What Are Online, Hybrid and Web-enhanced Classes?

- **Online** classes are taken exclusively over the Internet; there are no on-campus meetings required. However, some online classes require proctored exams, either on an RCCD campus or by an off-site proctor approved by the instructor. See www.opencampus.com.
- **Hybrid** classes meet both on campus and online; think of them as traditional face-to-face classes where some of the on-campus class meetings are replaced with online assignments. In a hybrid class, you will attend meetings on campus during the dates and times listed in this schedule of classes. Since the on-campus portion of hybrid classes could take place at any of our three colleges (Riverside City, Norco or Moreno Valley), hybrid classes are listed according to the campus where the on-campus meetings take place. So, for example, if you'd like to take a hybrid class at Norco, you'd look under the Norco college section of this schedule.
- **Web-Enhanced** classes are traditional face-to-face classes that are augmented with course websites. Unlike hybrid classes, all web-enhanced class meetings take place on campus. The course website is an extra value!

Are You Ready for Online Learning?

To take an online, hybrid, or web-enhanced class, here are a few things to keep in mind:

- You should have regular access to a personal computer that is connected to the Internet. Not sure whether your computer measures up? At www.opencampus.com, click on "Help" then click "Requirements Help" (near the top left, under "Help Links").
- You should be familiar with basic computer operations: for example, using a word processing program, logging onto the Internet, using a browser, and sending e-mail.
- You should be self-disciplined and have strong study skills. It's easier to fall behind in an online class.
- Lastly, you shouldn't believe the myth that online or hybrid classes are "easier" than face-to-face classes. In fact, online classes cover the same material as face-to-face classes, and many students say that their online classes actually require more of their time than their face-to-face classes. *Set aside a few minutes and take the Open Campus Distance Learning quiz to help you decide.*

Please note: To enable online-based students to communicate more effectively with their instructors, students need to activate and use their RCCD e-mail account. Please go to www.rccd.edu/students/email.cfm and follow the link to e-mail tutorial at www.rccd.edu/students/emailtutorial.cfm. Personal e-mail addresses will not be used so the RCCD account is the only approved method of formal communication from RCCD to the student.

What's An Online Class Like?

Sample an online class--go to www.opencampus.com and click on "Online Course". Under "Quick Links" in the left column, click on "Sample Class". Use the information provided to log in.

Are Open Campus Distance Learning Classes for Me?

1. Holding weekly class meetings face-to-face is:

- Not particularly necessary for me;
- Somewhat important to me;
- Very important to me;

2. I would classify myself as someone who:

- Often gets things done ahead of time;
- Needs reminding to get things done on time;
- Puts things off until the last minute or doesn't complete them;

3. When an instructor hands out directions for assignments, I prefer:

- Figuring out the instructions myself;
- Trying to follow the directions on my own, then asking for help as needed;
- Having the instructions explained to me;

4. Considering my professional and personal schedule, the amount of time I have to work on a Distance Learning class is:

- More than enough time for an on-campus class;
- The same as for a class on campus;
- Less than for a class on campus;

5. As a reader, I would classify myself as:

- Good - I have no problem understanding textbook material;
- Average - I sometimes need help to understand the text;
- Slower than average;

6. Commuting to campus on a regular weekly schedule is:

- Extremely difficult for me - I have commitments;
- A little difficult, but I can rearrange my priorities for regular attendance on campus;
- Easy for me;

7. When I need help understanding the subject:

- I am comfortable approaching the instructor;
- I am uncomfortable approaching the instructor, but I do it anyway;
- I never approach an instructor to admit I don't understand something;

SCORING: Are Distance Learning classes for you? Score your responses: 3 points for each "a", 2 points for each "b", and 1 point for each "c". **14 or over**--a Distance Learning class is a **real possibility** for you. Between **8 and 13**--Distance Learning classes **may work** for you, but you may need to make adjustments in your schedule and study habits to succeed. **7 or less**--Distance Learning classes **may not** currently be the best alternative; talk with your counselor.

Online course Limitation on Enrollment

Enrollment in online classes offered through the Riverside Community College District is limited to students who have demonstrated competency in working in the online environment. Before you can register for an online class, you must demonstrate that you have the computer and Internet skills you need to be successful. Your enrollment in online classes will be blocked until you have met this requirement.

You may demonstrate competency and meet the requirements of this limitation on enrollment in two ways:

1. Successful completion of an online class (grade of "C" or better):

If you successfully completed an online class at Riverside Community College District prior to **WINTER 2012**, your record has already been cleared and you may register immediately. If you successfully completed an online class at another accredited college or university, please call the prerequisite hotline (951) 222-8808 for directions on how to provide documentation to clear this limitation on enrollment (since verification of your successful class completion will not be immediate, you are encouraged to simply complete the short Online Skills Workshop described in Item 2 below).

or

2. Log into WebAdvisor and complete the Online Skills Workshop:

The Online Skills Workshop takes only a few minutes to complete and will verify your ability to perform the functions required in an online class, such as posting to a discussion board, uploading assignments, sending an e-mail, attaching a document, etc. Once you have successfully completed the workshop, you will be cleared to register for online classes.
