA or login to an existing application.

IRS Data Retrieval Tool

The IRS Data Retrieval Tool (IRS DRT) is a feature of the FAFSA that allows students and parents to access their IRS tax return information and transfer the data directly into their FAFSA. If you are eligible to use the IRS DRT, we highly recommend using the tool for several reasons:

- **EASY** – Transfer information with the click of a button.
- **FAST** – Instantly retrieve your information.

- **ACCURATE** – Correctly fill in your information.
- **TIME** - Using the DRT will reduce the information requested by the college

If you do not use the IRS Data Retrieval Tool to provide tax information and are selected for verification of income, you must provide a copy of your tax return transcript or your parents' tax return transcript directly from the IRS office. The tax return transcript can be ordered online at www.irs.gov.

How to use the IRS Data Retrieval Tool

1. Log in to your current FAFSA application or start a new application at www.fafsa.gov.
2. In the finances section of the online form, you will see a “Link to IRS” button if you are eligible to use the IRS DRT.
3. Click the “Link to IRS” button and log in with your FSA ID to be transferred to the IRS website.
4. Once at the IRS site, enter your information exactly as it appears on your federal income tax return and click the “Submit” button.
5. Check the “Transfer My Tax Information into the FAFSA form” box, and click the “Transfer Now” button.
6. You will know that your federal tax return information has been successfully transferred because the words “Transferred from the IRS” will display in place of the IRS information in your FAFSA form.

For your protection, your tax information will not be displayed on either the IRS site or <https://studentaid.gov/h/apply-for-aid/fafsa>.

The IRS DRT can be used by both students and parents. To learn more about the IRS DRT, visit www.StudentAid.gov/irsdrt.

Submitting FAFSA Corrections

Students should submit corrections if:

- The Moreno Valley College school code (041735) is not listed under the school section of your FAFSA or on your CA Dream Application.
- There is no Expected Family Contribution (EFC) number due to incomplete or conflicting information.
- The drug related question was left blank.
- Income information is incorrect and your application was not selected for “Verification”.
- Students and/or parents prefer to use the IRS Data Retrieval tool to import tax information onto your FAFSA.
- SAR comments or CAL SAR comments indicate a change should be made on your application.

If you are not sure that corrections are needed or what corrections to make please contact SFS at (951) 571- 6139. Corrections for FAFSA can be made online at <https://studentaid.gov/h/apply-for-aid/fafsa>. Corrections for CADAA can be made online or by mailing Part II of your SAR if you received it by mail. CADAA application corrections should be made online by signing in with your username and password at <https://dream.csac.ca.gov>. You may also attend one of our application workshops and we will assist you in making the necessary corrections.

Facts You Need to Know When Completing the FAFSA Are you Dependent or Independent?

When completing the FAFSA/CADAA, you will need to know whose information to report. Your information is required (and if married, your spouse's) if you're an independent student, or your information and your parents' if you're a dependent student. Federal student aid programs are based on the concept that a dependent student's parents have the primary responsibility for paying for their child's education.

You will be asked certain questions on the FAFSA/CADAA to determine your dependency status according to the U.S. Department of Education. Your answers to these questions will let you know if you are considered a "dependent student" or an "independent student" for financial aid purposes, and whether or not you will need to include your parents' information. For the 2021-22 academic year you will be asked the following questions to find out if you need to provide parent information:

Were you born before January 1, 1998?

As of today, are you married? (Also answer "yes" if you are separated but not divorced)

At the beginning of the 2021-2022 school year, will you be working on a master's or doctorate program (such as an MA, MBA, MD, JD, PhD, EdD, graduate certificate, etc.)?

Are you currently serving on active duty in the U.S. Armed Forces for purposes other than training?

- Are you a veteran of the U.S. Armed Forces?
- Do you now have or will you have children who will receive more than half of their support from you between July 1, 2021 and June 30, 2022?
- Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2022?
- At any time since you turned age 13, were both your parents deceased, were you in foster care, or were you a dependent or ward of the court?
- As determined by a court in your state of legal residence, are you or were you an emancipated minor?
- Does someone other than your parent or stepparent have legal guardianship of you, as determined by a court in your state of legal residence?

- At any time on or after July 1, 2020, did your high school or school district homeless liaison determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?
- At any time on or after July 1, 2020, did the director of an emergency shelter or transitional housing program funded by the U.S. Department of Housing and Urban Development determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?
- At any time on or after July 1, 2020, did the director of a runaway or homeless youth basic center or transitional living program determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?

If you answer “No” to all of the questions listed above, you are considered a Dependent student and must include parental information and their signature on the FAFSA. Your parents’ ability to contribute to your college expenses will be considered when determining your eligibility for financial assistance. Be sure to use your birth or adoptive parents’ information. Do not use information from grandparents, legal guardians, or foster parents. If your parents are divorced or separated, read the FAFSA instructions for guidance on which parent’s information to include. Not living with parents or not being claimed by them on tax forms does not determine dependency status for federal student aid.

If you answer “Yes” to at least one of the questions listed above, you are considered an independent student and will be evaluated for financial assistance based on your own circumstances. Your parental information and signature will not be necessary.

Petition for Independent Status (Dependency Override)

Most students entering a postsecondary school straight from high school are considered financially dependent on their parents. This means their parent(s) (biological or adoptive) must provide information on the FAFSA. A student cannot be determined to be independent just because:

- Parents do not want to provide information on the FAFSA due to privacy concerns.
- Parents do not feel it is their responsibility to provide financial assistance for college.
- Parents no longer claim you as a dependent on their taxes.
- You are self-supporting and/or no longer live with your parents.

In extreme cases, the Student Financial Services office may be able to use professional judgment to override your dependency status if you can prove that extenuating circumstances exist in the family such as:

- You have no contact with your parents and are unable to locate them
- You have left home due to an abusive situation and your physical and/or emotional welfare are jeopardized by having contact with your parents

If you have extenuating circumstances and are unable to complete the parent(s) section on the FAFSA application it is recommended that you complete the 2021-22 FAFSA with your information, mark the section of the FAFSA that says “I am unable to provide parental information”, and apply for a Petition for Independent Status at the Student Financial Services office. The petition must be submitted with official supporting documentation. If the Student Financial Services Office approves your Petition for Independent Status, a dependency override will be granted. The decision is based on the professional judgment of the SFS office and is final and cannot be appealed to the Department of Education.

You must Petition for Independent Status each academic year you apply for financial assistance or you are required to provide parent(s) information on your FAFSA application. Dependency Overrides approved by other institutions are not accepted.

Information for Non-Resident Students

A student’s residency is determined by the MVC Admissions and Records office. You can find more detailed information at <http://www.mvc.edu/services/ar/nonResident.cfm>.

You may also obtain information in regards to the non-resident tuition fees by going to <http://www.mvc.edu/services/ar/fees.cfm>.

The Student Financial Services (SFS) office offers a Non-Resident Tuition Deferment Form to assist students so they are not dropped from enrolled classes while waiting for federal grants to be applied to their Admissions and Records account balance, if eligible. A valid FAFSA for the current year must be on file. To request this deferment, please stop by the SFS counter. After your request is received, SFS will update your student record and a financial hold will be placed on your account until your Admissions and Records balance has been paid in full.

If eligible, your federal grants will be applied to your Admissions and Records fees. If you have grant funds remaining after your enrollment fees are paid, the balance will be reimbursed to you. If there is a remaining balance owed after your grants are applied, you are responsible for paying off the balance before the end of the semester. If you apply for and are eligible for a student loan, please note that loans are disbursed directly to the student and you are responsible for using the loan funds to pay any remaining balance owed to the Admissions office. If you do not meet the Satisfactory Academic Progress (SAP) standards, you may also be responsible for paying off the balance with Admissions and Records before the end of the semester.

Failure to pay fees owed may lead to a hold being placed on all of your records at MVC and you will be unable to register for future classes or request official transcripts.

It is important to keep your address and contact phone number up to date with the Admissions and Records office at all times.

Please note: You may be responsible for repaying all or a portion of the federal grants and/or loans disbursed if you drop any class, totally withdraw, or stop attending all of your classes.

Ability to Benefit (ATB)

To receive financial assistance a student must be qualified to study at the postsecondary level. A student who is enrolled qualifies if he or she has:

- A high school diploma
- A General Education Development (GED) certificate
- Passed the California High School Proficiency Exam (that is recognized as the equivalent to a High School Diploma)
- Completed an approved Home School program

Students who were enrolled in an eligible program of study prior to July 1, 2012 will still be eligible to meet the educational requirements for financial assistance by fulfilling one of the following ATB approved requirements:

- **Pass a federally approved ATB test.** At Moreno Valley College this test is administered by the Assessment Center. The student must bring proof of passing scores to the Student Financial Services office.
- **Satisfactorily complete six units that are applicable toward a degree or certificate offered at MVC prior to July 1, 2012.** You must meet with the Student Financial Services counselor to determine if you have completed six units toward your degree or certificate. If it is determined that you have not met this requirement, you may still be eligible for the California College Promise Grant (CCPG). Please refer to the CCPG section of this consumer guide for additional information.

Transferring of Passing ATB Scores

For information on acceptable ATB passing score transfer process, please call the Moreno Valley College Assessment Center at (951) 571-6427.

Testing Students with Disabilities

The requirements include giving the test in a manner that is accessible to disabled students and offering alternative forms of the exam in large print, Braille, and audio cassette formats. The student must provide documentation of the disability to the Disability Resource Center for

determination of eligibility for the accommodation and accommodations must be requested 72 hours in advance. The [Disability Resource Center](#) can be contacted at (951) 571-6138 (voice) or (951) 208-6896 (video phone).

All other eligibility notices will be emailed to the student upon receipt of the CADAA/DREAM application. CADAA/ DREAM applicants must complete the AB540 application with Admissions and Records at Moreno Valley College to qualify for aid offered under this application.

What is Verification?

About one-third of FAFSA applications are selected for verification each year. The U. S. Department of Education (ED) requires colleges to verify financial and other information entered on the FAFSA to ensure that information provided by students and/or parents is accurate. Verification of FAFSA data helps Student Financial Services accurately and fairly determine the types and amounts of federal, state, and institutional aid students receive.

Moreno Valley College has the authority to contact you for documentation that supports the information you reported. In addition, Student Financial Services is allowed to select additional students for verification and/or to verify additional data elements. If selected by ED for verification you might see a note on your Student Aid Report stating that you have been selected for verification. Once FAFSA data is downloaded into our system, Student Financial Services will email you at your RCCD student email address. In this email we will direct you to check for Financial Aid Tasks to complete.

If you have been selected for verification, you may be required to submit additional documentation and/or complete actions so that Moreno Valley College can verify if the information on your FAFSA is accurate. If Student Financial Services finds discrepancies, it will be corrected based on the documentation provided. Financial Aid Tasks can be viewed at <https://mvc.verifymyfafsa.com> by logging in with your RCCD student email and password.

Notification of Adjustments

After completion of your financial assistance file, your information will be reviewed and your revised eligibility response will be emailed to your RCCD student email address within 3 to 4

weeks. Your award letter will be posted on WebAdvisor/My Portal at www.mvc.edu in the financial aid section.

Always maintain an accurate mailing address and a correct phone number with Admissions & Records to avoid delays in communication. Make updates if necessary through WebAdvisor/My Portal under the personal profile section.

