Upward Bound Math & Science Program

Your student has been identified as a potential candidate for Moreno Valley College's Upward Bound Program (Valley View HS) or Upward Bound Math & Science Program (Vista del Lago HS).

Upward Bound and Upward Bound Math & Science Programs are part of the Federal TRiO programs and are designed to identify and assist income eligible and first generation college-bound students who have the potential to succeed in higher education.

Upward Bound and Upward Bound Math & Science offer the following services at no cost to participants:

- 6-week Summer Program
- Field trips to college/universities, career locations, and cultural/educational events
- Academic Advising
- Information and assistance about applying to colleges/universities
- Information about and assistance applying for financial aid and scholarships
- Assistance with goal setting and career exploration
- Family Workshops
- Mentoring and Networking
- Tutoring

All services provided are **FREE OF CHARGE!**

If you and your student are interested in receiving an application, please complete the Pre-Screening Questionnaire and submit it to P-4 at Vista del Lago or C350 at Valley View.
