

Moreno Valley College Mentorship Program

APPLICATION

Dear UMOJA Community Mentor Volunteer Mentor,

The UMOJA Community at Moreno Valley College Mentorship Program was developed to provide students with mentors to assist them in their career development and to provide them with professional guidance. That mentor then provides support to the mentee based on what the mentee's needs may be both personally and academically.

Please complete the following in-depth on-line application to let us get to know you better and match you with some of our best and brightest students.
