# Welcome to Riverside Community College

Welcome to Riverside Community College.

If you are considering attending college this year, I encourage you to start with the winter session at Riverside Community College District. Students who enroll in a winter session class are able to complete a degree or certificate requirement, finish a course pre-requisite or learn a new job skill—all in the space of eight weeks.

In order to fully serve our communities, RCCD offers winter classes at all of its

campuses and education centers, as well as online through Open Campus. This year, students can choose from hundreds of classes in liberal arts, sciences, business, computer science, healthcare, and other subjects. Enrollment fees are affordable—just \$20 a unit, and parking is easy and convenient.

Education support services and student activities are also available during winter session. Our faculty remains committed to providing a challenging learning environment and student services staff work hard to ensure that students have access to counseling, tutoring, and other critical resources.

As you can see, winter session at Riverside Community College District packs a lot of opportunity into a small amount of time. On behalf of the Board of Trustees, faculty and staff, we look forward to welcoming you as a student this winter.

## Mission Statement

The Riverside Community College District is accessible and comprehensive, committed to providing an affordable post-secondary education, including student services and community services, to a diverse student body. The District provides transfer programs paralleling the first two years of university offerings, pre-professional, career preparation, occupational and technical programs leading to the associate of arts degree, the associate of science degree, and a variety of certificates. In the tradition of general education, the liberal arts and sciences and the occupational and technical programs and courses prepare students for intellectual and cultural awareness, critical and independent thought, and self-reliance. Consistent with its responsibility to assist those who can benefit from post-secondary education, the District provides pre-college, tutorial and supplemental instruction for under-prepared students. Through its three constituent colleges, Moreno Valley, Norco and Riverside City, the District works in a partnership with other educational institutions, business, industry, and community groups to enhance the quality of life and the internal harmony of the communities it serves. The District serves Western Riverside County from three interrelated colleges in the cities of Riverside, Norco and Corona, and Moreno Valley.

The Riverside Community College District complies with all federal and state rules and regulations and does not discriminate on the basis of race, religion, gender, disability, medical condition, marital status, age or sexual orientation. This holds true for all students who are interested in participating in educational programs, including career and technical education programs, and/or extracurricular school activities. Limited English speaking skills will not be a barrier to admission or participation in any programs. Harassment of any employee or student with regard to race, religion, gender, disability, medical condition, marital status, age or sexual orientation is strictly prohibited. Inquiries regarding compliance and/or grievance procedures may be directed to the District's Title IX Officer/Section 504/ADA Coordinator.

The Title IX Officer/Section 504/ADA Coordinator for the District is Ms. Chani Beeman, 3845 Market St., Riverside, CA 92501. Telephone Number: (951) 222-8039.

## Open Enrollment

It is the policy of the Riverside Community College District that, unless specifically exempted by statute, every course, course section or class, the average daily attendance of which is to be reported for state aid, wherever offered and maintained by the District, shall be fully open to enrollment and participation by any person who has been admitted to the College and who meets such prerequisites as may be established pursuant to Title V of the California Administrative Code.

Every effort has been made to ensure that information contained in the Schedule of Classes is accurate at the time of printing; however, the District reserves the right to update/revise information at a later date to correct errors and/or omissions.

This publication is prepared several months in advance of the term to meet printing deadlines. It does not reflect courses that have been newly added to the schedule after the publication date. Students are encouraged to visit the Riverside Community College website at: [www.rcc.edu](http://www.rcc.edu) for a current and comprehensive listing of available classes.

### Orientation and Counseling

Would you ever take a trip to an important destination without a map? You might, but your chances of getting lost are high. Orientation is your map to **College Success**.

New student orientations conducted by college counselors in a group setting are offered to all incoming students, and are required as part of the matriculation process. Orientation introduces students to the college experience in general. Whether you plan to complete a certificate, a degree, transfer, or take a course or two for self-improvement, orientation is designed to provide informative, yet practical advice.

Students should go to the earliest orientation session available to get necessary information and to gain an edge on class enrollments.

Once you complete your placement test, an appointment for your orientation/counseling session may be scheduled by calling the Counseling Center.

## 8 – Register for Classes~ (Continued)

**It is your responsibility to ensure that you are officially registered in courses by the add deadline and that your fees are paid.**

### Deadline Dates

Specific add deadlines are included with the class information in this schedule and on WebAdvisor at [www.rcc.edu](http://www.rcc.edu). Refund and drop deadlines can be viewed/printed from WebAdvisor at [www.rcc.edu](http://www.rcc.edu). Click on **Class Name and Title**.

### Dropping Classes

Print out the page on WebAdvisor that confirms that the class has been dropped from your class schedule. Instructors maintain the right to drop students for lack of attendance, beginning the first day of class and ending on the 75% date.

**It is the student's responsibility to drop classes on WebAdvisor, Phone Reg or in person by the deadlines. Failure to drop a class may result in a permanent "F" grade on your academic record and may still require payment. Do not rely on an instructor or others to drop you!**

### Adding Closed Classes

*Make sure to check the deadline to add classes in this class schedule or on WebAdvisor (click on Class Name and Title.)*

A class is closed beginning the first meeting day of that class or earlier if it is full. In order to add a closed class, you must receive permission from the instructor. When registering on WebAdvisor or Phone Reg, you will be asked to give your unique 4-digit authorization code which must be obtained from the instructor.

When registering in person, you must have an Add/Drop Card (available in Admissions and Student Services offices) with the instructor's signature or an authorization sticker from the instructor. Fees are due at time of registration.

### Waitlists

Before the beginning of the semester, if a class is closed, you may place your name on a waitlist (if available). If a seat becomes available, you will automatically be added and your student account will be charged with the enrollment fees. **Please check your schedule regularly online with WebAdvisor and/or your RCC email account to confirm your status \*.**

Waitlisting ends late in the day on the day prior to the first class meeting. You must drop yourself from the class by the drop and refund deadlines if you do not intend to remain in the class.

You can manage your waitlist on WebAdvisor by doing the following:

- Log in to WebAdvisor at [www.rcc.edu](http://www.rcc.edu) (<http://www.rcc.edu/>)
- Click on "Register and Drop Classes"
- Then click on "Manage My Waitlist"

On Phone Reg you have the following options:

- When enrolling in a class that is full, you will be given the option to Waitlist by pressing "2"
- You may review your waitlisted classes by pressing "4" from the main menu.

\*To activate your RCC email account,

- Go to [www.rcc.edu](http://www.rcc.edu) (<http://www.rcc.edu/>) and click on Students,

### Re-apply for Financial Aid

The Free Application for Federal Student Aid (FAFSA) is available for the next academic year on January 2<sup>nd</sup> or the first day of the Winter Session. The priority filing date is March 2<sup>nd</sup> of each year.

If you are receiving a Board of Governors Waiver (BOGW), you must reapply each academic year, beginning with the Summer term.

### Continue to see a Counselor

Students should meet with a counselor during their first semester to develop a 2-year SEP (student educational plan).

It is advisable that students meet with a counselor once a semester to review their educational goals, because general education and lower division major requirements are always subject to change.