Please be aware the financial assistance process takes time. To ensure that the process goes smoothly it is important to complete your application early and accurately, keep copies of your application and other important documents, and carefully read and respond to all communication received regarding your financial assistance application.

Helpful Tips:

- You must activate your RCCD student email account in order to receive our communications.
- Please review the section in this guide for more information on your RCCD student email account. If you have trouble with your email or need assistance please contact Admissions and Records at (951) 571-6101.
- Keep in mind that financial assistance funds are generally not available at the beginning of each semester. Disbursements usually begin approximately 1 week after classes begin. Please be aware that not all students receive funds on every disbursement date. Disbursement dates are determined when a student completes his/her file, processing timelines, enrollment status, and eligibility. Therefore, students are encouraged to be prepared to pay for books and supplies out of their own resources. Financial assistance is intended to supplement, not replace resources needed to meet the cost of education.

Income Re-Evaluations

When you completed your FAFSA application for the 2021-2022 academic year you were required to report 2019 income information. If you have had a drastic change in income in 2020 or 2021 due to an unforeseen or special circumstance, the Department of Education and Moreno Valley College will allow you to have your financial assistance eligibility re-evaluated.

Special circumstances may include:

- Unemployment or change in employment
- Death of student's spouse or parent
- High cost medical bills not covered by insurance

Students eligible for the AB 540 program must submit the California Nonresident Tuition Exemption form to Admissions and Records at the college where you are enrolled. What is the CA Dream Act/Application?

The California Dream Act Application (CADAA) allows students interested in attending eligible California Colleges, Universities and Career Education Programs to apply for state financial aid. This application is unrelated to the federal Deferred Action for Childhood Arrivals (DACA) program. The California Dream Act extends Cal Grant A and B Entitlement awards, Cal Grant C awards, Chafee grants, and institutional financial aid to students that meet AB 540 criteria as well as the applicable criteria for eligibility for specific types of financial aid. The California Dream Act of 2011 became law through the passage of two Assembly Bills, AB 130 and AB 131. AB 130, effective January 1, 2012, allows students who meet AB 540 criteria (California Education Code 68130.5(a)) to apply for and receive privately funded scholarships at California public colleges and universities. Moreno Valley College students who meet AB 540 criteria may apply for general RCCD Scholarships. AB 131, effective 2013-14 academic year, allows students who meet AB 540 criteria to apply for and receive state funded financial aid such as institutional grants, Cal Grants, Chafee Grants, and the California College Promise Grant at California Community Colleges. For more information about AB 131 and the CADAA please visit <https://www.csac.ca.gov/undocumented-dreamer-students>.

Students who apply for financial aid using the CADAA, must also complete the AB 540 California Non-Resident Tuition Exemption Request form with Admissions and Records to be considered for any financial aid.

Frequently Asked CA Dream Act/AB 540 Questions

1. What is AB 540, and what does it have to do with the California Dream Act?

AB 540, passed in 2001, allows students meeting certain criteria to pay the same tuition and fees as resident students at California public colleges and universities. Starting on January 1, 2013, the California Dream Act (CA Dream Act) extends Cal Grant A and B Entitlement awards, Cal Grant C awards, institutional grants, and the California College Promise Grant fee waiver to students who meet the criteria. To receive CA Dream Act aid, AB 540 and AB 131 students must meet the criteria listed in the AB 540 section of this chapter and submit the AB 540 form to Admissions and Records for approval.

2. I saw that AB 540, AB 130, and AB 131 guarantee confidentiality, but what about my parents' information?

CADAA students without legal immigration status will be required to fill out the California Student Aid Commission's (CSAC) CADAA in lieu of the FAFSA. Like all other dependent Cal Grant applicants, CADAA applicants will be required to submit parental income and asset information. The demographic information students will provide on the CADAA is similar to the information that students have already supplied to their high schools and colleges. There are no checks and matches between the CADAA and any federal databases. CADAA applicants and their parents' information is protected by the same privacy and information security laws and safeguards as all other Cal Grant applicants.

3. I am a high school senior and fit the AB 540 criteria above. What financial assistance may I be eligible for?

You may be eligible for:

- AB 540 in-state tuition assistance
- AB 130 private scholarships (see your intended college or university for applications and deadlines).
- Institutional grants like the UC "University Grant" or the CSU "State University Grant" (see your intended college or university for applications and deadlines).
- California College Promise Grant
- Cal Grant, and other State-administered financial aid (applications open October 1 of each year). To apply, complete the 2021-2022 CADAA at <https://dream.csac.ca.gov/>. List MVC on your application by using the school code 04173500. Cal Grant eligible students may also be eligible for the Student Success Completion Grant. You can find out more about these programs in this guide.

4. I am a foster youth, and I don't have a Social Security number or any paperwork about my biological parents. Can I get any financial aid for college?

You may qualify for:

- Chafee Foster Youth Grant (See Chafee section of this guide for more information)
- AB 540 in-state tuition assistance
- AB 130 private scholarship aid offered through California public colleges and universities
- Cal Grants or institutional grants
- California College Promise Grant at California Community Colleges

5. I am currently in college. I am AB 540 eligible. What kind of aid can I receive?

You may be eligible for:

- AB 540 in-state tuition assistance
- AB 130 private scholarships (see your intended college or university for applications and deadlines)
- Institutional grants like the UC “University Grant”, the CSU “State University Grant”, the CSU Extended Opportunity Program (EOP) (see your intended college for applications and deadlines)
- California Community College Extended Opportunity Programs and Services (EOPS) (see your intended college for applications and deadlines)
- California College Promise Grant.
- If you are attending a California Community College and plan to transfer to a 4-year institution in the fall of 2021 or later, you may qualify for a Community College Transfer Entitlement Cal Grant
- If you are enrolled or expect to enroll in a career technical program at your college, you may qualify for a Cal Grant C

6. I am an AB 540 student, how do I fill out my college admissions application?

We recommend eligible AB 540 students consult with an admissions officer regarding their application inquiries. If the student is undocumented, generally there are two sections of an application that should be left BLANK:

- Social Security Number box should be left BLANK (unless the applicant has a valid social security number issued by the Social Security Administration that may be used for purposes other than work)
- Immigration Status box should be left BLANK

In general, the application requires social security number and immigration status information in order for the school to determine whether the student will be classified as a California resident. All information contained in the application should be truthful, particularly with regard to immigration status and social security information. Providing false information could potentially jeopardize an individual’s future efforts to adjust his or her immigration status.

7. AB 540 requires that I submit an affidavit to the Admissions and Records office. What type of information do I have to include in the affidavit?

All students seeking an exemption from non-resident tuition fees must file an affidavit with the college stating that the student meets the law's requirements and, if the student is not a U.S. Citizen or legal permanent resident, that the student is either in the process of adjusting his or her immigration status or will do so as soon as he or she is eligible to do so. These affidavits often ask the student to provide information such as the name of the California high school the student attended, the dates of attendance, and the student's name, address, student ID number, and signature.

8. Will the college share the information I provide in the affidavit with U.S. Citizenship and Immigration Services (USCIS) or Immigration and Customs Enforcement (ICE)?

No. Under California law, the information you provide in the affidavit must remain confidential.

9. Does it matter how long ago a student graduated from a California high school to be eligible for the AB 540 tuition exemption?

No. The date of high school graduation does not affect a student's eligibility for the AB 540 tuition exemption, as long as the student meets AB 540 criteria.

Cost of Attendance

The cost of attendance (or budget) is the estimated total amount it may cost to attend college. It will vary depending on your living situation (whether you live with your parents or off campus) and residency status (California resident or non-resident). Residency status is determined by Admissions and Records. Student Financial Services is designed to assist qualified students in obtaining grants,

scholarships, and federal work-study funds for educational expenses. Be prepared by applying for financial assistance early, submitting all required documentation, staying enrolled in classes, and meeting our Satisfactory Academic Progress Standard.

Types of Federal and State Financial Aid

Federal Student Aid

Federal Pell Grant

Pell grants are available for students with high financial need. Unlike most federal aid, this grant does not need to be paid back as long as you do not withdraw from classes, successfully complete classes, and are not simultaneously receiving the Pell grant at another school.

To apply for a Pell grant, submit the FAFSA online at <https://studentaid.gov/h/apply-for-aid/fafsa>. Eligibility for the Pell grant is determined by a standard formula using information you provide on your FAFSA, your enrollment status, and your academic history. Upon completion of the FAFSA you will receive an Expected Family Contribution (EFC) number which is your eligibility number. Your EFC is located on your Student Aid Report (SAR), which you can view at <https://studentaid.gov/h/apply-for-aid/fafsa> using your FSA ID. The EFC number will determine your eligibility for the Pell grant.

The maximum Pell grant award for the 2021-2022 academic year is \$6495.00 (this dollar amount is subject to change pending Federal regulations and availability of funds). Please note the amount of the grant is prorated based on the number of units you are taking in each semester. Students who have received their Bachelor's degree or higher are not eligible to receive the Pell grant.

Pell Grant Lifetime Eligibility Usage Limits

Students may receive a Pell grant for 12 full time semesters (or 6 years if full-time). This equals to 600% total (50% each full-time semester x 12 semesters). This percentage includes all Pell grants received to date. Once a student has received their full 600%, they will no longer be eligible for the Pell grant.

To review your current Pell Grant Lifetime Eligibility Usage (LEU) and grant history, please visit <https://studentaid.gov/>. You can also view the comment section of your Student Aid Report (SAR) online at <https://studentaid.gov/h/apply-for-aid/fafsa>.

Federal Supplemental Educational Opportunity Grant (FSEOG)

The Federal Supplemental Educational Opportunity Grant (FSEOG) is awarded to undergraduate students with the most financial need. Students with the highest need who are Pell grant eligible for the award year will have primary consideration for FSEOG awards. Non-resident students as well as Study Abroad students may also be eligible. FSEOG funds are limited and are awarded until all funds are exhausted. Having said this, there is no guarantee that all eligible students will receive FSEOG. Listed below are the requirements to be considered:

1. Complete a 2021-2022 FAFSA by March 2
2. Submit all documents requested by our office by the first priority filing deadline
3. Have high financial need
4. Meet the SFS Satisfactory Academic Progress (SAP) Standard

Federal Work Study (FWS)

The Federal Work Study Program offers students the opportunity to gain work experience and earn additional funding through part-time employment (up to 20 hours per week) to assist in paying for educational expenses. The program also benefits the community by offering services at no cost to non-profit organizations and government institutions.

FWS is a federal grant offered through the FAFSA. The FWS award specifies the amount you are eligible to earn in an academic year which runs from July 1 through June 30. Jobs begin posting as early as June for each academic year and may continue posting through the fiscal year as they become available. It is recommended you secure federal work study employment during the months of June and July even if you do not plan on attending until fall to secure the funding for the position. It is very important to have your FAFSA completed and have all required documents/actions submitted on the FA portal at <https://mvc.verifymyfafsa.com> prior to applying for FWS positions. Once you apply you are prescreened for eligibility before being referred for interviews. If you have incomplete financial aid tasks/actions, we cannot determine eligibility for FWS positions.

FWS Awards up to \$4,000 are granted once employment has been secured, based on financial aid need. You will receive your FWS award in the form of earned income from your job by submitting a timesheet, which is paid on a monthly paycheck and is subject to state and federal taxes. W-2's will be issued at the end of January. Direct deposit is available and strongly encouraged.

