Final Examination Schedule

- Failure to report for scheduled final examinations may result in a failing grade for the course. In case of illness or other emergency, the student must report to the instructor's office or department prior to the beginning of the examination.
- Final examinations for evening (4:30PM and later) and Saturday and Sunday classes will be held at the time and place of the regular class meeting on the following dates:

Saturday, December 8 Sunday, December 9
 Monday, December 10 Tuesday, December 11 Wednesday, December 12 Thursday, December 13 Friday, December 14
Classes meeting two nights per week shall use the second meeting for the final exam.

- Final Examination Schedules are specific to each college, and are to be used to determine the final examination dates for classes that are held only at that college.
- Final examination for classes shorter than a full semester will be held on the last class meeting date.
- The chart below details the final examination schedule for full-semester weekday classes. Choose the block that most closely matches the time and day the class meets, and that does not result in a conflict with other classes that are also scheduled within that same block. The date of the final examination will occasionally be scheduled on a day that the class does not normally meet. Note the start time and arrive promptly.

**For classes not on the grid or conflicts that cannot be resolved,
instructors will consult the department chair and the Moreno Valley College Dean of Instruction for resolutions.**

- Have personal funds to purchase your textbooks early. (Students won't be able to get financial aid early.)
- Show up on time for classes on the first day. Don't be late—you may be dropped.
- Purchase a parking permit before the first day of classes.