If you change your educational goal, it is important to see a counselor to obtain a revised SEP.

## Online, Hybrid and Web - Enhanced Courses

### What are online, hybrid and Web-enhanced courses?

- **Online** courses are taken exclusively over the Internet—there are no on-campus meetings required.
- **Hybrid** courses meet both on-campus and online—think of them as traditional face-to-face courses where some of the on-campus class meetings are replaced with online assignments. In a hybrid course, you will attend meetings on-campus during the dates and times listed in this schedule of classes. Since the on-campus portion of hybrid classes could take place on any of our three campuses (Riverside, Norco or Moreno Valley), hybrid courses are listed according to the campus where the on-campus meetings take place. So, for example, if you'd like to take a hybrid course on the Norco campus, you'd look under the Norco campus section of this schedule.
- **Web-Enhanced** courses are traditional face-to-face classes that are augmented with course Web sites. Unlike hybrid courses, all web-enhanced class meetings take place on-campus. The course Web site is an extra value!

### Are you ready for online learning?

To take an online, hybrid, or web-enhanced class, here are a few things to keep in mind:

- You should have regular access to a personal computer that is connected to the Internet. Not sure whether your computer measures up? At [www.opencampus.com](http://www.opencampus.com), click on "Help", then click "Requirements Help" (near the top left, under "Help Links".)
- You should be familiar with basic computer operations: for example, using a word processing program, logging onto the Internet, using a browser, and sending e-mail.
- You should be self-disciplined and have strong study skills. It's easier to fall behind in an online class.
- Lastly, you shouldn't believe the myth that online or hybrid courses are "easier" than face-to-face courses. In fact, online courses cover the same material as face-to-face courses, and many students say that their online courses actually require more of their time than their face-to-face courses. *Set aside a few minutes and take the Open Campus Distance Learning quiz below to help you decide.*

### What's an online course like?

Sample an online course--go to [www.opencampus.com](http://www.opencampus.com) and click on "Help". Under "Quick Links", click on "Sample Class". Use the information provided to log-in.

# Online Courses

## Online course Limitation on Enrollment:

Enrollment in online courses offered through the Riverside Community College District is limited to students who have demonstrated competency in working in the online environment.

Before you can register for an online class, you must demonstrate that you have the computer and internet skills you need to be successful. Your enrollment in online classes will be blocked until you have met this requirement.

You may demonstrate competency and meet the requirements of this limitation on enrollment in two ways:

### 1. Successful (grade of "C" or better) completion of an online class.

If you successfully completed an online course at **Riverside Community College prior to Fall, 2007**, your record has already been cleared and you may register immediately. (If you are unable to register, please contact the Matriculation Specialist at [matric.specialist@rcc.edu](mailto:matric.specialist@rcc.edu).)

If you successfully completed an online course at another accredited college or university, please call the prerequisite hotline (951) 222 - 8808 for directions about how to provide documentation to clear this limitation on enrollment. (Since verification of your successful class completion will not be immediate, you are encouraged to simply complete the short Online Skills Workshop described in Item 2 below.

OR

### 2. Go to <http://opencampus.com/> and complete the "Online Skills Workshop".

The Online Skills Workshop takes only a few minutes to complete and will verify your ability to perform the functions required in an online class, such as posting to a discussion board, uploading assignments, sending an email, attaching a document, etc. Once you have successfully completed the workshop, you will be cleared to register for online classes.

# Telewebcourses

**Television for Your Head...** A telewebcourse is a college credit course that allows you to complete much of your study at home by viewing televised or streaming video on the Internet lectures instead of attending lectures on campus. Telewebcourses have been specially designed to provide students with educational opportunities that are flexible enough to fit even the busiest schedule. The televised or video on demand lectures represent one component of an integrated instructional package that includes a textbook, study guide, course syllabus, required on-campus seminars and other required online material accessed via the Internet.

**Flexibility for Your Schedule.** Telewebcourses enable you to watch course-related programs at home on local television channels or on demand via the Internet. You may also view the course-related programs at your convenience in the Norco, Moreno Valley and Riverside Campus Libraries.

**An Instructor Who Cares.** An RCC faculty member is assigned to serve as instructor for each telewebcourse. Your instructor will have many of the same responsibilities as any classroom instructor – preparing and grading assignments, answering your questions, administering your exams, and conducting the on-campus seminars. The instructor will also be available to answer your questions by phone or in person during designated hours. Check your course syllabus for your instructor's telephone number and office hours.

**Is a telewebcourse for you?** To help you decide, take our Open Campus Distance Learning quiz to find out if you have what it takes to succeed in a telewebcourse. If you score well on the quiz, you may also want to consider taking an Open Campus Online course. See the Open Campus Online section for details.

**Motivation + Determination = Success. Register Now and Give Yourself Some Credit.** You may register for a telewebcourse in the same manner as any on-campus course. (Please see the center of this schedule for an Application for Admission.) For your convenience, you may purchase your textbooks in the bookstore or order online by email - [www.opencampus.com](http://www.opencampus.com).

**Questions?** Most of your questions will be answered on the Open Campus website, [www.opencampus.com](http://www.opencampus.com) (update your browser settings - instructions are at [www.opencampus.com/help](http://www.opencampus.com/help).) Telecast schedule and on-campus room assignment information available on the **TELEWEBCOURSE HOTLINE at (951) 222-8978, after December 17, 2007.**

**Telewebcourse Programming begins the week of 1/7/08.**

**PLEASE NOTE: On Charter Communications, you need a digital cable box to receive Channel 94 (in Riverside/Norco.) Call Charter Customer Service at 359-8989 to order a digital cable box.**

## Telecast Choices:

KRCC Channel 94 (Charter Comm in Riverside-Norco only)  
KRCC Channel 17 (Time Warner Cable - Moreno Valley)

## On-campus Sessions and Internet Access: Important Note-

Students who miss the first on-campus session may be automatically dropped from the course. No adds will be accepted after the first on-campus session. Internet access is required to complete a portion of every telewebcourse.

# Tobacco & Drug Abuse Prevention Program~

## Statement of Philosophy and Purpose

It is the intention of the Riverside Community College District to provide an environment that maximizes academic achievement and personal growth. The District recognizes that alcohol, tobacco and other drug use/drug abuse poses a significant threat to the health, safety and well-being of users and the people around them. Substance abuse also interferes with academic, cocurricular and extracurricular interests and can lead to health, personal, social, economic and legal problems.

Alcohol and other drug abuse addiction or dependency is a behavioral/medical problem. Because the District's intent is to be helpful, not punitive, programs have been developed to deter alcohol and other drug abuse. First, education is provided. Second, a program of assistance and referral is available. Third, disciplinary procedures are applied to uphold the District policy regarding alcohol and other drug use and the Standards of Student Conduct as listed in the Student Handbook.

The District policy is that all use of alcohol, tobacco and other drugs is prohibited on the District property and at any college sponsored or related activity regardless of its location.