In order to be considered for FWS, you must apply for and be eligible to receive federal financial aid through the FAFSA. FWS positions are available on and off- campus. Due to limited funding, awarding is on a first come first served basis. The Student Employment Department also offers District (financial aid not required) positions for those that do not qualify for financial aid, exhaust their FWS award, or when funding is not available. These positions are listed as "Student Employment District Jobs" on the website. All eligibility requirements for these positions are the same as for FWS, EXCEPT the FAFSA and SAP standard are not required.

FWS Eligibility Requirements

All students seeking FWS positions must meet the following criteria:

- Apply for the FAFSA at <https://studentaid.gov/h/apply-for-aid/fafsa>, list the MVC school code #041735 and demonstrate financial need, which is determined by the MVC SFS office.

- MVC must be your home college on your admissions application.
- Be enrolled at least half-time at MVC (for FWS: 6.0 units is considered half-time in the fall/spring semesters and 3.0 units in the summer/winter sessions).
- Have a valid, non-laminated, and signed social security card.
- TB test, fingerprinting, and food handler’s card may be required for certain positions upon hire as a condition for employment.
- Must meet the SFS Satisfactory Academic Progress (SAP) standard. If a student fails to meet SAP standards, they may be placed on warning and ultimately become ineligible for financial aid, which will result in the loss of their financial aid and immediate suspension of the FWS position. The student will not be allowed to return to work unless an appeal has been filed and approved through SFS and a written notification to return to work has been issued by the Student Employment Office.
- Agree to abide by the Student Employment Program [Terms and Conditions for Employment](#)

What are the benefits of the FWS Program?

- Flexible hours that work around your school schedule.
- Gain valuable work skills and experience.
- Develop interpersonal skills and learn organizational procedures.
- Acquire expertise in areas related to your academic/career interest.
- Earn extra income.
- Network with the MVC community.

How do I apply for an FWS position?

Student Employment currently lists all student positions available throughout MVC on the MVC [Student Employment](#) page. It lists all job openings, whether FWS or department funded, for every MVC department or off-campus site that employs students through our program.

To apply you must:

1. Complete your 2021-2022 FAFSA and any required actions/tasks from the SFS office. (FWS only).
2. Visit [MVC Student Employment](#) to view positions that are available and click on "For Students", then the "Job Openings" link. New users will need to create a login, password, and application by clicking on "Create Application". To better serve our students, computer workstations are available in the SFS Lobby as well as the Library.
3. Submit your application once you have completed every section to the best of your knowledge. You can apply for as many MVC positions as you are qualified to apply for. Please remember you can only apply for those positions at your "Home College".
4. The system does NOT notify you of the status of your application. If selected for an interview you will be contacted via the phone number or email address you provided on the application. If you are not selected, you will be notified as an update to your application status. You may check the application status by logging into the jobs website

using the user ID and password you created when applying or by following up with the hiring supervisor.

5. If and when hired, the supervisor will provide you with all of the required hire forms.
6. Once the hire process has been completed and approved, the supervisor will be emailed an approval so that you may begin your employment.

NOTE: STUDENTS ARE NOT TO BEGIN WORKING UNTIL WRITTEN APPROVAL, SHOWING A WRITTEN HIRE DATE, IS GIVEN BY THE STUDENT EMPLOYMENT OFFICE. For more information regarding the Student Employment Program, call (951) 571-6252.

Federal Direct Loan Program

(DL Stafford Subsidized Loans or DL Stafford Unsubsidized Loans)

Federal Direct Loans (DL) are borrowed funds that are different from grants and federal work-study. Direct Loans are borrowed funds that must be repaid with interest. Applying for and receiving student loans is a very serious obligation, so before you apply for a loan, it is a good idea to consider the following:

- Think about the amount you will need to cover your educational expenses
- Have a thorough understanding of how much your payments will be once your repayment period begins
- Most of all be aware of the amount you have to repay over the year

To qualify for Federal Direct loans students must meet all of the requirements for federal student financial assistance and have their eligibility for all other grants determined first. Federal student loans should be a student's last resource.

MVC offers both subsidized and unsubsidized Federal Direct Stafford loans for the fall and spring semesters. These loans are designed to help you achieve your educational goals. Funds will come from the Department of Education DL program. You will repay these loans to the Department of Education DL program or its servicing agent. Please remain in constant contact with Direct Loans in order to avoid delays in student loan payment and to ensure successful repayment. To estimate your monthly loan repayment amount and for additional information on student loans, please visit <https://studentaid.gov/understand-aid/types/loans>.

Subsidized loans are for students who have demonstrated financial need. Each academic year you may borrow up to \$3500 (\$1750 fall, \$1750 spring) as a first-year student (completed less than 30 units at RCCD) or \$4500 (\$2250 fall, \$2250 spring) as a second-year student (completed 30 units or more at RCCD.) For subsidized loans the federal government pays the interest during deferment periods while students are in college at least half-time.

Unsubsidized loans are not based on financial need. Students are responsible for paying the interest on these loans. Interest starts accruing as soon as the loan is disbursed and ends when

the loan is paid in full. Students may choose to defer the interest payments while they are enrolled in college at least half-time. MVC recommends that students make interest payments while they are in college. At MVC, it is our plan to help students reach their educational goal with the least amount of student loan debt as possible. MVC does not recommend borrowing more than \$10,000 at the community college level (this includes loans from any other institution that you attended). Students who already owe \$10,000 or more will be required to meet with a financial assistance representative prior to a loan being approved. If you have loans from other schools and are unsure of how much you have borrowed, you can view your complete loan history at <https://studentaid.gov/> - your FSA ID is required to access this website. (This is the same FSA ID that you would use to fill out your FAFSA online and sign your Master Promissory Note (MPN). To obtain a FSA ID go to <https://fsaid.ed.gov/>.

If MVC entered into an agreement with you (or your parents) regarding a Federal Direct Loan, we are required to inform you (or your parents) that the loan will be submitted to the National Student Loan Data System (NSLDS) and will be accessible by government agencies, lenders, and institutions determined to be authorized users of the data system.

Student Loan Alternatives

Before you decide to apply for a loan to fund your education, it is smart to explore other options that don’t require repayment! Student Employ

campus to assist with the cost of educational expenses. Wages are paid directly to you and help pay for college expenses. The best part is you never have to pay this money back! Please review our section on Federal Work Study before deciding to borrow a student loan or visit the MVC Student Employment counter located in the Student Services Building.

Scholarships are another student loan alternative; you can find and apply for many different types of scholarships on the internet. Some websites to visit are www.fastweb.com, www.scholarships.com, www.scholarshiphunter.com, and www.studentscholarshipsearch.com. Personal savings/gifts can also be used to fund your education. These funds can be used to pay for books, student fees and supplies. See section on Scholarships.

Federal Student Loan Default Management Plan

The Moreno Valley College Federal Student Loan Default Management Plan expects all students who receive a loan at MVC to complete a loan Entrance and Exit Counseling session. Students may complete both the loan Entrance Counseling and Exit Counseling online at <https://studentaid.gov/>.

Complete the Entrance Counseling when applying and the Exit Counseling prior to leaving the college or falling below half-time.

New information regarding loan eligibility was available beginning July 1, 2015. On July 6, 2012, the Moving Ahead for Progress in the 21st Century Act (MAP-21) (Public law 112-141) was enacted. A new provision was added to the Direct Loan statutory requirement that limits a first-time borrower's eligibility for Direct Subsidized Loans to a period not to exceed 150 percent of the length of the borrower's educational program. Borrowers under this provision who exceed the 150 percent limit may also lose the interest subsidy on the Direct Subsidized Loan. First-time borrowers are generally defined as one who did not have an outstanding balance or principal or interest on a Direct Loan, or on a FEEL Program loan on July 1, 2013. For AA degree programs, 150 percent is defined as 3 years. For Certificate programs, 150 percent is defined as 150 percent of the week/units required for your certificate program. Any amount borrowed within an academic year counts as 1 year towards your eligibility, regardless of the amount borrowed. Any loans borrowed at the community college level will count against your borrowing limit at any transferring institution.

State of California Aid

California College Promise Grant

The California College Promise Grant (CCPG) is a state fee waiver program that is specifically for students at California Community Colleges. For qualifying students, the CCPG waives the per-unit enrollment fee (currently \$46.00 per unit) at any community college throughout the state. The CCPG is for California residents, eligible AB 540 students and eligible AB 1899 students as determined by the Admissions & Records office, and eligible AB 801 students who have been without a residence in the last 24 months (homeless) as verified by the Student Financial Services office, who are meeting academic and progress standards.

- The CCPG also allows students to purchase parking at reduced rates for fall and spring semester.
- The CCPG does not pay for Student Services, Transportation or Health fees, additional class fees (such as art, CPR, lab or lifeguard fees as listed in the schedule of classes), books, or other educational supplies or expenses

To Apply Online:

The primary application for the CCPG is the 2021-2022 FAFSA or California Dream Act Application (CADAA). The CCPG will automatically be awarded to eligible students using the information from the FAFSA or CADAA.

To Apply by Paper:

The paper CCPG application is considered a secondary application to be used for special circumstances. Special circumstances to use the CCPG application are determined on a case-by-case basis.

Not everyone will qualify to complete the paper California College Promise Grant application because the qualifying income requirement is very low. Tax documents are required to verify qualifying income for the paper CCPG application. If the income requirements to complete the paper CCPG application are not met, the student will be required to fill out the FAFSA or CADAA which allows a higher qualifying income for CCPG eligibility.

The student must submit a copy of the FAFSA confirmation page showing the Expected Family Contribution (EFC) with the paper CCPG application. Student’s total income for 2019 or parents’ total income for 2019 (if a dependent student) must be within the following income standards (documentation is required):

Expected Family Contribution (EFC) Income Standards

| Number in Household | Total 2019 Family Income |
|---------------------|--------------------------|
| 1 | \$19,104 |
| 2 | \$25,860 |
| 3 | \$32,580 |
| 4 | \$39,300 |
| 5 | \$46,020 |
| 6 | \$52,740 |
| 7 | \$59,460 |
| 8 | \$66,180 |

*Add \$6,720 for each additional dependent

If you or your family is currently receiving TANF/Cal WORKS, SSI/SSP, or General Assistance/General Relief, you are eligible for C CPG type A and are eligible to complete the CCPG application. Acceptable proof of eligibility or documentation for CCPG type A varies depending on the type of benefits you or your family are receiving.

- For TANF/Cal WORKs or General Assistance, acceptable documentation includes Notice of Action dated within the previous month, or the previous or current month’s check.
- For SSI/SSP, acceptable documentation includes award letter or bank statement showing a deposit from the current or previous month.

If you are under 25 years of age and have been verified as having been without a residence in the last 24 months (homeless youth) immediately preceding the receipt of your application for admission, you are eligible for CCPG A, B, or C and are eligible to complete the CCPG paper application. Verification may be made by the MVC Homeless and Foster Youth Liaison, or one of the following:

- A homeless services provider as defined in the Health and Safety Code, section 103577(b)(3).

- The director of a federal TRIO program, Gaining Early Awareness and Readiness for Undergraduate Programs program, or a designee of that director.
- A financial aid administrator for an institution of higher education.

