Spanish Placement Testing

The Spanish placement test measures competency levels for those who wish to enroll in Spanish courses but need to determine the appropriate starting level. The results show a recommendation of the appropriate Spanish class. Students can enroll in a level lower than their placement, but not higher. Placement tests are available by appointment only. Appointments can be made online at <http://www.mvc.edu/services/assessment/appts.cfm>.

WORK EXPERIENCE

Work Experience is a one-hour per week class which allows students to earn up to 4 units per semester for experience gained through employment or volunteer service. Enroll in a general Work Experience section and you will be placed in your choice of one of the disciplines below.

Units Determination:

General Work Experience (**not** related to one of the occupational disciplines listed below) is 3 units only.

Occupational Work Experience (one of the disciplines listed below) varies from 1 to 4 units. For every one (1) unit of work experience credit, students must complete 75 hours of paid work or 60 hours of volunteer work during the college semester. No more than 20 hours per week may be applied toward this work requirement. Below is a general guide to help students enroll in the appropriate number of units of work experience.

Hours Worked Per Week

MORENO VALLEY COLLEGE

IGETC = Intersegmental General Education Transfer Curriculum FALL 2014

IGETC is a guide to choosing your classes that can save you time and money – an even better guide is a Moreno Valley College counselor who will work with you to develop an education plan. Your personalized plan will include general education course choices and the courses you'll need to prepare for your major at your chosen university. In some cases, you can use one course to count for two requirements, saving you time and money.

RCCD General Education Program Student Learning Outcomes

The RCCD General Education program prepares students to be able to demonstrate an understanding of how knowledge is discovered and constructed in the natural sciences, the social and behavioral sciences, the humanities, and language and rationality. Students will understand the methods of inquiry that underlie the search for knowledge in these fields. In addition, they will gain demonstrable skills in four broad interdisciplinary areas:

Critical Thinking

Students will be able to demonstrate higher-order thinking skills about issues, problems, and explanations for which multiple solutions are possible. Students will be able to explore problems and, where possible, solve them. Students will be able to develop, test, and evaluate rival hypotheses. Students will be able to construct sound arguments and evaluate the arguments of others.

Information Competency & Technology Literacy

Students will be able to use technology to locate, organize, and evaluate information. They will be able to locate relevant information, judge the reliability of sources, and evaluate the evidence contained in those sources as they construct arguments, make decisions, and solve problems.

Communication

Students will be able to communicate effectively in diverse situations. They will be able to create, express, and interpret meaning in oral, visual, and written forms. They will also be able to demonstrate quantitative literacy and the ability to use graphical, symbolic, and numerical methods to analyze, organize, and interpret data.

Self-Development & Global Awareness

Students will be able to develop goals and devise strategies for personal development and well-being. They will be able to demonstrate an understanding of what it means to be an ethical human being and an effective citizen in their awareness of diversity and various cultural viewpoints.

MORENO VALLEY COLLEGE

Final Examination Schedule

- Failure to report for scheduled final examinations may result in a failing grade for the course. In case of illness or other emergency, the student must report to the instructor's office or department prior to the beginning of the examination.
- Final examinations for evening (4:30PM and later) and Saturday and Sunday classes will be held at the time and place of the regular class meeting on the following dates:

Saturday, December 6 Sunday, December 7 Monday, December 8
 Tuesday, December 9 Wednesday, December 10 Thursday, December 11 Friday, December 12
Classes meeting two nights per week will not meet the first meeting and shall use the second meeting for the final exam.

- Final Examination Schedules are specific to each college, and are to be used to determine the final examination dates for classes that are held only at that college.
- Final examination for classes shorter than a full semester will be held on the last class meeting date.
- The chart below details the final examination schedule for full-semester weekday classes. Choose the block that most closely matches the time and day the class meets, and that does not result in a conflict with other classes that are also scheduled within that same block. The date of the final examination will occasionally be scheduled on a day that the class does not normally meet. Note the start time and arrive promptly.

For classes not on the grid or conflicts that cannot be resolved,
instructors will consult the department chair and the Moreno Valley College Dean of Instruction for resolutions.

BEN CLARK TRAINING CENTER

Welcome to Moreno Valley College's unique and vital public safety training located at the Ben Clark Training Center (BCTC). In association with local, state and federal agencies, Moreno Valley College offers one of the largest public safety training programs in Southern California. Each year, the college prepares hundreds of students to work as law enforcement officers, firefighters, emergency medical technicians, paramedics, dispatchers, and correctional officers.

Most of the training occurs at the BCTC, located adjacent to March Air Force Reserve Base. The Ben Clark Training Center is recognized nationally for its innovative, interagency programs that emphasize state-of-the-art training for law enforcement, emergency medical services and firefighting personnel to function as a team.

Several major public agencies participate in public safety training, including the Riverside County Sheriff's Department, the Riverside County Fire Department, the California Department of Forestry and the Department of Corrections. Working in conjunction with these agencies, Moreno Valley College is able to offer the following intensive programs in Law Enforcement, Emergency Medical Services and Fire Technology:

Peace Officer Training	<u>Law Enforcement</u>	Dispatcher Training
	Correctional Officer Training	
<u>Emergency Medical Services</u>		
Emergency Medical Technician	Paramedic	
<u>Fire Technology</u>		
Basic Firefighter Academy/A.S. Degree	Fire & Chief Officer A.S. Degrees	Wildland Firefighting

If you have any questions, please call the phone number listed in each course description in the schedule of classes or call the Ben Clark Training Center Office at the numbers below. For additional information regarding registration for Riverside County Sheriff's Department courses or Riverside County Fire Department courses, visit our website at www.mvc.edu/bctc for specific registration details.

To assure open enrollment, class availability and scheduling flexibility while meeting the training needs of law enforcement, fire technology, emergency medical services and other public safety agencies, classes are scheduled on an as-needed basis. Please note that some courses have a prerequisite requirement.

BEN CLARK FAST-TRACK CLASSES

The Ben Clark Fast-Track Program provides sworn and correctional deputies, fire service personnel and all students with an opportunity to complete the prescribed general education requirements to earn an Associate of Science Degree in Law Enforcement, Fire Technology or other related public service disciplines within 12 to 18 months.

This schedule is especially attractive for public safety personnel to access the college's courses and available programs. All classes are offered at the Ben Clark Public Safety and Training Center located at 16791 Davis Avenue in Riverside. No parking permit is required.

Ultimately, Fast-Track classes provide students with at least two opportunities: a time to enhance and apply their intellectual skills toward greater professional performance, and a time to prepare to advance in their leadership positions.

For more information, please call 951-571-6197. All Fast-Track classes are held in modular classrooms at the Ben Clark Training Center.