## Education

The Riverside Community College District offers a wide variety of educational opportunities to its students and the community which address alcohol, tobacco and other drug related issues. Information about courses is available in the college catalog, class schedule and through the Counseling Center.

Additional educational opportunities include awareness activities, conferences, workshops, films/videos and lectures, some of which are available at the College Health Service at each campus.

## Assistance and Referral

Students can seek help through the College Health Services. Health professionals provide assistance for students with alcohol, tobacco or drug related problems including crisis intervention, education and/or referral. Contact the Student Health Center at 222-8151.

## Regulations for Policy 3230/4230/6230, Smoking/Non-Smoking

I. Smoking of any form of tobacco or non-tobacco products is prohibited on District grounds, in all District vehicles, at any activity or athletic event and on all property owned, leased, or rented by or from the District, unless a tobacco use area has been designated.

# What Every Student Should Know!~

## AB540 Non-Resident Fee Waiver

A student who qualifies for the Non-Resident Fee Waiver will be exempt from paying the Out of State Tuition fee and will pay the \$20 per unit enrollment fee. The qualifications for the waiver are stated below.

Any student other than a non-immigrant alien within the meaning of paragraph (15) of subsection (a) of Section 1101 of Title 8 of the United States Code, who meets all of the following requirements shall be exempt from paying nonresident tuition at Riverside Community College.

1. High school attendance in California for three or more years.
2. Graduation from a California high school or attainment of the equivalent thereof (equivalent considered GED or high school proficiency test) must be obtained in the state of California.
3. In the case of a person without lawful immigration status, the filing of an affidavit (available in the admissions office) stating that the student has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so. Student information obtained in the implementation of this section is confidential. Students who are non-immigrants [for example, those who hold F (student) visas, B (visitor) visas, etc.] are not eligible for this exemption.

A student who meets the qualifications for the Non-Resident Fee Waiver is not a resident of the state of California until he or she meets physical presence and intent requirements as stated in the "Residence Classification for Tuition Purposes" section above. Students without lawful immigration status **are not** eligible for any federal or state supported financial aid such as the Board of Governors Waiver, etc. Please see Admissions and Records for the exemption request form. The Non-Resident Fee Waiver is available at the Admission and Records office.

## Academic Freedom

The district endorses the American Association of University Professor's Statement of Principles on Academic Freedom and Tenure: "Academic freedom is essential to these purposes and applied to both teaching and research. Freedom in research is fundamental to the advancement of truth. Academic freedom in its teaching aspect is fundamental for the protection of the rights of the teacher in teaching and of the student to freedom in learning" (BP 4030)

## Academic Honesty

Academic honesty and integrity are core values of the Riverside Community College District. Students are expected to perform their work (except when collaboration is expressly permitted by the course instructor). Believing in and maintaining a climate of honesty is integral to ensuring fair grading for all students. Acts of academic dishonesty entail plagiarizing—using another's words, ideas, data, or product without appropriate acknowledgment—and cheating—the intentional use of or attempted use of unauthorized material, information, or study aids on any academic exercise. Students who violate the standards of student conduct will be subject to disciplinary action as stated in the "Standards of Student Conduct", listed in the Student Handbook. Faculty, students, and administrators all share the responsibility to maintain an environment which practices academic integrity.

## Academic Renewal

Academic renewal permits previously recorded substandard course work taken at RCCD to be disregarded in the computation of RCCD grade point average after 24 subsequent units have been completed with a 2.0 GPA. Petitions and information are available in the Admissions offices of the Riverside, Moreno Valley and Norco campuses.

## Americans with Disabilities Act

The Americans With Disabilities Act extends universal civil rights protection to individuals with disabilities. The implementation of the ADA provides greater access and opportunities for community college students and employees with disabilities. Riverside Community College makes all programs and facilities accessible to persons with disabilities, and provides services to students with disabilities through the Disabled Student Services Office. For more information call 222-8060, TDD 222-8061.

If a student stops attending a class, it is ultimately the student's responsibility to officially drop the class.

It is also the student's responsibility to consult with his/her instructor regarding any absences that will alter his/her status in the class.

Students who fail to attend the first class meeting or have a poor attendance record may be dropped from the class!

## Attendance Policy

The student is expected to attend every meeting of all classes for which he/she is registered. Attending a class without being registered is contrary to Riverside Community College District policy and cannot be used as a basis for a petition to add a class. Students who have enrolled for a class and who do not attend or who are late or absent from the first meeting of the class may forfeit their right to a place in the class. Students should know and understand the attendance policy for each class in which they are enrolled.

## Auditing

RCC offers students the option of auditing courses. Instructions for auditing are as follows:

1. Students may not audit a class unless he/she has taken the course and has exhausted all possibilities to repeat the course.
2. No student will be allowed to enroll for audit prior to the first day of the course. The first day of the course refers to the actual course meeting.
3. Permission to audit a class is done at the discretion of the instructor and with instructor's **signature**.
4. When auditing, the student shall not be permitted to change his/her enrollment in that course to receive credit.
5. With the instructor's **signature** and permission, a credit student may switch his/her enrollment to audit status provided the change is completed **prior** to 30% of course for short-term courses.
6. With the instructor's signature and permission, a student may enroll in a course for audit at any time during the semester **if** he/she has not enrolled in that course for credit during the same semester.
7. Credit students have priority over auditors. If a course closes after an auditor has been admitted, the auditor may be asked to leave to make room for the credit student. Instructor's discretion is strongly recommended.
8. The audit fee is \$15 per unit plus student services and health fees. Students enrolled in 10 or more semester units may audit 3 units of audit free (may be 3 one unit courses.) The \$15 per unit audit fee will automatically be charged if the student drops below 10 units.

Students wishing to audit should be aware that audited classes will not appear on an official transcript. Green audit cards are available at the Admissions counter at all campuses. Fees are due when the form is submitted. For more information, please contact the Student Services offices at Moreno Valley (951) 571-6101, or Norco (951) 372-7003, or the Admissions and Records office at Riverside (951) 222-8600.

## California Articulation Number System

A comprehensive system for equating courses in the California colleges is being developed. It is called the California Articulation Number System. This system identifies some of the transferable, lower division courses commonly taught within each academic discipline on college campuses. You will notice (CAN) notations next to particular course descriptions throughout the schedule. These CAN numbers are a part of the California Articulation Number system. This system assures students that CAN courses on one participating campus will be accepted "in lieu of" the comparable CAN course on another participating campus. Example: CAN ECON 2 on one campus will be acceptable for CAN ECON 2 on another participating campus. Check with the Counseling office for the master course list which identifies participating campuses and courses.

## Change of Information

On the *Change of Information* link on WebAdvisor, students can update their address, phone number, privacy, and home campus. Students can also submit a yellow *Change of Information* form in Admissions to update all of these as well as a name change (with legal documentation), social security number (with valid SS card), date of birth (with legal documentation), or admit status. Students should speak to a counselor before changing their program of study (major) or educational goal, or for Assessment and Orientation/Counseling questions.

## Class Cancellation

The College reserves the right to cancel any class in which the enrollment is insufficient to warrant its continuance.