If you qualify under any of the following Special Classifications, you are eligible for the CCPG type A and are eligible to complete the paper CCPG application:

- You are a dependent of a deceased or disabled veteran and have been determined eligible for the fee waiver by the California Department of Veterans Affairs or National Guard Adjutant General.
- You are a Congressional Medal of Honor recipient or child of a recipient.
- You are a dependent of a victim of the 9/11 terrorist attack.
- You are a dependent of deceased law enforcement or fire personnel killed in the line of duty.

For any of the listed Special Classifications, a letter or Certificate of Eligibility is required along with a completed paper CCPG application. Special classification fee waivers are exempt from the requirement to meet academic and progress standards as outlined in the Loss of CCPG information at the end of this section.

Veterans can contact the Riverside County Veterans Services office at (951) 955-3060 for information on obtaining the Certificate of Eligibility.

Paper CCPG applications are available in the Student Financial Services office. You must apply for the CCPG using the FAFSA or CADAA before each summer semester. The applications are available beginning every October 1 prior to the summer semester.

If you have been determined to be eligible for the CCPG after you have paid your fees during the current semester, you may be entitled to a refund.

- A refund will not be automatically generated for prior semesters, only for current semesters.
- You must request the account billing to be updated in the Cashiers office for any prior semester if determined CCPG eligible after the semester has ended.
- If you drop classes after the refund deadline established by Admissions and Records, you will not be eligible for a CCPG refund for the dropped classes.

Loss of Eligibility for California College Promise Grant

A student shall become ineligible for a California College Promise Grant if the student is placed on academic and/or progress probation for two consecutive primary terms. Loss of eligibility shall become effective at the first registration opportunity after such determination is made.

Students will be notified of their placement on academic or progress probation no later than thirty days following the end of the term that resulted in the student's placement on probation.

The notification sent to the students will clearly state that two consecutive primary terms of probation will lead to a loss of the California College Promise Grant until the student is no longer on probation. The notification will also advise students about the available student support services to assist them in maintaining eligibility.

NOTE: Foster Youth and Former Foster Youth up to the day before their 26th birthday are not subject to loss of the California College Promise Grant due to placement on academic or progress probation, and therefore do not need to submit an appeal.

How to Regain Eligibility

If you lose your eligibility for the CCPG, there are a few ways that you can have it reinstated:

- Improve your GPA and/or course completion measures to meet the academic and progress standards.
- Not attending your school district for two consecutive primary terms (fall/spring).
- Successful appeal regarding extenuating circumstances.

Appeal Process

A student's being placed on academic dismissal will result in loss of the CCPG. Any combination of two consecutive terms of cumulative GPA below 2.0 and/or cumulative unit completion of not more than 50 percent may result in loss of fee waiver eligibility. Appeal forms for the California College Promise Grant are located in the Admissions & Records office

Steps To Apply for an Appeal:

1. Complete the appeal form and identify reason(s) for exception in a written/typed statement.
2. Attach all related supporting documents to justify the appeal reason(s). For an extenuating circumstance exemption, documents such as doctor's notes, accident report, loss of job, etc. must be included.

3. Submit the completed appeal form to the Admissions & Records Office at MVC. A valid photo ID must be presented.
4. Appeal results will be sent to you via your RCCD student email within 3-5 business days. Please make sure your RCCD email is activated

A student may appeal the loss of a CCPG:

- Due to extenuating circumstances. Extenuating circumstances are verified cases of accidents, illnesses, etc...that occurred during the term the student did not make progress.
- When a student with a disability applied for, but did not receive, a reasonable accommodation in a timely manner.
- Due to circumstances that might include documented changes in the student's economic situation.
- When there is evidence that the student was unable to obtain essential student support services.
- Extenuating circumstances also includes special consideration of the specific factors associated with Veterans, CalWORKs, EOPS, and DSPS student status.

Cal Grant

Cal Grants are state grants administered by the California Student Aid Commission (CSAC). These grants are awarded to California residents to assist them in paying their educational expenses at any qualifying college or institution.

Cal Grant A assists with tuition and fees at four-year public and private colleges as well as some private career colleges. If you receive a Cal Grant A but decide to attend a California Community College first, your award will be held in reserve for up to two years until you transfer to a four-year college.

Cal Grant B assists low-income students attending community colleges with living expenses and books. The award amount varies each year and may be used for books, living expenses and transportation.

Cal Grant C assists students with tuition and training costs for technical or occupational, vocational, or career training programs. Awards vary each year and funding is available for up to two years, depending upon the length of the program. To qualify, you must enroll in an

Chafee Grant Program Updates (SB 150)

Effective January 1, 2020, California adopted new rules regarding the distribution process and eligibility requirements for the Chafee Education and Training Voucher program. Provided below is an explanation of the pertinent provisions of the bill that enacted these changes.

Student Support Services and Resources

Moreno Valley College will provide Chafee grant recipients information about support services and resources available on campus and information on completing an educational plan with their first grant disbursement.

Satisfactory Academic Progress (SAP)

All students at Riverside Community College District (RCCD) are meeting Satisfactory Academic Progress as long as the student maintains the following:

Qualitative Standard:

- a Cumulative Grade Point Average (GPA) of 2.0

Quantitative Standard:

- a completion percentage rate of 67% of the total (cumulative) units attempted and
- the student has not exceeded the Maximum Time Frame of their selected program of study

Failing to Meet SAP and Loss of Eligibility

If the student fails to meet SAP standards or loses eligibility for the Chafee Grant, SFS will send a notification to the student's RCCD email at the end of each semester with their current status, requirements, or options to regain eligibility, if applicable.

If the student fails to meet SAP:

After **two** consecutive semesters – the student may continue to receive a Chafee Grant but must meet with an appropriate college staff member to develop a plan for improving academic progress in order to receive their remaining Chafee ETV Grant funds.

After **three** consecutive semesters – the student must meet with an appropriate college staff member to update their plan in order to receive their remaining Chafee Grant funds.

After **four** consecutive semesters – the student loses eligibility for subsequent awards but may appeal to retain eligibility.

Appeal Process

A student may appeal the loss of the Chafee Grant with MVC during any subsequent term following the loss of eligibility. Student Financial Services will send a notification to the student's RCCD email with the process for completing an appeal. Once the completed appeal request has been submitted, SFS will review and automatically reinstate a student's Chafee grant eligibility if one of the following applies:

- The student achieves either a 2.0 GPA during the previous term or a cumulative GPA of 2.0
- The student demonstrates the existence of an extenuating circumstance that impeded successful course completion in the past but that has since been addressed such that the student is likely to demonstrate satisfactory academic progress in the future
- The student provides evidence of engagement with a supportive program, either on or off campus, that is assisting the student to make continued academic progress

Returning Students

A student who loses Chafee Grant eligibility by not demonstrating SAP and subsequently is not enrolled for one or more semesters (fall/spring), will become eligible upon re-enrollment. Students will not be subject to appeal or SAP requirements at that time and will receive their Chafee Grant funds during the first term of re-enrollment. If the student enrolls in subsequent terms, SAP requirements will continue to apply.

SCHOLARSHIPS

Scholarships are another resource that can provide financial assistance for students to successfully meet their educational goals. Scholarships are available for application by all students at Moreno Valley College (MVC) and high school seniors planning to attend MVC. Some scholarships may be based on financial need and/or GPA and academic performance. Other qualifications for scholarships may vary, such as your selected major or academic program, career goal, club or volunteer and community involvement, etc.

To be awarded a scholarship, you must complete the scholarship application and go through the eligibility and selection process. Scholarships are usually awarded to the student(s) who best fit the

qualifications as established by the donor or organization providing the scholarship funds. The scholarship programs available for students at all colleges in the Riverside Community College District are as follows:

RCCD Foundation Scholarships

Riverside Community College District (RCCD) Foundation offers scholarships for students continuing their education at Moreno Valley College (MVC), students transferring to a four-year university and high school seniors.

- The online scholarship application for the next academic year becomes available every fall semester in mid-October on the Moreno Valley College Student Financial Services (SFS) website.
- Scholarships specifically for high school seniors who plan to attend RCCD are available for application early in the spring semester.
- A listing of scholarships from resources and organizations outside of RCCD is also available year-round on the scholarship application website.

Scholarships are a great resource to help you pay for your college education. RCCD provides scholarships:

- For students in many different majors.
- All ranges of GPA and academic performance.
- For students in specific programs such as Athletics, Art, Business, Career and Technical programs, Construction Technology, Disabled Students, Education, Engineering, Film and Television, Logistics, Music, Nursing, Performing Arts, STEM, Welding, and many more.

You may be the perfect fit for a scholarship but will not know until you apply. The application is easy and worth the effort. To apply for all RCCD Foundation scholarships:

- You must be admitted to MVC and have activated your assigned student email.
- Instructions on how to complete the scholarship application process and the link to apply are at www.mvc.edu, go to Financial Aid and select Scholarship Information.
- Scholarship workshops are held at the college during the application period to provide students with information on how to complete the scholarship application, including the required personal essay questions and obtaining scholarship recommendations.

The Moreno Valley College Scholarship Committee, the RCCD Scholarship Committee and/or scholarship donor committees, choose scholarship recipients. Scholarships are generally disbursed half in the fall semester and half in the spring semester. Recipients must adhere to the requirements of the scholarship criteria (such as GPA and unit completion) to maintain scholarship eligibility. If, for any reason, the awarded recipient does not meet the requirements, an alternate recipient will be chosen. All scholarship awards are contingent on available funding and are disbursed by the refund method selected through BankMobile (please see the information regarding the BankMobile in this guide).

Outside Scholarships

There are many other opportunities for students to find scholarships outside of MVC. Although searching for scholarships requires time and effort on the part of the student, it is well worth the effort. The MVC SFS Office receives scholarship notices periodically from outside, off-campus sources such as civic organizations, clubs, associations, business, etc. Scholarship notices are posted in the SFS office and on the SFS webpage at www.mvc.edu/sfs and is updated regularly. It is up to you, the student, to follow the directions for application and follow-up for these scholarships.

A great resource for applying for outside scholarships is The Scholarship Search Secrets Guide available at www.studentscholarshipsearch.com. Scholarships are also available from other sources such as your college or local library, your parent's or your employers, community organizations, etc. You may also search for scholarships on the internet; however, beware of sites requesting fees for their services. The following is a list of free websites you can use in your search for scholarships:

- www.fastweb.com
- www.scholarshiphunter.com
- www.freescholarshipguide.com
- www.collegenet.com
- www.scholarshipexperts.com
- www.scholarsite.com
- www.studentscholarshipsearch.com
- www.scholarships.com

Search engines such as Google are the best tools available to you for finding scholarships. However, there are a lot of secrets in terms of getting the best results out of the search engines. For example, if you just searched for “scholarships” on Google, you’ll get about 72,800,000 results! Seventy-two million Web pages would obviously take too long to read and sort through, so you’ll need to develop a strategy for being more specific about the scholarships you’re looking for. Refining your searches in Google can be done in a few steps.

- Pick a characteristic about yourself that you’d want to find a scholarship about.
- What do you want to study?
- What are your passions?
- What are your hobbies?

By narrowing down what you are searching for, you’ll find pages of scholarships that you can apply for.

There are good words, bad words, and then there are magic words. What are magic words? Magic words are words you use in your Web searches that are used less conversationally, and so when you search for scholarships with those terms, you’ll probably get better results. For example, one of the most powerful words in scholarship search is the word foundation. Scholarships are most often administered by foundations, but rarely do people ever bring up the sponsoring foundation conversationally in a Web page, so when you search for scholarships with the word “foundation” in your search, you’ll be more likely to find the awarding foundation. Magic words become very important when you have relatively broad topics you’re searching for. What are some of the most magic words you can use in your scholarship search?

- Scholarship/scholarships – yes, they are different, singular and plural – you should assume from here on that any term which appears in singular should also be tried plural, and vice versa.
- Grant
- Financial aid
- Endowment
- Foundation
- Fellowship
- Honorarium
- Trust
- Application
- Deadline
- Pdf

If you are awarded a scholarship from a source outside of MVC, the procedures to use your scholarship at MVC are as follows:

1. The organization or donor providing the scholarship will contact you if they have chosen you as the recipient of their scholarship.

2. Follow the donor's directions for the procedure to have your scholarship funds sent to MVC. If proof of enrollment is required, you may submit your printed class schedule from Web Advisor, or, if they are requesting "official" proof of enrollment, contact the MVC Admissions and Records Office at (951) 571-6101.
3. For students who receive the Governor's Scholarship Program: you may access your scholarship funds by completing the Qualified Withdrawal Form and submitting it to the Governor's Scholarship Program. The Qualified Withdrawal Form is available at www.cagovernorsscholars.org. For help in filling out the form, call 1-866-477-9665.
4. Once MVC receives your scholarship funds, you will be sent correspondence from the MVC Student Financial Services offices acknowledging receipt of the funds and a schedule of disbursement dates.
5. Once the SFS office determines you are actively enrolled in classes and that you meet all requirements of the donor, your scholarship funds will be disbursed to you on the next disbursement date.

How to Avoid Scholarship Scams

There is no shortage of con artists and scams when it comes to paying for college and spotting them can save you money and heartbreak. Any scholarship, grant, foundation, or organization that's legitimate won't ask for a penny out of your pocket.

Any one of these signs should be a red flag that you may be dealing with a scholarship scam:

- Asking for money. Reputable scholarships are free to apply for and free to receive. Scams typically charge for the application, or use deceptive language such as "reserve your scholarship with your credit card number". Reputable scholarships never need to charge money
- Asking for lots of non-relevant personal information. Scams using identity theft ask lots of personal information typically not relevant to a scholarship application such as bank account numbers, Social Security numbers, and other financially related information.
- Claims of exclusivity. A fair number of scams make the claim that their information cannot be found anywhere else, and therefore you should pay for their services. In the age of Google, information exclusivity is a thing of the past. Do not pay.
- Claims of guarantees. The truth of scholarship hunting is that there are no guarantees. No one can guarantee that you will be awarded a scholarship and any company advertising a paid service making such a claim is likely a scam.
- Receiving letters of potential awards, you never applied for. Scholarships are in such demand that no awarding agency needs to make unsolicited awards to recipients. This includes email notifications of any kind about scholarships that you never applied for.
- "Free" seminars with an up sell. The latest trick that some companies and individuals are using is the free financial aid seminar offer. These seminars typically promise great financial aid information, but end with a hard sales pitch to attend a future paid seminar, buy books, DVDs, or other materials (usually at high prices). There are plenty of free

financial aid seminars offered by high schools and colleges that are worth attending instead. Check with your guidance office or financial aid office for details on those seminars.

If something feels, sounds, or seems “fishy”, it probably is. The most important thing you can do when it comes to scholarship scams is to trust your instincts. With the Internet and other freely available resources, there is no shortage of legitimate scholarships to apply for.

Remember the golden rule of scholarships: Money flows to the student, never the other way around, beware of any scholarship claims to the contrary.

Middle College High School Program (MCHS)

The Middle College High School Program (MCHS) at Moreno Valley College (MVC), made possible through the special partnership with Moreno Valley Unified School District and Val Verde Unified School District (VVUSD), provides high school students the opportunity to complete their last two years of high school at Moreno Valley College, taking both high school and college classes. MCHS students complete their last two years of high school at MVC, enrolled in both high school and college courses. MCHS students enroll in college courses which satisfy high school graduation requirements, "A-G" courses, or courses that are transferable or that can be applied towards an Associate Degree. Each semester students enroll in no more than 11 college units and each winter and summer session they enroll in no more than 8 college units. MCHS students have the opportunity to complete more than one year worth of college units by the end of their senior year of high school.

Program Application Process

Only high school sophomores within MVUSD and VVUSD are eligible to apply to the MCHS program at MVC. Each year, during the month of January, the MCHS staff provides classroom presentations to sophomore classes within MVUSD and VVUSD.

In the month of February, the MCHS program hosts an annual MCHS Information Night at one of the local high schools for students and parents/guardians interested in applying to the program. It is MANDATORY that both the student and their parent/guardian attend the MCHS Information Night to be eligible to apply to the MCHS program. Interested students submit an application, which includes their high school transcripts, standardized test scores, attendance and behavior reports, and a student writing response. An Application Review Committee, made up by MCHS staff and high school counselors, review and score applications to determine if the applicants are a good fit or not, for the program. The Application Review Committee select students for interviews and after interviews the top 70 students are selected.

Factors That Can Affect Your Eligibility

Citizenship

The U.S. Department of Education performs matches against the FAFSA application to verify a student's Citizenship status with the U.S. Citizenship and Immigration Services (USCIS) and the Social Security Administration (SSA). These matches are performed to verify eligibility for financial assistance programs. A student must submit documentation to the Student Financial Services office to confirm citizenship or immigration status if this information is requested to complete financial aid task. Some of the documents that may be submitted to confirm citizenship are: a copy of the student's Certificate of Birth, an original valid U.S. Passport or Passport Card, or an original Certificate of Naturalization. Some of the documents that may be submitted to verify immigration status are: an original Alien Registration Card, I-551, or I-94 Stamp. All documents submitted to verify immigration status must be current and active. Citizenship status information must be submitted each year that it is requested. For more information on acceptable documentation of citizenship status please contact Student Financial Services at (951) 571-6139.

U.S. Citizenship and Immigration Services (USCIS) is the government agency that oversees lawful immigration to the United States. For information go to www.uscis.gov or contact the National Customer Service Center (NCSC) at 1-800-375-5283 (or 1-800-767-1833 TDD for the hearing impaired).

Selective Service System

Students who are required to register with the Selective Service System must do so to be eligible for Federal and State Student Aid funds.

Who is required to register?

Almost all male U.S. citizens and male aliens living in the U.S., who are 18 through 25 years of age, are required to register with Selective Service.

How do I know if I need to register?

Your FAFSA Student Aid Report or CA Dream Application CAR report will indicate that your Selective Service status must be confirmed or that you have not registered with Selective Service. You may also receive a letter regarding this requirement for the Cal Grant.

How can I register?

- Online – register at www.sss.gov.
- U.S. Post Office - complete the Selective Service “mail-back” form, affix postage and mail to Selective Service.
- FAFSA/CA Dream Application – check “Yes” on the Selective Service box and the Department of Education will provide Selective Service with the information to register you.

If you did not register with Selective Service, and because of your age can no longer register (26 years and older), you must provide the SFS office with the following:

- Documentation of your status from Selective Service. Please visit www.sss.gov, click on “MEN BORN BEFORE 1960” and then select “Request for Status Information Letter.” Download and submit it to the indicated Address. A response letter will be mailed to you from the Selective Service office.
- A personal letter indicating why you failed to register. Complete this task by submitting the response from Selective Service along with your personal letter to the Student Financial Services office for approval by the Financial Aid Director. To receive documentation or additional information regarding your Selective Service registration status, you may visit the website at www.sss.gov or call (847)-688-6888.

Drug-Related Convictions

Students who are convicted of a federal or state offense of selling or possessing illegal drugs (excluding alcohol or tobacco) while receiving federal financial aid should complete and submit the FAFSA because they may be eligible for federal and/or state financial assistance. Students who complete the FAFSA and answer “Yes” to question 23 will immediately receive a series of questions to determine their eligibility. Past convictions are not an automatic disqualification for federal student assistance. You should still complete and submit your FAFSA, answer the drug question, and complete the drug conviction worksheet. Your eligibility will be determined at the time of application. If you are convicted of possession or distribution of drugs after you submit your FAFSA you must notify our office immediately. Students convicted of the sale or possession of illegal drugs may have federal student aid eligibility suspended if such offenses

occurred while receiving federal student aid such as grants, loans, and/or work study. Affected students may regain eligibility by successfully completing an approved drug rehabilitation program. If you have questions about the law or about your eligibility for federal student assistance you may call the Federal Student Aid Information Center at 1-800-4-FED-AID (1-800-433-3243). Your information is confidential and you will remain anonymous. More information is also available at <https://studentaid.gov/h/apply-for-aid/fafsa>.

It is the mission of Moreno Valley College to provide a drug-free academic environment for our students that maximizes academic achievement and personal growth. The college recognizes that any type of substance abuse poses a significant threat to the health, safety, and well-being of users and the people around them. Students can seek help through the Student Health Services Center. Health professionals provide confidential assistance for students with alcohol or drug related problems including crisis intervention, education programs, and referrals. You may contact the Health Services Center at (951) 571-6103.

Satisfactory Academic Progress Standard (SAP)

The United States Department of Education requires that students applying for financial assistance must be enrolled in a program for the purpose of completing an AA/AS Degree, transfer requirements, or certificate program. All students must have their academic progress reviewed to determine if Satisfactory Academic Progress (SAP) has been achieved. The government requires that students who apply for financial assistance meet two standards.

Qualitative Standard

All students at Riverside Community College District (RCCD) must have a Cumulative Grade Point Average (GPA) of 2.0.

Quantitative Standard

All students must complete their program of study within a certain number of units and complete a certain percentage of units attempted in order to make progress toward their goal. There are two parts to this standard:

1. **Pace of progression:** Students must complete at least 67% of the total (cumulative) units attempted. For example, a student has attempted 20 units at Moreno Valley College. They successfully completed 13.5 of those units. Their completion would be 67.5% (units completed

divided by units attempted equals completion percentage– $13.5 \div 20 = 67.5\%$). Students who do not meet the pace of progression may lose eligibility for Title IV aid.

2. Maximum Time Frame: The Maximum Time Frame for completion of a degree or certificate is 150% of the published length of the program. All units attempted at RCCD will be included since the Maximum Time Frame is based upon units attempted. A student can receive financial assistance for a maximum of 150% of the published length of the program. For example, if the published length of a degree program is 60 units, the student may receive financial assistance for up to 90 attempted units ($60 \text{ units} \times 150\% = 90 \text{ units}$). If the published length of a certificate program is 40 units, the student may receive financial assistance up to 60 attempted units ($40 \text{ units} \times 150\% = 60 \text{ units}$). If students are unable to finish their program within the Maximum Time Frame, and/or do not meet the pace of progression standards, as explained, they may lose eligibility for Title IV aid.

Evaluation

All students will be evaluated at the end of each semester to determine if they are meeting the standards listed above.

*If you have attempted less than 12 units at RCCD, then you will be required to maintain a 1.5 Cumulative GPA and must complete 50% of the courses you attempt to maintain SAP. Once you have attempted 12 or more units, you will be held to the standard as explained above.