## Counseling

Counseling appointments are available at all three campuses. Schedule an appointment with Counseling if you have questions about which classes to take, transfer to another college, vocational programs, etc. The appropriate telephone numbers are:

City campus – (951) 222-8440

Moreno Valley campus – (951)571-6104

Norco campus – (951) 372-7101.

## Credit By Exam

Forms are available in Admissions. There is a separate form for Foreign Language classes.

## Credit/No Credit

If a class is offered with a credit/no credit option, students may elect to take the class on that basis; this option is available the first 30% of the course (see "Deadlines" for deadlines to elect credit/no credit.) Credit (CR) is equivalent to passing a class with a "C" or better. Requests for credit/no credit must be submitted to the Admissions and Records office at the City campus or to one of the Student Services offices at the Moreno Valley or Norco campus. Check the RCC catalog for classes that are offered credit/no credit.

## Deadlines

Add deadlines are listed with each class in this *Schedule of Classes* and on WebAdvisor at [www.rcc.edu](http://www.rcc.edu). Drop deadlines and refund deadlines can be printed on WebAdvisor. at [www.rcc.edu](http://www.rcc.edu). Click on Class Name and Title.

## Enrollment Verifications

Enrollment verifications are available on WebAdvisor at [www.rcc.edu](http://www.rcc.edu) or they may be obtained at the Transcript office at the City campus (951) 222-8603; from the Student Services office at the Moreno Valley campus (951) 571-6101; or the Norco campus (951) 372-7003. Students receive two free verifications. After that there is a \$2.00 fee for each enrollment verification requested.

Requests for enrollment verification are accepted at each campus and are processed on a first-come, first-served basis. Students must pay all fees associated with their term enrollment and the \$2.00 enrollment verification fee, if required, before the verification request can be processed.

## Grades

Grades are available on WebAdvisor at [www.rcc.edu](http://www.rcc.edu) and Phone Reg at (951) 779-3100 (see calendar.) If grades are not posted by this date, contact the instructor. If necessary, contact the appropriate academic department. Grades may be available earlier, but please do not call prior to this date. Students with financial holds cannot receive transcripts or diplomas.

## Grade Changes

According to RCC Board Policy: *The student has one year following the semester in which the grade was recorded to request a change of grade. After the one-year limit, the grade is no longer subject to change.* Students must file an Extenuating Circumstances Petition (ECP) and supporting documentation with the Admissions and Records office at one of the three campuses.

## Honors Program

**The requirements for the Honors Program include:**

- A 3.2 GPA in at least 9 units of transferable coursework
- A 3.25 GPA for incoming high school students (provide a transcript)
- Verification of eligibility for or completion of English 1A (we'll check this for you)
- Completion of an Honors Program application (which is available on the website or from the program coordinators.)

## Identification

No student information will be given or changes made to a student's records (other than filing an application) without photo identification. Changes cannot be made for another person.

## Limitations on Enrollment

RCC offers some courses which place limitations on enrollment. These limitations may include successful completion of courses, successful completion of online tutorial to demonstrate computer skills, preparation levels for math and English, performance criteria or health and safety conditions. Students who do not meet the conditions imposed by these limitations will be blocked from enrolling in these classes. Refer to the Open Campus section for the online course limitation on enrollment.

If you are currently enrolled in a prerequisite course at RCC (i.e., MATH 52), you will be allowed to register for the succeeding class (i.e. MATH 35). However, if you do not pass the prerequisite course with at least a C grade, you will be dropped from the succeeding class.

**Prerequisite** - When a course has a prerequisite, it means that a student must have certain knowledge to be successful in the course. The prior knowledge may be a skill (type 40 wpm), an ability (speak and write French fluently), a preparation level (placement test and prior academic background), or successful completion of a course (grade of C or better or

CR). Completion of the prerequisite is required prior to enrolling in the class. **Successful completion of a prerequisite requires a grade of C or better or CR (Credit). D, F, NC (No Credit) or I grades are not acceptable.** Instructions for validating prerequisites taken at another college follow.

**Corequisite** - When a course has a corequisite, it means that a student is required to take another course concurrently with or prior to enrollment in the course. Knowing the information presented in the corequisite course is considered necessary in order for a student to be successful in the course. (For example, completion of, or concurrent enrollment in MAT-1A is required for PHY-4A.)

**All course prerequisites and corequisites will be enforced. This means that a student's registration will be blocked if he/she does not have the required prerequisites and corequisites.** Preparation scores for English, mathematics and reading will also be enforced. Students who previously took the ASSET, APS, DTLs and/or MDTP test(s) and wish to enroll in math, reading or English class based on these test results must retest on the Accuplacer assessment test or show proof of prerequisites.

**Verifying Prerequisites/Corequisites - It is the student's responsibility to know and meet the course prerequisites and corequisites before attempting to register for the class.** These are stated in the course descriptions within this **Schedule of Classes** and the current **RCC Catalog**. When the student has completed the prerequisite at another institution, the student must request that an official transcript (in a sealed envelope, dated within 90 days) be sent to RCC Admissions and Records. The student must also complete a **Prerequisite Validation Request** form, available in the counseling department at any RCC campus, requesting a review of the prerequisites on that transcript **before attempting to register for classes**.

**Prerequisite/Corequisite Challenge Procedure** - There is a procedure in place for challenging a prerequisite course. Students wishing to utilize the challenge procedure must contact the Counseling office and complete the required "Matriculation Appeals Petition." Supporting documentation must be provided at the time the appeal is submitted. Prerequisites and/or corequisites may be challenged based on **one** of the following criteria:

1. The successful completion (C or better) of an equivalent course from another accredited college or university.
2. The prerequisite has not been validated.
3. The student has the knowledge or ability to succeed in the course despite not meeting the prerequisite.

4. The prerequisite for a course necessary for graduation, transfer or a certificate is not offered and the unavailability of said prerequisite poses a hardship.
5. The prerequisite is discriminatory or is being applied in a discriminatory manner.

Students challenging a prerequisite based on unofficial documentation may submit a Matriculation Appeals Petition one time only. Students are required to submit official transcripts from all previous colleges after that time.

**Advisory** - When a course has an advisory, it means that a student is recommended to have a certain preparation before entering the course. The preparation is considered advantageous to a student's success in the course. Since the preparation is advised, but not required to meet the condition before or in conjunction with enrollment in the course (i.e., eligibility for ENG-1A is recommended), the student will not be blocked from enrolling in a class if he/she does not meet the advisory.

## Military Credit

Two physical education units are awarded upon presentation of DD214, NOBE or ID card for active military. Military tech schools are evaluated based on the recommendations of the ACE Guide. No credit is granted for MOS's, correspondence courses, internships or military-specific courses. A maximum of 15 units may be awarded (two of which may be the PE credit.)

CCAF, SMARTS, AARTS transcripts, DD214 and Certificates of Completion are used to evaluate military credit. Request for evaluation of military credit should be submitted to the Veterans Office located at the Riverside campus after the completion of 12 semester units. No more than 30 units may be granted for CLEP, military training, AP or credit by exam. Any military credit granted is usable toward your AA/AS degree at RCC only and is not posted to your RCC transcript.