Grade Standards

All semester units at RCCD include:

- Attempted units include: A, B, C, D, F, CR, P, NC, NP, FW, W, I, IB, IC, ID, IF
- Completed units are units with a grade of: A, B, C, D, CR, P
- Transfer credits from other institutions will be included in the SAP calculation.

Courses in which a student receives a grade of F, NC, NP, FW, W, I, IB, IC, ID and/or IF will not be counted as completed units for satisfactory academic progress purposes, but will be counted as attempted units. Only practicum/labs that are required, recommended or academically beneficial should be taken at the same time as the corresponding course.

Course Information

How Course Selection Can Affect Eligibility

Not all courses at RCCD have been approved by the Department of Education for Federal and/or State financial aid funding. Please visit the SFS counter for a list of courses that are not approved for financial aid payments. If you enroll in any of the courses on this list, you will not receive payment of any Federal and/or State financial aid.

Repeated Course Information

Repeated course units will be counted in the pace of progression calculation as attempted units. When courses are repeated, only the earned units associated with the higher grade will be counted in the pace of progression calculation as completed units. If both grades are equal, only the earned units from the earlier course will be included as completed units in the pace of progression calculation.

Adding and/or dropping units after the first grant disbursement will require a review and possible adjustment of any future disbursements or repayment of Title IV funds. Student Financial Services follows all Title IV regulations in relation to financial assistance for repeated courses and IP grades.

SAP Satisfactory (SA): A student is meeting Satisfactory Academic Progress as long as the student maintains a cumulative GPA of 2.0 (Qualitative Standard), a completion percentage rate of 67% (Quantitative Standard) and the student has not exceeded the Maximum Time Frame of their selected program of study (Quantitative Standard).

SAP Warning (WA): Students failing to meet SAP will be placed on a one semester “Warning” which will allow students to receive financial assistance even though they are not meeting the SAP standard. If after the “Warning” semester students are still not meeting the SAP standard, they will become Ineligible. (Students who have exceeded the 150% Maximum Time Frame do not receive a Warning semester).

SAP Warning Students’ Responsibilities

Students on Warning Status are encouraged to meet with a Counselor to complete an official and current Comprehensive Student Educational Plan (SEP). To schedule an appointment to meet with the Student Financial Services Counselor or a General Academic Counselor to complete an SEP, please contact Moreno Valley College’s Counseling Department at (951) 571-6104 or counseling@mvc.edu. You can also schedule an appointment online by [clicking here](#). Students on financial aid Warning status will continue to receive certain types of financial assistance during the Warning period. Warning status students must improve their academic standing by the

end of their Warning period. Students who do not meet the SAP standards after their Warning period will be declared Ineligible for financial assistance.

SAP Ineligible (IN):

A student can become Ineligible for two reasons:

- 1) Student failed to meet SAP standards after their “Warning” semester and/or
- 2) Student exceeds the 150% Maximum Time Frame of program of study under the quantitative standard.

Appeal Process

Students on a SAP Ineligible status can **Appeal ONLY ONCE during their lifetime at RCCD.** In order to appeal, the student must have extenuating circumstances that occurred during the period that the student did not meet SAP. To appeal, the student must document the circumstance for not meeting SAP and must provide official documentation.

Note: If a student becomes Appeal Ineligible for any reason, the student WILL NOT be ALLOWED to Appeal again.

Some examples of Extenuating Circumstances that must be supported by providing official documentation may include:

- Death of an immediate family member, documented illness, major accident or injury of yourself or an immediate family member
- Victim of a crime
- Homelessness

Appeal Documents: The five (5) documents that must be submitted if the student has extenuating circumstances are:

- Proof of Completed SAP Online Appeal Session: Understanding Moreno Valley College Student Financial Services (SFS) Satisfactory Academic Progress Standard and What it Means to You (Completion Certificate or Email Confirmation)
- Official Comprehensive Student Educational Plan (current within the last year)
- Signed Student Financial Services Probation Contract
- Appeal form with a written statement of the Extenuating Circumstance
- Official Documentation verifying the student’s extenuating circumstances (i.e. court documents, police reports, medical records, doctor’s note, death certificate...)

***NOTE:** In order for a Comprehensive Student Education Plan to be official, official transcripts from ALL previously attended colleges or universities must be on file at Riverside Community College District. If a student’s official transcripts are not on file, then the student’s Comprehensive Student Educational Plan is considered invalid.

Students who have exceeded the Maximum Time Frame must have one of the following valid reasons:

- One time change of major or goal after student has completed one major/goal.
- Returned for a second goal
- Completed ESL courses (ESL 51, 52, 53, 54, 55, 71, 72, 73, 91, 92, 93...)
- Completed Basic Skills courses (ENG 60A, 60B, MAT 50, 51, 63, 64, 65, REA 81, 82, 83) Note: MAT 52 if student started classes the fall 2011 semester or later.
- High unit majors (Nursing, Vocational Nursing...)
- High unit transfer majors (Math, Biology, Chemistry, Physics, Computer Science, Engineering...)
- Completed Military or AP courses/credit

Appeal Documents:

- The four (4) documents that must be submitted if the student has exceeded the Maximum Time Frame are:
- Proof of Completed SAP Online Appeal Session: Understanding Moreno Valley College Student Financial Services (SFS) Satisfactory Academic Progress Standard and What it Means to You (Completion Certificate or Email Confirmation)
- Signed Student Financial Services Probation Contract
- Official Comprehensive Academic Plan/Student Educational Plan/Academic Evaluation (created with the last year)
- Appeal form with a written statement explaining the valid reason for exceeding the Maximum Time Frame

NOTE: Submission of an appeal does not guarantee that a student will regain financial aid eligibility. After reviewing the appeal, the Student Financial Services committee will render a decision, and the student will be notified in writing of the decision. Students must submit their Appeal to Moreno Valley College only. Each student who is approved for a “probationary” period must have an official Comprehensive Student Educational Plan developed, which will outline the courses for which the student may receive financial assistance.

SAP Probation

Students will be placed on Financial Aid “Probation Status” only if their appeal of Ineligible status is approved. Students on Probation must meet the SAP standard each semester beginning with the semester of approval in order to maintain their Probation Status. If students fail to meet SAP while in a Financial Aid Probation Status, they will become Ineligible to receive financial assistance until they bring their SAP up to Qualitative Standard of 2.0 GPA and Pace of Progression of 67% completion rate prior to exceeding the Maximum Time Frame.

Important Notice Regarding Approved Courses

Probation students will only receive financial assistance for courses that are listed on their Approved Class List (ACL) which is created from the student's Educational Plan. If an appeal is submitted late in the academic year and approved, funding will only be disbursed for the semester in which they were approved and forward. Eligibility for federal, state and institutional eligibility will be determined after the appeal has been approved and the appeal contract received. No retroactive disbursements will be made.

How Dropping Courses Can Affect Eligibility

What Happens if I Drop All of My Classes After Receiving My Financial Assistance?

Any student who withdraws from all of their classes, are dropped by all of their instructors, or receives all FW/W grades for the semester may be subject to repayment of federal financial assistance funds including the Federal Pell Grant, FSEOG grant, and Direct Loans. This is referred to as Return of Title IV funds (R2T4).

For Cal Grant, the enrollment status for each recipient must be determined according to the recipient's attendance at the time funds are paid to the recipient or credited to the recipient's account, pending adjustments to units. Adjustments may be made to the award of a recipient at any time during the term. Cal Grant adjustments or returns will not be made for a reduced unit load or total withdraws that occur after the census date of the term. When making a payment for a term that has ended, the institution must base the attendance status on the number of units completed for the term.

Students who received Federal grant and/or loan funds and withdrew from school before completing 60% of the semester successfully, the amount of grant or loan funds you earned must be determined.

- If the amount of funds disbursed to you is greater than the amount of funds you actually earned, those unearned funds must be returned.
- If the amount of funds disbursed to you is less than the amount of funds you actually earned, you may be eligible to receive a post-withdrawal disbursement of those earned funds not yet received.

The Student Financial Services (SFS) office is required to calculate how much aid you earned during the semester, based on the final date you withdrew and will notify you of any repayment due to the school or any post-withdrawal disbursement due to you. Please note that if you totally withdraw after 60% of the semester has passed, you will not owe any repayment of federal funds.

Your withdrawal date is determined in one of the following ways:

- The date you dropped your last class in the Admissions and Records office or on Web Advisor
- The midpoint of the semester if you did not officially withdraw and received all FW grades (combination of all FW and/or W grades)
- The date posted by the instructor indicating your last date of attendance in class

Example of withdrawal calculation

You received \$1179 Pell grant and could have received an additional \$1178 if you had finished the semester, equaling a total award of \$2357 for the semester. There are 117 days in the semester and you withdrew on the 17th day. You earned 14.5% of your grant ($17 \div 117 = 14.5\%$).

The Student Financial Services office will calculate what you earned and did not earn:

$\$1179$ grant money received + $\$1178$ you could have received = $\$2357 \times 14.5\% = \341.77 earned

$\$1179$ grant money received - $\$341.77$ earned aid = $\$837.23$ unearned aid (85.5%)

* School Portion of the calculation

An additional portion of the grant must be repaid by the college based on your total institutional charges at the time you withdrew

For Example, you took 12 units for the semester at \$20 per unit. Your total institutional charges = \$240

$\$240 \times 85.5\%$ (unearned) = $\$205.20$ the college has to pay back to the federal program within 45 days of determination and you will have to repay to the college.

* Student Portion of the calculation

You will have to pay back the unearned amount minus 50% of the total aid that was disbursed and aid that could have been disbursed

$\$837.23$ unearned aid - $\$205.20$ that the college returns = $\$632.03$ which is the initial amount of unearned aid due from you.

$\$2357$ total aid disbursed/could have been disbursed $\times 50\% = \$1178.50$.

$\$632.03 - \$1178.50 = \$0$ you have to pay back to the federal grant program.

- Total amount the student has to repay = $\$205.20$ to your home college (RCC, MVC or NC) for the college portion that had to be returned

- If you earned more than you were paid: You will receive a notice of your potential “post withdrawal disbursement” in the mail. This will be automatically disbursed to you unless you choose to cancel the disbursement. More information will be provided in the letter you receive if eligible.

If you are required to repay funds back to the school, you will have 45 days from the date you are notified to repay the amount owed in full. On the day after the deadline, if the amount due has not been paid in full, you will be reported in an overpayment status to the Department of Education and you will not be able to receive financial assistance at any school until the overpayment has been resolved.

If your home college (RCC, MVC, NC) is required to return funds based on your Return to Title IV calculation, you will be billed the colleges portion to be paid directly to that college. Should you fail to repay these funds by the required deadlines, there will be a hold placed on your MVC records, you will not be able to enroll in future classes at RCCD.

The order in which Federal funds are returned to the Department of Education are as follows:

1. Federal Unsubsidized Loan
2. Federal Subsidized Loan
3. Federal PELL Grant
4. Federal Supplemental Educational Grant

**Note that Federal Work Study earnings (FWS) are excluded from the calculation. Direct Loan recipients must contact the Direct Loan program for additional repayment arrangements.