## Non-Degree Credit Courses

Courses indicated as non-degree credit earn credit, but the credit is not counted toward the associate degree. These courses (ART 95-99; CAT 30ABC, 99ABCD; ENG 60AB, 60A1234, 90AB; ESL 51, 51AB, 52, 53, 65, 71, 72, 90A-K, 91, 92, 95; GUI 95; MAT 50, 51, 62ABC, 63, 64, 65, 98; NXN 81; REA 66, 81, 82, 83, 86, 87, 95; SPE 52; and all computer practicums numbered 96, 96A, 97) are intended to help students develop skills necessary to succeed in college level degree-applicable courses. Non-degree credit courses can be used toward the following: athletic eligibility, work study, financial aid, social security benefits, veteran's benefits, associated student body office, and full-time status.

## Notification of Rights under FERPA for Post-secondary Institutions

Riverside Community College adheres to the policies of the Family Educational Rights and Privacy Act (FERPA) when establishing and maintaining education records. Although the college applies the provisions of FERPA in a strict manner, the law allows the college to release student directory information. RCC, based on FERPA regulations, designates as directory information the following: student's name, address, telephone listing, e-mail, major field of study, dates of attendance, enrollment status, (e.g., full time/part time) participation in officially recognized activities and sports, weight and height of members of athletic teams, degree and awards received, the most recent previous public or private school attended by the student, and any other information authorized in writing by the students.

Students have the opportunity to request that their directory information be maintained as confidential. In completing the admission application, students are provided this opportunity. Students who are continuing students with RCC may go to the Student Services office at the Moreno Valley or Norco campus or to the Admissions and Records office at the City campus and request to have directory information withheld.

The student's prior written consent is not required to disclose non-directory information under specific conditions according to FERPA regulations. Included under this provision is the ability to disclosure education records to parents of a student under 18 years of age as defined in Section 152 of the Internal Revenue Code of 1986. Refer to [www.rcc.edu/ferpa/](http://www.rcc.edu/ferpa/) for more information.

The Family Educational Right and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

1. The Right to inspect and review the student's education records within 45 days of the day RCCD receives a request for access. Copies are not provided if the student has an outstanding financial or other hold on the records. The District may assess a charge pursuant to Board Policy Regulation 7045 for furnishing copies of any education record. Students should submit to the Admissions and Records, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The RCCD official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the RCCD official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading. Students may ask RCCD to amend a record that they believe is inaccurate or misleading. They should write the RCCD official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If RCCD decides not to amend the record as requested by the student, RCCD will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to college officials with legitimate educational interests. A college official is a person employed by RCCD in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom RCCD has contracted (such as an attorney, auditor, collection agent or agents or organizations conducting studies on behalf of the college); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another college official in performing his or her tasks. A college official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. Upon request, RCCD discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by RCCD to comply with the requirements of FERPA.

## Overlapping Classes

If classes have overlapping meeting times, students must register in person with an approval for overlapping classes form including instructor and Dean of Instruction signatures. Forms are available in Admissions.

## Probation and Dismissal Students

If you are on academic probation or dismissal, contact Counseling for registration requirements and procedures.

## Repeat Policy

Students may repeat a course if they have received one substandard grade (D, F or N/C) or until they have attempted the course four times (including substandard grades and "Ws".)

1. When course repetition occurs, the permanent academic record will be annotated in such a manner that all work remains legible ensuring a true and complete academic history.

2. When a course is repeated, the highest grade will be used in the computation of Riverside Community College grade point average.

3. Courses repeated to raise a grade must be counted in the study list total. Additional credit units are not allowed if units were earned in the previous attempt.

4. Upon transferring, the policy of the transfer institution will be applied to all repeated coursework.

5. This policy applies only to coursework initially taken at RCC and subsequently repeated at RCC.

Petitions for Course Repetition are available in the Admissions or Dean of Instruction's office. Petitions can be submitted for courses that are mandated for training requirements as a condition of continued paid or volunteer employment, courses that were taken more than five years ago, courses that have had substantial curriculum changes and documented extenuating circumstances.

Repeatable activity and performance classes may be taken up to a total of four times and are identified in this catalog. For these repeatable courses, all grades and units will be used in the computation of the grade point average and earned units.

## Residency for Tuition Purposes

You are considered a California resident for tuition purposes if:

1. You verify physical presence one year and one day prior to the residency determination date (the first day of the semester you plan to attend.) The one year period begins when you are not only present in California but also have demonstrated clear intent to become a permanent resident of California.
2. You verify an intent to make California your permanent place of residence.

Students who do not meet these requirements will be classified as nonresidents and will be required to pay nonresident fees. Nonresident students pay both the \$20 per unit enrollment fee and the \$173 per unit nonresident tuition. International students also pay the (non-refundable) \$19 per unit surcharge.

RCC exempts students from non-resident tuition who are members of the armed forces of the United States stationed in this state on active duty. A student who is a natural or adopted child, stepchild, or spouse who is a dependent of a member of the armed forces is also exempt from non-resident tuition.

Dependents of certain veterans are exempt from paying enrollment fees.

- (1) Any dependent eligible to receive assistance under Article 2 of chapter 4 of division 4 of the Military and Veterans Code
- (2) Any child of any veteran of the US military who has a service-connected disability, has been killed in service, or has died of a service-connected disability, where the Dept of Veterans Affairs determines the child eligible.
- (3) Any dependent, or surviving spouse who has not remarried, of any member of the CA National Guard who, in the line of duty, and while in the active service of the state, was killed, died of a disability resulting from an event while in active service of the state, or is permanently disabled as a result of an event that occurred while in the active service of the state.
- (4) Any undergraduate student who is a recipient of a Congressional Medal of Honor and who is under 27 years old, provided his/her income, including parental support, does not exceed the national poverty level and the parental recipient of the Medal of Honor was a CA resident at the time of his or her death.

Students who feel they are eligible for a fee exemption should contact the Dept of Veterans Affairs for more information.

## Student Right-to-Know Disclosure Statement

In compliance with the Student Right-to-Know and Campus Security Act of 1990, it is the policy of Riverside Community College District and Riverside Community College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2003, certificate-, degree- and transfer-seeking first-time students, enrolled full-time in degree applicable courses, were tracked over a three-year period. Their completion and transfer

rates are listed below. These rates do not represent the success rates of the entire student population at Riverside Community College, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, 25.8% attained a certificate, degree or became "transfer-prepared" during a three-year period (Fall 2003 to Spring 2006.) Students who are "transfer-prepared" have completed 56 transferable units with a GPA of 2.0 or better.

Based upon the cohort defined above, 12.6% transferred to another postsecondary institution prior to attaining a degree, certificate or becoming "transfer-prepared" during a five semester period (Spring 2004 to Spring 2006.)

More information about Student Right-to-Know Rates and how they should be interpreted can be found at the California community Colleges "Student Right-to-Know Information Clearinghouse Website" located at <http://srtk.cccco.edu/index.asp>

## Transfer Courses

You may obtain a list of RCC classes which are transferable to the University of California and the California State University in the Career and Transfer Center. The information also appears in the college catalog.

## Units for Full Time Status

For full-time status, a student must be enrolled in at least 12 units of credit for the fall/spring semesters and 6 units of credit for the winter/summer terms. Students who are enrolled in less than 12 units for fall/spring terms or less than 6 units for winter/summer are considered to be part time. Specialized programs may have a different unit requirement for full time status because of state mandates. The maximum amount of units a student may enroll in for fall/spring semesters is 18. Students wishing to enroll in more than 18 units must have an established GPA of 3.0 or higher. A counselor must sign an add card after verifying the GPA and the student must register in person for the over limit units.

## Veterans

Veterans must submit an RCC application and complete any required assessment testing and/or counselor orientation (if applicable).

Before enrollment can be certified, all prior credit must be evaluated. All transcripts need to be sent to RCC; they must be official, sealed and less than 90 days old. Veteran's assistance is available in the Bradshaw building, located on the Riverside campus.

All of the above must be completed before the Student Educational Plan (SEP) can be started for the VA qualifying program of study. After a counselor completes the SEP, and the student is enrolled in approved classes, the Veteran's Statement of Responsibility (Blue Sheet) is submitted to the RCC Veterans' Services office. Please allow at least three weeks processing time during peak semester times. The VA then takes approximately one week to process the request.

Please contact the RCC Veterans' office at (951) 222-8602 or 8607 or [veterans@rcc.edu](mailto:veterans@rcc.edu) for more information. Call 1-888-GIBILL1 for questions regarding pay, your Certificate of Eligibility, or your benefits.

## Workforce Preparation

Workforce Preparation offers a wide range of services and programs to assist students with academic success, employment, and financial independence. The programs directed by Workforce Preparation include the CalWORKs Program, the Workforce Preparation Skills Classes, Secrets of Success (SOS) workshops, TANF-Child Development Careers Program (TANF-CDC), Foster and Kinship Care Education Program, Riverside Gateway to College Early College High School, and the Foster Youth Emancipation Program. ## Need Money for College?~

The Riverside Community College District offers a variety of financial assistance programs for eligible students consisting of the following:

**Grants** - Financial assistance that is based on financial need and does not require repayment. Grants consist of the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Cal-Grant and the Academic Competitiveness Grant (ACG). The ACG's are for students who are enrolled full-time in their first and second academic years and graduated from a rigorous high school program of study. Completing the FAFSA on-line at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) is the basis for all the grants and loans listed below. **The Cal-Grant application and FAFSA must be postmarked by March 2nd of each year in order to apply for the Cal Grant Program.** So remember, apply early!

**Board of Governors Fee Waiver (BOGW)** - The Board of Governors Fee Waiver is a state program which waives enrollment fees and reduces parking fees to \$20 for qualified students who are California residents. To apply for the BOGW, complete the FAFSA at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) and list RCC as a school choice using our Title IV code #001270. Eligibility for the BOGW is determined automatically when the Student Financial Services office receives information from the Department of Education after the FAFSA is completed. The BOGW is valid for the entire academic year beginning with summer and ending with the following spring semester. The BOGW does not pay for books, student services or health fees, or additional class fees.

**Student Employment** - The Student Employment Program offers students the opportunity to earn additional funding through part-time employment. It also allows students to gain work experience and pay for a portion of their educational expenses. All positions require that students maintain half-time enrollment and a minimum 2.0 CGPA.

The program offers two types of employment through Student Financial Services: District and Federal Work Study (FWS).

- District Employment - These positions are available on each campus and do not require completion of the Free Application for Federal Student Aid (FAFSA). Earnings are paid from a department's budget.
- Federal Work Study (FWS) - FWS is one of several federal grants offered through financial aid. These positions are on and off campus throughout the district. In order to be considered for FWS, students must apply for and be eligible to receive Federal Financial Aid. Jobs are available on-campus as well as in the America Reads, America Counts, Community Service, and Literacy programs. Most positions through these programs are off-campus and funding is limited. Students are awarded based on need and funding.

Positions may be viewed at [www.MonsterTrak.com](http://www.MonsterTrak.com) making them available 24 hours a day, seven days a week. The school password to view available positions using this site is "RCC". Salary ranges vary based on the job. You must have a valid social security card with the same name in which you register for classes, along with completing additional documentation before beginning employment. If you are interested in a Federal Work-Study or District position, please refer to our website at [www.rcc.edu](http://www.rcc.edu) for more information.

**Scholarships** - A list of scholarships available from outside sources and free internet scholarship search sites is published throughout the year and is available at the Student Financial Services web site at [www.rcc.edu/studentfinancialservices](http://www.rcc.edu/studentfinancialservices) and in the Student Financial Services office at all three campuses. Scholarship brochures for high school seniors who plan to attend RCC are available during the early spring semester. The RCC scholarship brochure for continuing and transferring students will be available during the fall semester with an application deadline in December.

**Loans** - Riverside Community College District strives to help students reach their educational goal with the least amount of student loan debt possible.

The Riverside Community College District participates in the Federal Family Education Loan (FFEL) Program. We offer Subsidized and Unsubsidized FFEL Stafford loans to help students achieve their career goals. The loan applications are available during the fall and spring semesters. FFEL loans must be repaid with interest and we encourage all students to exercise caution when borrowing any student educational loans. Federal Student Loans should be the last alternative to pay for a student's education, so plan ahead when determining the amount you request to borrow. Loan amounts are based on grade level, unmet financial need, annual and aggregate loan limits, loan history and Satisfactory Academic Progress.

**CCAMPIS/SHINE - Child Care Assistance Program** - Scholarships available for tuition reduction for "Riverside City Campus" Children's Program for children ages 6 weeks through 5 years. Call Early Childhood Studies Department at (951) 222-8430 for criteria and application.

**Student Financial Services Counseling/Outreach** - If you would like assistance with any of these programs, apply for financial assistance, search for scholarships over the internet, or meet with our Student Financial Services Educational Counselors, please visit our office located on the Riverside City Campus behind the Bradshaw Student Center.

**Financial Aid Application Workshops** - Workshops are available to assist you with the FAFSA application. Please refer to our web site at [www.rcc.edu/studentfinancialservices/](http://www.rcc.edu/studentfinancialservices/) for workshops dates, times, and locations.

For more information, please refer to the Consumer Guide available in our office or the Student Financial Services web site at [www.rcc.edu/studentfinancialservices/](http://www.rcc.edu/studentfinancialservices/)

## Parking @ RCC~

*Listed below are some of the most frequently asked questions by students regarding the parking rules on campus. If your specific questions are not addressed, call 222-8521 or stop by the Safety & Police Parking Office located in Lot J. We are here to help you understand the rules you will have to follow should you choose to bring a motorized vehicle to campus.*

**Q: After I order and pay for my parking permit, when will I receive it?**

**A:** Parking permits will be mailed within 5 days after payment (weekends and holidays excepted.) If needed, you may pick up a temporary permit at any Admissions office or pay at metered parking until your permit arrives in the mail.