How Changes in Eligibility Can Affect Your Financial Aid

Overawards and Overpayments

When a student’s award amount needs to be adjusted due to a change in the student’s eligibility, the student may owe some or all of the funds received. This is referred to as an overaward/overpayment. This can be caused by a change in enrollment status (dropping classes), a change in your award package and/or a change on your FAFSA application. This may result in adjustments to a student’s financial assistance award causing their financial assistance package to exceed their financial need. The financial need is determined by the student’s Free Application for Federal Student Aid (FAFSA).

An overaward/overpayment can occur for the following reasons:

- Withdrawal from class(s) after receiving a disbursement
- A change in the student's financial assistance package due to an extension to work-study employment
- A change in the student's financial assistance package due to the awarding of a scholarship or grant from an outside organization
- Failing to attend classes for at least one day
- A change to the student's FAFSA information

The student's financial assistance award cannot exceed their financial need or the school may take steps to resolve the overaward. Adjustments may include updates to your financial assistance award package and future disbursements or request of repayment of disbursed awards.

When requesting payment from the student, the student will be notified by mail that they are in overaward/overpayment. The overaward/overpayment needs to be repaid as soon as possible or by the due date on the letter. Failure to repay the overaward/overpayment may lead to a hold on the student account at RCCD and the student will be unable to register for future classes, and their eligibility for future financial assistance from any educational institution may be affected until they resolve this matter.

Please note:

Dropping and/or withdrawing from classes may affect your SAP (Satisfactory Academic Progress). Please see the SAP section in our Consumer Guide for more information. Before dropping a class(es) please speak to a Student Financial Services staff member to see how it may affect financial aid.

Financial Aid Disbursements

BankMobile Disbursement Options

Our method of disbursing Financial Aid funds to eligible MVC students is via BankMobile disbursement services. All students have a **“CHOICE”** on how they would like to receive their financial aid funds, if eligible. For more information about BankMobile, visit this link: <http://bankmobiledisbursements.com/refundchoices/>.

Check here for the BankMobile fees before you make your selection:

<https://www.vibeaccount.com/studentaccount/feeschedules.do>

Check here for Terms and Conditions:

<https://www.vibeaccount.com/info/accountagreements.do>

It is important to keep your address up to date. If you need to update your address, you will need to update it in the MVCs Portal or with the Admissions and Records office first. Your address must be marked as “Preferred Mailing” in order to be valid. Then you will need to update your address with BankMobile by logging into your BankMobile account at www.RefundSelection.com.

Additional Disbursement Information

Please read the following BEFORE you accept the disbursement:

It is critical to remain in all of your classes to avoid Return of Title IV repayment. If you are receiving financial assistance at another institution or you have dropped all of your classes, you MUST return the funds to the College. If the funds are not returned, a hold will be placed on your records and you may be reported to the Department of Education affecting your ability to receive financial aid at any other school. If you receive all FW’s/W’s grade for the semester which you received Title IV funds, you may be required to repay all or a portion of those funds. Your award is contingent upon the availability of funds from the appropriate agencies and the laws and regulations which govern these programs and are subject to change.

If you are still enrolled but have dropped a class or classes please note that you may be in overpayment and may owe all or a portion of your disbursement and it may affect your SAP (Satisfactory Academic Progress). For more information on the consequences of dropping a class or classes, please refer to our chapters in this guide regarding dropping classes and overpayments.

You will only be paid for classes you are actively attending and that are eligible for grant and/or loan funding. The California College Promise Grant (CCPG) and EOPS Book assistance are financial resources available to help you meet your educational expenses and may appear on your award letter. These are not cash awards. If you have already paid your fees, you may be eligible for a refund. You must contact the Student Accounts Office at 951-571-6101 to see if you are eligible for a refund.

All applications for financial assistance programs (i.e. student loans, work compensation, grants, scholarships, special funds, subsidies, prizes, etc.) will be considered by the Riverside Community College District without regard to race, color, national origin, sex, disability, or age. The following person has been designated to handle inquiries regarding the non-discrimination policies or practices: District Compliance Officer, 3801 Market Street, Riverside, CA 92501, or (951) 222-8039.

Know Your Deadline

Changes and corrections made to the FAFSA or Admissions application, including changing your home location, will cause delays to your financial aid eligibility and disbursements, if eligible. Please contact SFS to determine if and/or when changes to your application should be made.

Completing your financial aid tasks in a timely manner will allow the Student Financial Services office to determine your grant eligibility. One week after you have submitted your FAFSA online, the Student Financial Services Office will receive your application electronically and contact you via your RCCD student email account. The email will contain a link so you can view the tasks and/or required documents you need to turn into Student Financial Services to complete your file. Continue to check your Student email in case additional documents or tasks are required. Please ensure your contact information is up to date with Admissions and Records.

If eligible, you will receive your disbursement according to the processing deadline you meet. Disbursement amounts are based on your enrollment status and eligibility (12 units = full time

enrollment). All disbursement dates are contingent upon funding and are subject to change without notice. Unit checks are done approximately two weeks before each disbursement date.

Unit adjustments for late start classes – not paid for on the first fall and spring disbursement dates due to late registration and late start of the class – will be disbursed on the next fall and spring disbursement date after the start of the class.

Cal Grant and Direct Loan recipients must be enrolled at least half time (six units) and must have an approved academic program (major). See Admissions and Records if updates are necessary.

You will only be paid for classes you are actively attending. If you receive payment for a class and drop the class, you may be required to repay a portion or the full grant. Remaining in your classes is critical to avoid repayment of funds.

It is important that your preferred mailing address is current to avoid delays in receiving your Financial Aid funds.

Release of Financial Assistance Information and (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. FERPA requires that information, written or verbal, regarding student education and financial assistance records cannot be released to any person or agency, other than the student, without prior written consent.

To release information to anyone other than the student, i.e. parent, grandparent, other agencies or a friend, the RCCD SFS Consent to Release Information form (CRI) must be completed by the student in person with a picture ID each academic year. The CRI form, available in the Student Financial Services office, must be submitted to the student's home college and may be cancelled in person at the SFS counter. For student confidentiality, a picture I.D. will be required when a student is requesting information from his/her financial aid file. All documents contained in the students' file are the property of the Moreno Valley College SFS office and will not be returned. Please request and retain copies of all your paperwork before submitting it to our office.

To protect students' privacy, no detailed student information will be given over the phone or via the internet. For more detailed information regarding FERPA, please review the Riverside Community College District website at <http://www.rccd.edu/Pages/ferpa.aspx>.

Student Email Accounts

Riverside Community College District (RCCD) students are assigned a free student email account through Microsoft's Office 365 for Education. The Student Financial Services Department will use the RCCD student email to communicate with students regarding their financial aid applications, steps to complete their financial aid file, as well as updates and additional opportunities, such as scholarships. In addition, important notices from Admissions and Records, faculty, and many other campus resources are sent to the RCCD student email account. An RCCD email account is the only approved method of formal communication between RCCD and students. It is important that students check their student email daily. To learn more on how to activate your RCCD student email, visit <http://mvc.edu/services/ar/email.cfm>. A tutorial is available that will explain the activation process.

Accountability MVC

Updating and maintaining accurate student information is a shared responsibility between the student and Moreno Valley College. If at any time, an error or conflicting information on the FAFSA/CA Dream Act Application is determined, it is the responsibility of both MVC and the student to correct/resolve the issue. Please be advised that if you have submitted documentation that contains errors to the SFS office in support of your financial aid file, it is important that you notify our office immediately. Failure to notify our office of any changes such as application corrections or a change in student information will result in a delay in determining your eligibility for assistance, as well as a delay in the disbursement of funds. Once a correction/update is made to the application please be advised that it may result in an adjustment in aid and/or award amounts. In some cases, the student and/or MVC may be responsible for the immediate repayment of funds already disbursed. It is our primary goal to assist MVC students in receiving their financial aid in a timely manner.

Transfer Tips

Financial aid does not automatically transfer from one institution to another. You must reapply each year to continue receiving federal and state financial aid. You may only receive financial aid funding from one institution per semester.

However, you may receive the California College Promise Grant (CCPG) from more than one community college at a time.

If you are transferring to Moreno Valley College, you must add Moreno Valley College to your FAFSA or CA DREAM Act application by one of the following methods:

For FAFSA Applicants

1. Using your FSA ID, go to <https://studentaid.gov/h/apply-for-aid/fafsa>. Under “Returning User” choose “Make FAFSA Corrections” and follow the directions to add Moreno Valley College using our school code (041735). Or,
2. Add the Moreno Valley College school code (041735) on the indicated page of your Student Aid Report (SAR), sign it, and mail it to the address listed at the bottom of the page under, “If you made changes.” Or,
3. Call the Federal Student Aid Information Center at 1-800-433-3243 and request to have Moreno Valley College added to your SAR. Have the following information ready:
 - Name and Date of Birth
 - DRN Number (Located on page 1 of your SAR)

- Social Security Number
- Moreno Valley College's School Code: 041735

Within a few weeks you will receive a new SAR from Federal Student Aid by mail or e-mail. Moreno Valley College will receive your information electronically. You will then receive a communication via e-mail from Moreno Valley College (to your RCCD student email address) letting you know what is required to complete your file with Moreno Valley College.

For CA DREAM Act Applicants

1. Using your student information log into: www.caldreamact.org
2. Add the Moreno Valley College school code: 04173500
3. You will then receive a communication via e-mail from Moreno Valley College (to your RCCD student email address) letting you know what is required to complete your file with Moreno Valley College.

If you have not yet set up your Moreno Valley College email account, you will want to do so at <http://www.mvc.edu/services/ar/email.cfm> and follow the steps to set up your email account.

1098-T

The Form 1098T (Tuition Payments Statement) is available on Web Advisor in late January for the previous tax year if you were enrolled in courses at MVC. The 1098T form is used to calculate any student tax credits you may be eligible for. You or your parents may be able to take either the tuition and fees deduction, or claim an education credit on your tax return for the qualified tuition and related expenses that were actually paid in the year. Students who received the CCPG waiver did not pay for their tuition and are not eligible to use the credit.

To access, view, and/or print your 1098T Tax Form:

- Log into Web Advisor at www.mvc.edu
- Click on the Student Menu
- Choose the 1098T Link

If you have any problems logging into Web Advisor, please contact admissions and records office at admissions@mvc.edu or 951-571-6101.

If you have any questions regarding the information on your 1098T Form, please contact the 1098T Information Line at (951) 328-3500. MVC SFS staff cannot answer tax questions. For any other information regarding the 1098T eligibility and how to figure out the tax credit please

contact your tax preparer or the IRS at 1-800-829-1040 or www.irs.gov. Tax credits for students may change from year to year so be sure to view any updates on the IRS website. More information on education tax credits can be found online at <https://studentaid.ed.gov/sa/types/tax-benefits>.

California Domestic Partner Rights Act

What is the California Domestic Partners Rights and Responsibilities Act?

The California Domestic Partner Rights and Responsibilities Act (AB 205), which went into effect on January 1, 2005, extends the same rights, protections, responsibilities, obligations, and benefits to registered domestic partners as those extended to married couples. If you inform the MVC Student Financial Services (SFS) office that you are in a Registered Domestic Partnership or that your parents are in a Registered Domestic Partnership, the SFS office should re-evaluate the student's California College Promise Grant (CCPG) eligibility. Eligibility for aid may increase or decrease.