**Q: What are the hour permits are required?**

**A:** Permits are required on all district property, Monday through Thursday from 7:00am-10:00pm, Friday 7:00am-4:00pm. RCC ENFORCES ALL OTHER RULES OF THE CALIFORNIA VEHICLE CODE (i.e., posted time zones, red curbs, handicap spaces, expired registration, etc) 24 HOURS A DAY, 7 DAYS A WEEK.

**Q: If I paid for a parking permit, I can park wherever I want, right?**

**A: NO!** Parking permits allow students to park on district property in student spaces. THEY DO NOT GUARANTEE A SPACE AND THE INABILITY TO LOCATE A LEGAL PARKING SPACE IS NOT A VALID JUSTIFICATION FOR THE VIOLATION OF DISTRICT PARKING REGULATIONS OR THE CALIFORNIA VEHICLE CODE. **YOUR PARKING PERMIT MUST BE PROPERLY DISPLAYED IN PLAIN, FULL VIEW, AND NUMBERS CLEARLY VISIBLE, ACCORDING TO THE INSTRUCTIONS ON THE PERMIT.**

**Q: I only have a couple of classes a week. Can I just park in the neighborhood close to campus?**

**A: NO!!** There is no parking available to students in the neighborhood adjacent to the campus. There are heavy fines for students doing so, and you subject your vehicle to being towed away at your expense.

**Q: So where can I park on campus if I choose not to purchase a semester parking permit?**

**A:** Each campus has a "Pay-By-Day" lot. These lots are useful to students that are only taking one or two classes a week.

**Q: I ride a motorcycle. Do I have to purchase a parking permit?**

**A:** Yes, if you plan to park on campus. Motorcycles are restricted to parking within designated spaces set aside on campus.

**Q: Can I park in the short-term metered area on campus with my parking permit?**

**A: Only if you pay the required meter fee.** YOUR PARKING PERMIT IS NOT VALID IN THIS AREA. There are no enforcement grace periods in the short term metered parking areas. These areas are constantly enforced during all semesters.

**Q: What if I use a different car or forget my permit, can I just leave a note on the windshield stating so?**

**A: NO.** If you forget your permit, stop by or call the Safety & Police Parking Office on the Riverside campus (951) 222-8171, Student Services at the Norco campus (951) 372-7088, or Safety & Police at the Moreno Valley Campus (951)

**Permits are not required for the Winter term as long as students park in student spaces.**

571-6190. You will be required to supply your student ID number for verification that you have purchased a permit. You may receive only three (3) temporaries per semester.

**Q: I have a disabled placard. Do I have to purchase a parking permit?**

**A:** YES. In addition to having a valid placard properly displayed or a license plate which signifies that you are disabled, your vehicle must display a current parking permit.

**Q: If I lost my permit, can I get another one?**

**A:** No. Parking permits are personal property. You wouldn't leave money lying around your unopened vehicle, and your parking permit should be treated the same way. If your vehicle is a convertible, or you are somehow prevented from locking your vehicle, visit Parking Services after you purchase your permit. We will help you in finding a solution.

**Q: I got a parking citation, now what do I do?**

**A:** No one enjoys getting a parking citation, but getting angry and rude will not make it go away. If you believe the citation was issued in error, you can contest the citation. Follow the directions on the back of the citation. You have twenty-one (21) calendar days from the date the citation was issued to do so. The appeal process is in accordance with California law.

**Q: What happens if a citation is not paid?**

**A:** If a citation is not paid or appealed within twenty-one (21) calendar days from the date it was issued, the citation is increased \$8.00. Further failure to adjudicate the citation will ultimately result in a Department of Motor Vehicles hold being placed on vehicle registration, and can also initiate a California state tax lien to be placed on the registered owner of the vehicle in violation.

**Q: Why is parking such a challenge?**

**A:** The first few weeks of a new semester are always the busiest. Students are still registering, paying fees, adding and dropping classes and buying parking permits. The Riverside City Campus has a new multi-structured parking building on Magnolia Avenue that can be accessed from Magnolia or 15<sup>th</sup> Street. Find alternate transportation the first few weeks, i.e., walk, carpool with friends, take the bus, or ride a bicycle. Try searching for a parking space in the lower level of the Riverside Campus first. **REMEMBER, YOU ARE RESPONSIBLE FOR FINDING LEGAL PARKING.**

**College Safety & Police offer a variety of safety and basic services to the college community, and are available 24 hours a day, 7 days a week. Services include campus patrol and investigations, vehicle lockout service and jump-starts. Also available is an escort service to walk you to your vehicle in the evening. Call 222-8171 to reach the Campus Police Dispatcher; this number will work for all three campuses. You can also dial \*81 on the Riverside campus from any pay phone. On the Norco campus, contact Student Services, and at the Moreno Valley campus, use the button on the pay phone for Campus Police.**

**If you need emergency assistance, you can contact Safety & Police anytime by dialing 911 or (9-911) from any phone on campus. At the Moreno Valley and Norco campuses, tell the Sheriff's office to connect you to Riverside Community College Safety & Police.**

# Matriculation~

Students eligible for matriculation will be provided an evaluation of basic skills, orientation, counseling, completion of an educational plan and follow-up services. All new matriculants must complete Assessment, Freshman Orientation and Counseling prior to registering for classes.

## Assessment of Basic Skills

Preparation levels are required for placement in English, ESL, mathematics, and reading courses. These placement levels are based on a combination of test scores and other academic experience. Assessment/placement testing is available in alternate format for individuals with disabilities. Because RCC uses multiple measure placement criteria, placement levels are enforced as prerequisites to courses.

New students and continuing students who need placement levels for ESL courses should make an appointment for this test by calling the assessment centers at any campus. RCC's placement process for math, English and reading courses is now computerized and in most cases no appointment is necessary. Call to confirm hours of service. Assessment phone numbers: Moreno Valley (951) 571-6492; Norco (951) 372-7176; Riverside (951) 222-8451.

## Orientation/Counseling Sessions

All first time college students must attend a freshman orientation/counseling session prior to enrolling in courses. During these sessions, counselors will introduce students to services and educational programs at Riverside Community College; provide students with information on registration procedures and placement results; and assist the students in developing their first semester educational plans. Call or stop by the Counseling department on any campus to schedule a freshman orientation/counseling session. New students should also register for Guidance 45, Introduction to College.

## Counseling for Continuing Students

Continuing matriculated students are entitled to see a counselor who can recommend appropriate coursework based on assessment results, review of past school records, and other information provided by the student. Due to a high demand for counseling appointments during the winter and summer sessions, it is highly recommended that continuing students see a counselor during the spring and fall semesters to complete a Student Educational Plan. Students who have attended other college(s) must request to have an official transcript(s) sent to RCC before scheduling counseling appointments.

## Student Educational Plan

Counselors are available to assist matriculated students in developing an educational plan that outlines the courses and services necessary to achieve their goals. All matriculated students must declare a specific educational goal by the time they complete 15 units. Students are required to have an educational plan on file within 90 days after declaring a goal. When goals or majors are changed, students should update their educational plan. To ensure this procedure, matriculated students are encouraged to make an appointment with a counselor during their first semester at RCC. (Special support programs may have additional requirements.)

## Follow-up

Counselors and teachers will provide follow-up activities on behalf of matriculated students. These activities are designed to inform students of their progress early in the semester and to continue to assist students in accomplishing their educational goals. Referrals for appropriate support services will be made to on-campus and off-campus locations when appropriate.

## Student Rights and Responsibilities

Prerequisites for courses will be enforced according to District policy. Students have the right to challenge prerequisites on the following grounds:

1. The successful completion ("C" or better) of an equivalent course from another accredited college or university.
2. The prerequisite has not been validated.
3. The student has the knowledge or ability to succeed in the course despite not meeting the prerequisite.
4. A prerequisite for a course necessary for graduation, transfer or a certificate is not offered and the unavailability of said prerequisite poses a hardship.
5. The prerequisite is discriminatory or being applied in a discriminatory manner.

The *Matriculation Appeals Petition* form to challenge prerequisites is available in the Counseling Center on all three campuses.

It is the student's responsibility to a) complete placement testing and orientation prior to registering for classes, b) express a broad educational intent upon admission and c) declare a specific educational goal by the time 15 semester units are completed. The student is also responsible for participating in counseling, attending class, completing assignments and maintaining progress toward that educational goal. If you have questions regarding the matriculation process, please contact the District Matriculation office at (951) 222-8442.

To obtain a complete copy of the Board Policies mentioned above, please call the Diversity, Equity and Compliance Office: (951) 222-8039 or the Diversity and Human Resources Department: (951) 222-8595.

## Nondiscrimination

The Riverside Community College District Board of Trustees has adopted policies and procedures and has endorsed practices which provide for the District and its employees and students to be in compliance with all the applicable laws relating to prohibition of discrimination on the basis of ethnic group identification, race, color, national origin, religion, age, gender, disability, ancestry, sexual orientation, or on the basis of these perceived characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

## Prohibition of Sexual Harassment

The sexual harassment of students or staff is prohibited by federal and state law and Board of Trustees' policy. Such behavior includes, but is not limited to, unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature made by someone in the work or educational setting, when (1) submission to, or rejection of, the conduct is explicitly or implicitly made a condition of academic status or programs, employment, or participation in other district activities, (2) submission to, or rejection of, such conduct by an individual is used as a basis for making academic or personnel decisions affecting that individual's educational or employment relationship with the District, (3) the conduct has the purpose or effect of having a negative impact upon an individual's academic or work performance, or of creating an intimidating, hostile, or offensive educational or work environment, or (4) explicit or implicit coercive sexual behavior is used to control, influence or affect the educational advancement, availability of financial aid, access to campus resources, programs, activities, benefits, services or educational environment of a student; or the career, salary or working environment of an employee.

## Complaint Procedures

A condensed version of the District Complaint Procedure can be found in the next pages.

# Reporting Discrimination or Harassment

The District Diversity, Equity and Compliance office is available to assist students, faculty, staff and visitors with problems or questions regarding discrimination and harassment. For more information on reporting procedures

or to download a copy of the District Complaint form, please visit our web site at: <http://www.rcc.edu/administration/dec.cfm> or we may be reached at: 951/222-8039.

- Names and contact information for those involved and possible witnesses, if known;
- Detailed information regarding the incident(s) observed;
- Report your concerns and problems by calling 951/222-8039.

**Discrimination** is contrary to the RCCD mission of higher education and is against the law. District policy prohibits discriminatory practices that are based upon an individual's actual, perceived or association with others':

| • Mental Disability      | • Color     | • Sexual Orientation |
| • Physical Disability    | • Religion  | • Marital Status     |

## Sexual Harassment

Sexual Harassment has no place in an academic or work setting. RCCD is committed to providing a positive and safe environment for all students, employees and visitors. The following is a partial list of prohibited sexual harassment activities:

- Unwanted sexual advances;
- Offering employment or grade benefits in exchange for sexual favors;
- Actual or threatened retaliation for non-participation;
- Leering; making sexual gestures; or displaying sexually suggestive objects, pictures, cartoons, or posters;
- Making or using derogatory comments, epithets, slurs, or jokes;
- Sexual comments including graphic comments about an individual's body;
- Sexually degrading words describing an individual; suggestive or obscene letters, notes, or invitations;
- Physical touching or assault, as well as impeding or blocking movements.

## Resolution

Resolution of complaints may be achieved by either *formal* or *informal* process. The choice of process is determined by the individual raising the concern. The purpose of the *informal* resolution process is to allow an individual who believes she/he has been unlawfully discriminated against or sexually harassed to resolve the issue through a mediation process rather than the formal complaint process. Typically, the *informal* process is utilized when there is a simple misunderstanding or the individual seeks nothing more than a clarification of the misunderstanding or an apology from the other person and an assurance that the offending behavior will cease. *Formal* complaints must be filed using a District Complaint form available on our web site or in the Diversity and Human Resources department. If a *formal* complaint is filed, the District conducts an investigation within required timeframes according to policy and law. During the *formal* process the complainant will not be required to confront, or work out problems with, the person accused of unlawful conduct.

## Informal Complaints

Informal Complaints can be filed by contacting the Diversity, Equity and Compliance office at (951) 222-8039. Informal complaints require written acknowledgement from the person filing the complaint. Choosing the informal process does not prevent the right to file a formal complaint within the 1-year time period for filing complaints.

## Formal Complaints

Formal Complaints may be filed by contacting the Diversity, Equity and Compliance office at (951) 222-8039, or the California Community Colleges Chancellor's Office at 1102 Q Street, Sacramento, CA 95811. Formal complaints are only valid if submitted on a completed form prescribed by the State Chancellor's Office. The complaint form is available from the following web sites:

- [www.rcc.edu/administration/hr/files/DiscrimComplaint\\_2006.pdf](http://www.rcc.edu/administration/hr/files/DiscrimComplaint_2006.pdf)
- [www.cccco.edu/divisions/legal/discrimination/attachments/DiscrimComplaint\\_2006.pdf](http://www.cccco.edu/divisions/legal/discrimination/attachments/DiscrimComplaint_2006.pdf)

Formal complaints may be filed only by one who alleges that he or she has personally suffered unlawful discrimination or by one who has learned of such unlawful discrimination in his or her official capacity as a faculty member or administrator.

Upon receipt of a completed complaint form, the District will conduct an investigation within the time period required by Board Policy and Title 5, Section 59300 and will notify you of the findings.

## Timeline for Filing a Complaint

Timeline for Filing a Complaint in cases not involving employment issues is within one year of the date of the alleged discrimination, or one year from the date the complainant knew or should have known of the discrimination. Complaints involving discrimination in employment shall be filed within 180 days of the date the alleged unlawful discrimination occurred.