For the purposes of federal student financial aid programs, California's recognition of registered domestic partnerships does not apply. If you are in a Registered Domestic Partnership (RDP), you will be treated as an independent married student to determine eligibility for state funded financial aid (California College Promise Grant and Cal Grant) and will need to provide income and household information for your domestic partner.

If you are a dependent student and your parent is in a Registered Domestic Partnership (RDP), you will be treated the same as a student with married parents and income and household information will be required for the parent's domestic partner to determine eligibility for state funded student financial aid.

These provisions apply to state funded student financial aid ONLY and not to federal student financial aid.

For more information visit: <http://www.csac.ca.gov/post/california-domestic-partner-rights-and-responsibilities-act-2003>.

Frequently Asked Questions

Q. Where can I get help completing my FAFSA or California Dream Act Application?

A. The SFS office schedules FAFSA on the Web (FOTW) and Dream Act Application workshops each semester to assist you in filling out your FAFSA or California Dream Act Application online. Look for announcement flyers or visit our website at <https://www.mvc.edu/services/sfs/workshops.cfm> for future workshops and dates. There is help available on the FAFSA web site (www.fafsa.gov) and the California Dream Act Application website (www.caldreamact.org) as you enter the information. For the FAFSA, the blue question mark on the right side of each question provides further details and explains why the information is needed. For general information you can click on the Help tab on the right top corner of the application. Q. Do I need to apply for financial assistance each semester, and when do I re-apply for the California College Promise Grant (CCPG) and Cal Grant?

A. No, not every semester. The FAFSA and California Dream Act Application must be filled out for each academic year. Applications are available October 1st for the following academic year. Completing the FAFSA early each year assists in determining eligibility for all types of financial assistance (PELL, FSEOG, CCPG, Cal Grant, etc.) Completing the California Dream Act Application early each year assists in determining eligibility for the CCPG and Cal Grant. By filling out the FAFSA or California Dream Act Application, you will automatically be considered for the CCPG for the academic year beginning with summer and ending with spring (summer, fall, winter, spring). To qualify for the Cal Grant, you must complete and submit the FAFSA or California Dream Application by March 2nd of each year. Once you have been awarded the Cal Grant, you must reapply each year by submitting the FAFSA or CA Dream Act Application by March 2nd to maintain your eligibility status.

Q. I submitted my FAFSA and received my SAR (Student Aid Report). Do I need to do anything else?

A. Yes! Completing the FAFSA is only the first step in applying for financial assistance. One week after you have submitted your FAFSA online, the Student Financial Services (SFS) Office will receive your application electronically and contact you via your RCCD student email account. The email will contain a link so you can view the tasks and/or required documents you need to turn into Student Financial Services to complete your file. A current admissions application is also required. After the required tasks have been completed, your file will be reviewed for eligibility and you will be notified by email of your status. Please check your student email regularly for changes and updates to your requirements and financial aid status. Your award letter will be available on WebAdvisor/MyPortal. Not all students will have required tasks/documents to complete.

Q. Why do I have to use my parents' information on the FAFSA if I don't live with them and they don't give me any money for school?

A. For financial assistance purposes, the U.S. Department of Education classifies all applicants into two categories: Dependent and Independent students. Dependency status is determined by the questions in Step Three of the FAFSA. If you answer "NO" to every question in Step Three of the FAFSA, you are a Dependent Student. Dependent students must include their parents' demographic and income information on the FAFSA. If you answer "YES" to any one of the questions in Step Three of the FAFSA, you are an Independent Student. Whether or not you live with your parents, if they claim you on their tax return, or if they give you money are NOT factors in determining dependency status. Please see our section on "Dependent or Independent" in this guide for additional information.

Q. My parents make a lot of money. Is it a waste of time to apply for financial assistance?

A. No, it is not a waste of time! The only way to find out if you are eligible for financial assistance is to submit the FAFSA application. If you do not qualify for the Federal Pell Grant, you may still be eligible for other types of aid such as the California College Promise Grant (CCPG) or the Cal Grant. If you do not fill out the FAFSA application, you could be disqualifying yourself from getting financial assistance. Remember, FAFSA is the Free Application for Federal Student Aid. There is no fee charged to apply for financial assistance.

Q. Why does it sometimes take so long to process a financial aid application, and what can I do to avoid delays in the processing of my application?

A. To avoid any delays in the processing of your financial aid application, be sure to accurately enter the information, review, and recheck the application before submitting. Applications with conflicting or inaccurate information may require a correction, which may mean a delay in the overall process. When completing a FAFSA you should use the IRS Data Retrieval tool to retrieve your income and/or your parents' income information directly from the IRS whenever possible. Remember, completing the financial aid application is just the first step in the application process. You may be required to complete tasks and/or turn in additional documents to complete your financial aid file so the awarding process may continue. The SFS office will not be able to process an application with missing documents or conflicting information.

Q. Why is the grant money I received less than the amount listed on my award letter?

A. The amounts listed on your award letter are the awards for a full-time student (12 units each semester, fall and spring). Your actual disbursements may be less depending on the number of units you are actually enrolled in at the time of disbursement. Keep in mind that grants are disbursed in payments throughout the semester. Therefore, the amount you receive may not reflect the entire semester award. Also, late starting classes have a different disbursement schedule. Finally, if you have an approved financial aid Satisfactory Academic Progress appeal, you will only be paid for classes on your approved class list.

Q. Do I have to be enrolled full-time to receive financial assistance?

A. No, but there are certain unit requirements for different awards. You may be enrolled in any number of units to receive the CCPG. Students eligible for Cal Grant must be enrolled in at least 6 units to receive disbursement. With the Pell Grant, the amount of money disbursed depends on the number of units a student is enrolled in each semester. In some cases, a student may have to be enrolled at least half time (6 units) to receive the Pell Grant. That is determined by the information submitted on the FAFSA and the calculation of the EFC (Expected Family Contribution) by the Department of Education.

Q. What happens to my financial assistance if I drop classes? Do I have to pay back the money?

A. That depends on when you drop the classes. If you drop classes after the disbursement of aid, your future payments will be adjusted to reflect your new enrollment status (number of units). Once this is updated, you will be notified if you must pay back any overpayment of financial assistance. If you withdraw from all of your classes, you will be notified if you must

repay any overpayment of financial aid. Try to avoid a complete withdrawal by seeking advice from academic counselors and/or your instructors before withdrawing. In addition to possible repayment, you may face Satisfactory Academic Progress (SAP) problems because dropping classes could affect your GPA and Pace of Progression percentage.

Q. Why does the Student Financial Services office limit the kind of information it gives over the phone?

A. Student Financial Services does not release certain information over the phone in order to protect the student's right to privacy as stated in the Family Educational Rights and Privacy Act (FERPA). If you need specific information about your financial assistance file and/or disbursement, please come into the Student Financial Services office with a picture ID and our trained staff can answer your questions. For general financial aid questions, you can use the Chatbot located at the right bottom corner of the SFS website.

Q. Why am I no longer eligible for the California College Promise Grant (CCPG)?

A. If you do not maintain a GPA of 2.0 or higher and/or complete more than 50 percent of your coursework for two consecutive primary terms (Fall/Spring), you lose your CCPG eligibility. You will be notified within 30 days of the end of each term. In order to regain eligibility for the grant you can do one of the following: (1) file an appeal, (2) not attend your school district for two consecutive primary terms, or (3) improve GPA and/or course completion to meet academic and progress standards.

Commonly Used Financial Aid Terms

Ability-to-Benefit - One of the criteria used to establish student eligibility in order for students to receive Title IV program assistance is that a student must have earned a high school diploma or its equivalent. Students who are not high school graduates or have not earned a GED Certificate can demonstrate that they have the "ability to benefit" from the education or training being offered by passing an approved ability-to-benefit (ATB) test or complete six semester approved units. ***New students will be required to have a high school diploma, GED, or pass a High School Proficiency test to satisfy the Ability-to-Benefit requirement for financial aid.***

Academic Year - A period of time that schools use to measure a quantity of study. For example, a school's academic year may consist of a fall and spring semester during which a full-time

undergraduate student must complete 24 semester hours. Academic years vary from school to school and even between educational programs at the same school.

Accreditation - The school must meet minimum academic standards, as defined by an accrediting body recognized by the U.S. Department of Education, to be eligible to participate in the administration of federal student aid programs.

Accrue - The process where interest accumulates on a student loan.

Award Letter - The award letter explains the type(s) and amount(s) of financial aid the student may be eligible for based on various determining factors. The award letter can be found on *Web Advisor/MyPortal* under the financial aid section.

Borrower – An individual who signed and agreed to the terms in a loan promissory note and is responsible for repaying a loan.

Capitalized - With certain loans, such as the subsidized loans, the U.S. Department of Education pays the interest that accrues on a loan while the student maintains at least half-time enrollment, and during periods of deferment. However, with subsidized loans in forbearance and unsubsidized loans in any status, a student is responsible for paying interest as it accrues. When interest on these loans are not paid during accrual, the interest is *capitalized*, or added to the principal balance, which increases the outstanding principal amount due on this loan.

Consolidation - The process of combining one or more loans into a single new loan.

Cost of Attendance (COA) - The total annual cost of attending college for any given academic year. The COA includes tuition and fees, room and board, allowances for books, supplies, transportation, loan fees, and, if applicable, dependent care. It also includes miscellaneous and personal expenses.

Default - If a student does not repay a loan according to the terms and agreements of the signed promissory note, the student may enter into a default status. A student's credit status, future financial aid, purchasing cars, a house, and IRS refund may be affected if a loan is in a default status.

Dependent student - A student who does not meet one of the criteria for an independent student on the financial aid application(s), such as: Be at least 24 years old, married, a graduate or professional student, a veteran, a member of the armed forces, an orphan, a ward of the court, or someone with legal dependents other than a spouse.

Disbursement - Scheduled dates in which students will be disbursed financial aid (may include Pell Grant, SEOG, Cal Grant, Loans).

**For a list of the 2021/2022 disbursement scheduled dates, please see the disbursement schedule section of this consumer guide.*

Direct Loans include subsidized and unsubsidized Direct Stafford Loans (also known as Direct Subsidized Loans and Direct Unsubsidized Loans). You must repay these loans directly to the U.S. Department of Education.

Educational Goal - A program of organized instruction or study that leads to an academic, professional, or vocational degree, a certificate, or other recognized educational credentials. To receive financial assistance, you must be enrolled in an eligible program. Please see the SFS office for more information.

This number results from the financial and household information you provided on your FAFSA application. Your EFC number is located on your Student Aid Report (SAR).

Grace period - After borrowers graduate, leave school, or drop below half-time enrollment, loans that were borrowed have six months before repayment is due. This period is known as the "grace period." During the grace period, no interest accrues on subsidized loans. Interest accrues on unsubsidized loans during grace periods, and this interest is capitalized when borrowers' loans enter repayment.

Half-time - At least six semester hours/units of active enrollment per semester at RCCD.

Independent Student - An independent student meets the criteria on the FAFSA to list only his/her (and spouse if applicable) information.

Interest - A loan expense charged by the lender and paid by the borrower for the use of borrowed money.

It lists the conditions under which you are borrowing and the terms under which you agree to pay back the loan. The promissory note will include information on how interest is calculated and what deferment and cancellation provisions are available to the borrower. It is very important to read and save this document. You will need to refer to your promissory note later when you begin repaying on your loan or at other times when you need information about provisions of the loan, such as deferments or forbearances.
